Dear Sir/Madam,

Sub: Continuous Notification - Contractual Value of Project with Rachana Grammar High School.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby notify the contractual value of the recently acquired project from Rachana Grammar High School.

Project Details:

- **Project Name:** Digital Transformation for Rachana Grammar High School
- **Client:** Rachana Grammar High School
- **Contractual Value:** Rs.86.00 Lac (Rupees Eighty Six Lakhs Only)
- **Contract Period :** 5 years
- **Project Description:** As part of the project, Blue Cloud Softech Solutions Limited will deploy its flagship AI product offerings such as 'Emotifics' and 'Edugenie' at Rachana Grammar High School. Emotifics is an innovative 'Emotion AI' analytics solution that tracks human emotions using advanced computer vision technology to enhance student performance, staff productivity, and students' mental health. Edugenie is a comprehensive platform for educational needs, featuring ERP, CRM, LMS, and assessment tools, all powered by AI technology.

This information is being submitted to the exchange and the members for their reference.
