BLS has completed the acquisition of 100% stake in iDATA for an overall consideration of ~ Rs. 720 Crores, funded through internal accruals and debt. iDATA achieved Revenues of ~Rs. 246 Crores and an EBITDA of ~Rs. 144 Crores in CY2023, as per its audited consolidated financials.

This acquisition would further strengthen the overall BLS’ position as one of the leading international player in Visa and Consular services. iDATA’s existing agreements and offices will be aligned into the BLS’s network in 66 countries across the globe, enabling BLS to service more Client Governments in Europe where iDATA is a dominant player. The acquisition would enable BLS to build relationships with the new Client Governments in Europe, enhance our visibility and consolidate market share. We anticipate this strategic move to contribute positively to our financial performance and improve our margins noticeably, on the back of the combined synergies of both the companies. We would like to thank both the teams at iDATA and BLS that have worked together to address regulatory and statutory requirements to enable deal closure, while welcoming the iData employees to a world of opportunities.”
