In addition, you shall also obtain such statutory and other approvals as are required for the purpose.

Further, the company is advised to strengthen internal controls (to monitor trades being executed by the proposed allottees in the scrip of the company) before allotment of securities in order to avoid any non-compliances in respect of trades being executed by the allottees in contravention to provisions of Chapter V of SEBI (ICDR) Regulations. In this regard,

- The company may note that the responsibility/onus is solely on the Issuer company to verify the above (a) and ensure compliance with applicable provisions including Regulation 167(6) of SEBI ICDR regulations, 2018.
- The company may also note that any non-compliances, if observed by the exchanges post the undertaking and verification by the Issuer company may impact the listing of such shares.

On allotment of securities pursuant to this 'in principle' approval you are required to make a listing application without delay, with applicable fees, in terms of Regulation 14 of the LODR Regulations and comply with the post issue formalities. Listing application and the checklist for post issue listing formalities can be downloaded from the link: <https://www.bseindia.com/static/about/downloads.aspx>. Further, it should be noted by Depositories and the Company that in case of allotment of Convertible Securities, there would be automatic release of excess lock-in period of Pre-Preferential Holding of allottees by Depositories in compliance with SEBI(ICDR) Regulations,2018 without requirement of any NOC by the Exchange.
