Dear Sir/Ma'am,

We are pleased to inform you about a significant development at Technopack Polymers Limited as we continue to enhance our production capabilities and optimize our business strategy.

We have successfully acquired a high-speed cap closures manufacturing line from Coca-Cola India. This advanced machinery operates at a speed of 800 caps per minute, significantly boosting our production capacity to approximately 41 crore caps per annum. This investment aligns with our vision of strengthening our market presence and catering to the growing demand with enhanced efficiency and quality. We are confident that this upgrade will enable us to serve our clients with even greater precision and timeliness.
