Sub: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to announce that Rishi Laser Ltd. has entered into a Technical Collaboration and Sales arrangement, with two Robot Manufacturing Companies, to provide advanced Robotic Systems and solutions tailored for the Steel Fabrication Industry. Through this partnership, Rishi Laser Ltd. will provide cutting-edge automation solutions to the steel processing sector. The demand for cost-effective robotic solutions in the industry is substantial, and we are confident that this collaboration will enable us to meet that need. Robotic systems offer significant advantages, including improved productivity, enhanced precision, and increased safety in operations. By automating complex and repetitive tasks, robots can help our customers achieve higher productivity and maintain consistent quality standards.

We are excited to bring these benefits to the steel fabrication industry, helping companies optimize their processes and stay competitive.

Kindly take the above information on your records and acknowledge the receipt.

Thanking You,

Yours Faithfully

For **Rishi Laser Limited**
