MANAGEMENT DISCUSSION AND ANALYSIS**INDUSTRY STRUCTURE AND DEVELOPMENTS**

Just as the world was on the mend post multiple waves of COVID, the Russia-Ukraine conflict induced a trail of irreversible economic, social and political effects. Global inflation touched an all-time high of >8% with many developed economies witnessing double digit inflation figures for the first time in many decades. This led the central banks across the globe to simultaneously hike interest rates in a bid to tame inflation. Repercussions of the conflict were also visible in disrupted trade relations and spiralling energy prices resulting in severe global energy crunch leading to significant diversion from the otherwise chartered growth paths. While the ramifications were evident all over the world, Europe was hit the hardest. As Europe braved an unprecedented energy crisis, people worldwide realized the importance of self-reliance for energy and consequentially, countries advanced their climate goals. This turbocharged the growth momentum of renewables and green sources. As supply chain disruptions and rise in commodity prices posed a temporary retardant to this growth story, bulk of low-carbon investments were directed towards building resilient supply ecosystems along with renewable capacities. Having weathered the storm in 2023, this year the economies will be seen establishing their redefined pathways.

INDIAN ECONOMIC OVERVIEW

The Indian economy remained remarkably resilient to global challenges in F.Y. 2022-23. This is evident by robust domestic demand and upbeat investment activity. Sectoral analysis reveals that growth was driven by robust construction activity aided by increased infrastructure investment both by the Central Government and State Governments, which paved the way for large-scale employment opportunities. Building on the gains of first half of the fiscal year, the second half continued to see a gradual upswing in demand and economic activity.

The push for renewables continued in line with the government's target of achieving 500 GW of installed electricity capacity from non-fossil sources by 2030, aided through a slew of measures and schemes announced during the year. The government released new renewable purchase obligation (RPO) targets by creating an exclusive category of wind energy to boost the segment and also released guidelines for the second tranche of Productivity-Linked Incentive (PLI) scheme worth ₹ 19,500 crore for solar manufacturing. However, growth trajectory was marred by increase in the cost of polysilicon and supply chain disruptions emanating from China resulting in almost a 40% increase in the price of solar PV modules. Since September, 2022, owing to drop in polysilicon prices, there has been a gradual reduction in the module prices which boded well for the solar developers.

BUSINESS & OPERATIONAL OVERVIEW

Your Company follows a customer –centric business philosophy, with its growth strategy centered on transparency in term of offerings, suitability of products and variety of choices to meet a range of needs of its customers.

A key strength of your company is the variety of its funding sources, which helps it optimize funding costs, protect interest margins, and retain its diversified funding portfolio. At the same time, this also

enables the Company to achieve funding stability and liquidity, facilitating reduction in average borrowing costs.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

Due to the financial crises and other certain unavoidable circumstances, The Income during the financial year ended 31st March 2023 is NIL compared to Rs. 5.59 Lakhs in the previous year. The profit for the financial year ended 31st March 2023 is Rs 0.05 compared to loss of Rs. 8.66 in the previous year.

OPPORTUNITIES AND THREATS

India has an unwavering commitment to the preservation of the Environment and reduction in GHG emissions to fight the menace of global warming. Honourable Prime Minister has reemphasized this through the 5 key commitments coined as ‘Panchamrit’, at COP-26, Glasgow.

Various policy initiatives to fulfil these commitments, coupled with the increase in power demand due to the recovery of the economy post-pandemic, have provided ample growth opportunities for the Company.

Due to increase competition the falling tariff is a matter of concern.

The situation has worsened due to Covid 19 pandemic with economic activities almost coming to a standstill. This has affected the Company’s operations. The Company now concentrates on new growth plan.

SEGMENT – WISE PERFORMANCE

The Company is working in one segment during the year under review, hence the requirement of segment-wise reporting is considered irrelevant.

OUTLOOK

India has been continuously putting efforts in terms of exploiting its given renewable energy sources potential over more than a decade, but a serious turnaround in its development has been observed since 2014, courtesy the due attention given by the government and certain bold initiatives taken on the policies front, which gave more heed to the already existing pro-renewable sentiments in the country. With rapid urbanization and the anticipated northbound trends in the industrial sector growth, power demand in India is projected to climb a new high in coming years. To support this likely jump there arises an urgent need for a backup in order to avoid any fallout in the desired power requirement.

HUMAN RESOURCES

Employees' relations continued to be harmonious throughout the year with the management. Your Company believes that, its employees are its greatest strength and the most valuable asset. The management and staff have a mutual faith and trust. The Company provides equal opportunity to all employees and strives to inculcate high performance culture in the organisation. Your company remains focused on attracting the best talent in the industry, nurturing them through robust learning and development mechanisms, and retaining them through progressive employee centric policies and practices.

INTERNAL CONTROL SYSTEMS

Your Company has an adequate system of internal controls for business processes, operations, financial reporting, fraud control, and compliance with applicable laws and regulations, among others. Your company's Management Assurance and Audit function is headed by a senior management personnel with reporting lines to the Audit Committee of the Board and a dotted line reporting to the Managing Director.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. Independent Auditor's Report on the Financial Statements

**To the Members of IND Renewable Energy Limited
(Formerly Known as Vakharia Power Infrastructure Limited)**

Opinion

We have audited the accompanying Financial Statements of **IND Renewable Energy Limited** (Formerly Known as Vakharia Power Infrastructure Limited) ('the Company') which comprise the Balance Sheet as at 31 March 2024 and the Statement of Profit & Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rule, 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act and Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rule, 2015, as amended, ('Ind AS'). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statement.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information other than the financial statements and Auditor's report thereon

The Company's board of directors is responsible for the other information. The other information comprises the information included in Management's discussion and analysis, board's report and corporate governance report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this information; we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirement

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c) The Balance Sheet and Statement of Profit & Loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this report are in agreement with the Books of accounts.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the Directors as on 31 March 2024 taken on record by the Board of Director, none of the directors is disqualified as on 31 March 2024 from being appointed as Directors in terms of Section 164(2) of the Act.
 - f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - g) With respect of the adequacy of the internal finance controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting over financial reporting for the reasons stated therein.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. There are no pending litigations that will have impact on the financial position of the company
- ii. the Company did not have any long-term contracts including derivative contracts and hence the question of commenting on any material foreseeable losses thereon does not arise
- iii. there has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The Question of delay in transferring such sums does not arise.
- iv. A) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

B) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

C) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Company has not declared any dividend during the year. Accordingly, compliance with the provisions of the Section 123 of the Act is not applicable.
- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.
Based on our examination which included test checks, except for the instances mentioned below, the Company has used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has not been operated throughout the year for all relevant transactions recorded in the respective software:
 - i. The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting softwares used for maintaining the books of account relating to payroll, certain noneditable fields/tables of the accounting software used for maintaining general ledger.

2. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended
In our opinion and to the best of our information and according to the explanations given to us, the Company has complied with provisions of section 197 of the Act.
3. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we have given our report in "Annexure B" of this report.

of our report on even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the
Companies Act, 2013**

Opinion

We have audited the internal financial controls over financial reporting of **IND Renewable Energy Limited** (Formerly Known as Vakharia Power Infrastructure Limited) of as at 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Management's Responsibility for the Financial Statements:

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF FINANCIAL STATEMENTS

1. Nature of operations and significant accounting policies

1.1 Nature of Operations

Ind Renewable Energy Limited (Formerly Known as Vakharia Power Infrastructure Limited) (the 'Company'), a public company is incorporated in India under provisions of the Companies Act, 2013. The Company is engaged primarily in the business of Roof Top Solar Plant.

The Company is headquartered in Mumbai, India. The shares of the Company are listed on the BSE Limited. Its registered office is situated at 503, Western Edge II, Western Express High Way, Borivali East, Mumbai – 400066.

The financial statements for the year ended March 31, 2024 were authorized and approved for issue by the Board of Directors on 20/05/2024.

The Company's financial statements are presented in Indian Rupees, which is also functional currency and all values are rounded to the nearest lakh except otherwise stated.

1.2 Significant Accounting Policies

1.2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules 2015 (as amended) and presentation requirements of Division II of Schedule III to the Companies Act, 2013.

All applicable Ind AS have been applied consistently and retrospectively wherever required. The financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

1.2.2 Current / non – current classification

The Company, as required by Ind AS 1 presents assets and liabilities in the financial statement based on current/ non-current classification. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Assets and liabilities have been classified into current and non-current based on their respective operating cycle which is generally considered as 12 Months.

1.2.3 Revenue recognition

a) Interest income

Interest income from Loan is recognized on time proportion basis taking into consideration the amount of loan and agreed rate.

b) Other income

Other Income is accounted for on accrual basis except where the income is uncertain

1.2.4 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Effective Interest Rate (EIR) is the rate that exactly discounts the estimated future cash receipts or payments over the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability.

(i) Financial assets

(a) Initial measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset.

(b) Subsequent measurement

a. Financial assets at amortised cost

Financial assets are measured at the amortised cost, if both of the following criteria are met:

- a. These assets are held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the EIR method. The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

b. Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI if both of the following criteria are met:

- a. These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and

- b. Contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

Fair value movements are recognised in the Other Comprehensive Income (OCI). On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Statement of Profit and Loss.

c. Financial assets at fair value through profit or loss (FVTPL)

Any financial assets, which do not meet the criteria for categorisation as at amortised cost or as FVTOCI, are classified as at FVTPL. Gain or losses are recognised in the Statement of Profit and Loss.

d. Equity instruments

Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination are classified as FVTPL, and measured at fair value with all changes recognised in the Statement of Profit and Loss.

(c) De – recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

(d) Impairment of financial assets

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a

significant increase in credit risk since initial recognition, then the Company reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR.

(ii) Financial liabilities

(a) Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings and financial guarantee contracts.

(b) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Intercompany loans not repayable on demand are discounted to its present value using incremental borrowing rate applicable to the borrower entity. The difference between the carrying value of the loan and its present value is accounted based on the relationship with the borrower for e.g. in case of subsidiary, the difference is shown as further equity infusion in the subsidiary. The unwinding of discount from the date of loan to the transition date is shown as an income and recognised in "Retained Earnings" of the Lender.

(d) De-recognition

A financial liability (or a part of a financial liability) is derecognised from the Company's financial statement when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and

the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(e) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the financial statement if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(iii) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.2.5 Cash and cash equivalents

Cash and cash equivalent in the financial statement comprise cash at banks and on hand, demand deposit and short-term deposits, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

1.2.6 Income taxes

1.2.6.1 Current income tax

Current income tax assets & liabilities are measured at the amount expected to be refunded from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realise the assets and settle the liability simultaneously.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

1.2.6.2 Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss. Such deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Minimum Alternate Tax ('MAT') paid in a year is charged to the Statement of Profit and Loss as current tax for the year. MAT credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Company recognises MAT credit as an asset in accordance with Ind AS 12, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "Deferred Tax". The Company reviews the MAT Credit asset at each reporting date and reduces to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the MAT to be utilised.

1.2.7 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each reporting date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less cost of disposals and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Fair value is the price that would be received to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for the Company Cash Generating Unit (CGU) to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses are recognised in the Statement of Profit and Loss in expense categories.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

1.2.8 Provisions and contingent liabilities

(i) A provision is recognised when:

(a) The Company has a present obligation (legal or constructive) as a result of a past event;

(b) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

(c) A reliable estimate can be made of the amount of the obligation.

(ii) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(iii) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably may not, require an outflow of resources. A contingent liability also arises in extreme cases where there is a probable liability that cannot be recognised because it cannot be measured reliably.

(iv) Where there is a possible obligation or a present obligation such that the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.2.9 Borrowing Cost

Borrowing costs that are directly attributable to the acquisition / construction of qualifying assets or for long - term project development are capitalised as part of their costs.

Borrowing costs are considered as part of the asset cost when the activities that are necessary to prepare the assets for their intended use are in progress.

Borrowing costs consist of interest and other costs that Company incurs in connection with the borrowing of funds. Other borrowing costs are recognised as an expense, in the period in which they are incurred.

1.2.10 Segment reporting

Based on the “management approach” as defined in Ind AS 108 – Operating Segments, the directors evaluates the Group’s performance based on an analysis of various performance indicators by business segment. Companies whole business is being considered as one segment.

1.2.11 Earnings per share

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1.2.12 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.

1.3 Critical accounting estimated and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

Estimates and assumptions

(i) Impairment of assets

In assessing impairment, management estimates the recoverable amounts of each asset or CGU (in case of non-financial assets) based on expected future cash flows and uses an estimated interest rate to discount them. Estimation relates to assumptions about future cash flows and the determination of a suitable discount rate.

(ii) Useful lives of depreciable / amortizable assets (Property, plant and equipment, intangible assets and investment property)

Management reviews its estimate of the useful lives of depreciable / amortisable assets at each reporting date, based on the expected usage of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the usage of certain assets.

(iii) Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument / assets. Management bases its assumptions on observable data as far as possible but this may not always be available. In that case Management uses the best relevant information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

26 Risk Management

The risk management policies of the Company are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Management has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Market risk.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans, borrowings and investments.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments

Investments

The Company limits its exposure to credit risk by generally investing in counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties.

Balances with banks and other financial assets

The Company held cash and cash equivalents of Rs 0.66 lakhs as on 31/03/2024. The cash and cash equivalents are held with banks with good credit ratings. For other financial assets, the Company assesses and manages credit risk based on reasonable and supportive forward looking information. The Company does not have significant credit risk exposure for these items.

Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company has fixed interest bearing investments and fixed interest bearing borrowings. Hence the Company does not face any interest rate risk.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or other financial assets. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding

17. The Company does not give gifts, gift coupons or cash in lieu of gifts to its Members and also does not offer its products at discounted rates. The Company also does not organize any plant visits for its Members. However, the Company is committed to the Members’ wealth maximization through superior performance reflected in corporate benefits like dividend and increased market capitalization.

18. Pursuant to Sections 101 and 136 of the Act read with the relevant Rules made thereunder and Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, companies can send Annual Reports and other communications through electronic mode to those Members who have registered their e-mail addresses either with the Company or with the Depository. Accordingly, the Notice of the Meeting along with the Annual Report 2023- 24 is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company/ Depository, unless a Member has requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies are being sent through permitted modes.

19. Members may note that the Notice of the Meeting and the Annual Report 2023-24 is available on the Company’s website www.indrenewable.com and also on the website of National Securities Depository Limited (NSDL) i.e. www.evoting.nsdl.com. The physical copies of the same will also be available at the Company’s registered office for inspection during the business hours on working days except Saturdays and Sundays up to the date of the Meeting i.e. 30th September, 2024.

20. Pursuant to Section 108 and other applicable provisions, if any, of the Act read with the Companies (Management and Administration) Rules, 2014 as amended and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a facility is provided to the Members to cast their votes using an electronic voting system from a place other than venue of the Meeting (“remote e-voting”) in respect of the resolutions proposed in this Notice.

21. A facility for voting by Poll or otherwise will also be made available to the Members attending the Meeting and who have not already cast their votes by remote e-voting prior to the

Meeting. Members who have cast their votes by remote e-voting prior to the Meeting may attend the Meeting but shall not be entitled to cast their votes at the meeting.

22. Voting Rights shall be reckoned on the paid-up value of equity shares registered in the name of the Members as on the cut-off date i.e. Monday, September 23, 2024. A person, whose name is recorded in the Register of Members or in the Register of beneficial owners (in case of electronic shareholding) maintained by the depositories as on the cut-off date, i.e. Monday, September 23, 2024, only shall be entitled to avail the facility of remote e-voting provided at the Meeting.

23. The remote e-voting period commences on Friday, September 27 2024 at 09:00 A.M. and ends on Sunday, September 30, 2024 at 05:00 P.M. IST. During this period, Members holding shares either in physical form or in dematerialized form, as on Monday, September 23, 2024, may cast their vote electronically. The remote e-voting module shall be disabled by NSDL thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.

24. Voting Results

The Board of Directors of the Company has appointed Mr. Swapnil Pande, Practicing Company Secretaries, as the Scrutinizer to scrutinize the voting including remote e-voting process in a fair and transparent manner.

25. The Scrutinizer shall immediately after the conclusion of voting at the Meeting will first count the votes cast at the Meeting and thereafter, unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make a consolidated Scrutinizer's report of the total votes cast in favor or against, if any, to the Chairman or a Director or Company Secretary authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.

26. Subject to the receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the Meeting i.e. Monday, 30th September, 2024.

27. Any person becoming a Member of the Company after the dispatch of the Notice of the Meeting and holds shares as on the cut-off date i.e Monday, September 23, 2024, may obtain the user ID and Password by sending a request to the abovementioned email ids and can exercise their voting rights through remote e-voting by following the instructions listed hereinabove or by voting facility provided at the meeting.

28. Further, pursuant to the provisions of section 124 of the Companies Act, 2013 and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Amendment Rules, 2017 ("IEPF Rules"), all shares on which dividend has not been paid or claimed for seven consecutive years or more are required to be transferred to the IEPF Authority. Those Members, who have not encashed the dividend, are requested to ensure that they claim their unclaimed dividends, before it is transferred to the IEPF Authority.

29. The Companies Act provides nomination facility to the members. As a member of the Company, you have an option to nominate any person as your nominee to whom your shares shall vest in the unfortunate event of your death. It is advisable to avail this facility especially by the members who currently hold shares in their single name. Nomination can avoid the process of acquiring any right in shares through transmission by law. In case of nomination for the shares held by the joint holders, such nomination will be effective only on death of all the holders. In case the shares are held in dematerialized form, the nomination form needs to be forwarded to your Depository Participant.

30. As per Securities and Exchange Board of India (SEBI) Notification No. SEBI/LAD-NRO/GN/2018/24 dated 8th June, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated 30th November, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from 1st April, 2019 unless the securities are held in the dematerialized form with the depositories. With the said changes which came into effect from 1st April, 2019, Equity Shares of the Company shall be eligible for transfer only in dematerialized form. Therefore, the Members are requested to take necessary actions to dematerialize their physical Equity Shares of the Company promptly

31. Relevant Explanatory Statement pursuant to provisions of Section 102 of the Companies Act, 2013, in respect of Special Business set out above is annexed hereto. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), of the person seeking appointment and re-appointment as Director are set out in the Annexure to the Explanatory Statement.

32. The Annual Report 2022-23 of the Company will be made available on the website of the Company at www.indrenewable.com.

33. The route map showing directions to reach the venue of the 13th Annual General Meeting is annexed.

34. In terms of provisions of section 108 of the Companies Act, 2013 and rules framed thereunder, members have been provided with facility to cast their vote electronically, through the e-voting services, on all resolutions set forth in this notice.

VOTING THROUGH ELECTRONIC MEANS
