## Zen Technologies Limited Strengthens Its Market Leadership with Strategic Acquisitions of Vector Technics and Bhairav Robotics

**Hyderabad, India – February 15, 2025** – Zen Technologies Limited Limited (NSE: ZENTEC | BSE: 533339), a leader in combat training solutions and defense technology, today announced strategic investments in two companies – **Vector Technics Private Limited and Bhairav Robotics Private Limited**. These acquisitions reinforce Zen’s commitment to innovation, indigenous defense manufacturing, and technological advancement in **robotics, aerospace, and propulsion systems**, further solidifying its position as a key player in India’s defense sector.

With these acquisitions, Zen Technologies Limited expands beyond combat training into advanced defense technologies, strengthening its ability to deliver integrated solutions for armed forces worldwide. The investments enhance Zen’s capabilities in **UAV propulsion, autonomous robotics, and aerospace components**, driving self-reliance in defense manufacturing. These strategic moves also position Zen to compete globally, catering to international markets seeking **cutting-edge, Indian-made defense solutions**.

Under the terms of the agreements:

- **Vector Technics Private Limited** – Zen now holds a 51% controlling stake in Vector Technics, a leading provider of propulsion and power distribution solutions for drones and UAVs. This acquisition enables Zen to expand into aerospace components and reinforce its role in supporting global drone and robotics industries.
- **Bhairav Robotics Private Limited** – Zen has acquired a 45.33% stake in Bhairav Robotics, strengthening its position in the defense robotics and autonomous systems segment. Bhairav specializes in advanced robotic products such as quadrupedal robots and autonomous weapon systems, furthering Zen’s commitment to "Made in India" innovation.

Zen is enhancing its ability to develop next-generation solutions that cater to the evolving needs of modern defense forces. This strategic move reinforces Zen’s commitment to innovation, strengthens its position in indigenous defense manufacturing, and accelerates its emergence as a key player in the global defense industry.

**Ashok Atluri, Chairman & Managing Director, Zen Technologies Limited, said:**

*"These strategic acquisitions mark a significant step in our mission to build a self-reliant and globally competitive defense ecosystem. By integrating cutting-edge robotics, propulsion, and aerospace technologies, we are not only strengthening India's defense capabilities but also positioning Zen Technologies Limited as a leader in next-generation defense innovation. This expansion underscores our commitment to delivering world-class, indigenous solutions that meet the evolving needs of modern warfare."*

*Zen Technologies Limited continues to drive innovation in defense technology, ensuring the delivery of world-class, indigenous solutions to India and global markets. The transactions are expected to be completed by the end of FY2025, subject to regulatory approvals.*

**About Zen Technologies Limited**

Zen Technologies Limited is a pioneer and leader in providing world class state-of-the-art Defence Training and Anti-Drone solutions and has a proven track record in building training systems for imparting defense training and measuring combat readiness of security forces. With a dedicated R&D (recognized by the Ministry of Science and Technology, Government of India) and production facility in Hyderabad, the company has applied for over 172+ patents and shipped more than 1,000 training systems around the world.
