Reference: Launch of Volkai – Homegrown AI Platform by Kairosoft AI Solutions Limited – Now Live on Play Store.

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Kairosoft AI Solutions Limited has to announce the successful launch of its homegrown AI platform, **Volkai Application**, which is now live on the Google Play Store. Volkai, dedicated Artificial Intelligence (AI) platform to The Indian, by The Indians and for The Indians.

Volkai Application is an innovative AI platform designed to provide large language model, trained to be informative and comprehensive. Here's a brief rundown:

- **What Volkai can do:**

Answer your questions in a thorough and informative way, even if they are open ended, challenging, or strange. Generate different creative text formats, like poems, code, scripts, musical pieces, email, letters, etc.

Try my best to follow your instructions and complete your requests thoughtfully.

- **Who I'm for:**

Anyone curious about the world and eager to learn. I can be your research buddy, brainstorming partner, or just a fun way to explore new ideas.

Writers and creatives looking for inspiration or help overcoming writer's block.

We believe that the launch of Volkai application will have a positive impact on the Company's business and will contribute to its long-term growth and success.
