**Veefin Group raises INR 136 Cr (~16 million USD) for product development and acquisitions; aims to raise a further INR 155 Cr (~18 million USD) by Jan 2025**

- This investment will fuel Veefin Group's rapid global expansion and solidify its position as the leading global working capital technology platform.

**Mumbai, 19<sup>th</sup> December 2024:** The Veefin Group of Companies, a leading technology partner for banks, financial institutions, and corporates in providing working capital solutions, has successfully completed an INR 136 Cr (~16 million USD) funding round. The fund, raised from capital market investors, will be primarily focused on fostering growth, scaling its products, and expanding its footprint.

The Group also announced that it is set to raise a further INR 155 Cr (~18 million USD) in its next funding round in FY25. This round will be a catalyst to fast-track the growth of Veefin's innovative product portfolio, positioning the company as the working capital technology platform of choice, and a trusted partner for clients. It will also drive faster business expansion across its recently acquired companies: Regime Tax Solutions (*Tax Genie*), Epikinidifi (*ezee.ai*), Nityo Infotech (India arm), & Singapore-based Walnut.AI.

Speaking on the fundraising, **Gautam Udani, Co-Founder & COO of the Veefin Group of Companies**, said: *"This marks a significant step in the Veefin Group's journey of innovation and growth. The trust and continued support from our investors reflect our proven track record of delivering state-of-the-art transformative solutions for banks, financial institutions and corporates. We will remain steadfast in our commitment to be the most trusted partner for digital transformation for our domestic and global clients."*

The funding round saw participation from the Veefin Group's long-standing investors who have been integral to the company's growth since its inception.

Veefin Group has partnered with **500+ clients** consisting financial institutions, corporates and governments, including marquee names like the DBS Bank, IBM, Jio Finance Limited, Exxon Mobil, Yes Bank, Kafalah, PSB Alliance, Riyad Bank and more. The platform has achieved an **annual disbursement worth \$30Bn** on its platform, one of the highest in the industry.
