### 13. VOTING

- a. In compliance with the provisions of Section 108 of the Companies Act, 2013 and the Rules framed thereunder, as amended from time to time and the Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020, the Members are provided with the facility to cast their vote electronically (remote e-voting), through the e-voting services provided by CDSL, on all resolutions set forth in this Notice.
- b. The Members who have cast their vote by remote e-voting prior to the meeting may also attend the meeting but shall not be entitled to cast their vote again.
- c. The facility for voting, through the e-voting services provided by CDSL shall also be made available on the date of meeting and Members attending the meeting who have not already cast their vote by remote e-voting shall be able to exercise their right at the meeting.
- d. The instructions for e-voting are as under:
  - (i) The remote e-voting period begins on 27<sup>th</sup> September 2022 (9.00 a.m. IST) and ends on 29<sup>th</sup> September 2022 (5.00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23<sup>rd</sup> September 2022, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
  - (ii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**Board evaluation:**

One of the key functions of the Board is to monitor and review the Board evaluation framework. The Board in consultation with the Nomination and Remuneration Committee lays down the evaluation criteria for the performance evaluation of Executive/Non-Executive and Independent Directors.

The following are the criteria on the basis of which the Directors are evaluated:

- 1) Knowledge to perform the role;
- 2) Time and Level of Participation;
- 3) Performance of Duties and Level of Oversight;
- 4) Professional Conduct and Independence etc.

During the year under review, a structured questionnaire was circulated to the Members of the Board for seeking feedback from the Directors on various aspects such as Board’s & Committees’ functioning, knowledge & skills

of the Board of Directors, managing relationships, fulfilment of independent criteria by Independent Directors, leadership & strategy formulation by Executive Directors etc. The questionnaire of the survey is a key part of the process of reviewing the functioning and effectiveness of the Board & Committee and for identifying possible paths for improvement.

The board of directors has carried out an annual evaluation of its own performance, board committees and individual directors pursuant to the provisions of the Act and the corporate governance requirements as prescribed by SEBI Listing Regulations. The performance of the board was evaluated by the board after seeking inputs from all the directors on the basis of the criteria such as the board composition and structure, effectiveness of board processes, information and functioning, etc.

The performance of the committees was evaluated by the board after seeking inputs from the committee members on the basis of the criteria such as the composition of committees, effectiveness of committee meetings, etc.

The board and the nomination and remuneration committee reviewed the performance of the individual directors on the basis of the criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In addition, the chairperson was also evaluated on the key aspects of her role.

In a separate meeting of independent directors, performance of non-independent directors, performance of the board as a whole and performance of the chairperson was evaluated. The same was discussed in the board meeting that followed the meeting of the independent directors, at which the performance of the board, its committees and individual directors was also discussed. Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

**Annual Return:**

Copy of the Annual Return of the Company as per Section 92(3) of the Companies Act, 2013 is available on the Company website [www.radaan.tv](http://www.radaan.tv).

**Auditors:**

There are no instances of frauds reported by auditors pursuant to sub-section (12) of Section 143 which are reportable to the Central Government.

**Statutory Auditors:**

M/s.SRSV& Associates, Chartered Accountants, (Firm Reg. No.015041S) were appointed as Statutory Auditors of the Company at the 18<sup>th</sup>AGM held on 30<sup>th</sup>September 2017, for a term of 5 (five) consecutive years. Accordingly, their first term as Statutory Auditors expires at the conclusion of the 23<sup>rd</sup>AGM. Pursuant to the provisions of Section 139(2)(b), an audit firm can be appointed for two terms of five consecutive years each. Accordingly, the Board approved the reappointment of M/s.SRSV& Associates based on the recommendations of the Audit Committee and the same is subject to the approval of the Members of the Company.

The Notice of ensuing 23<sup>rd</sup>AGM includes the proposal for seeking Members' approval for the re-appointment of M/s.SRSV& Associates as the Statutory Auditors, for the second term of 5 (five) years commencing from the conclusion of the 23<sup>rd</sup>AGM until the conclusion of the 28<sup>th</sup>AGM to be held in the year 2027.

M/s.SRSV& Associates have provided their consent and a certificate of their eligibility under sections 139 and 141 of the Act and the Companies (Audit and Auditors) Rules 2014 for their continuance as the Statutory Auditors of the Company for the second term of 5 (five) years. In terms of the Listing Regulations, the Auditors have confirmed that they hold a valid certificate issued by the Peer Review Board of the ICAI.

The statutory auditors have issued their report on the standalone and consolidated financial statement of the company and the same were appended here to this report.

The auditors' reports on standalone and consolidated financial statements were qualified on following grounds.

*1. Disruption in Operations owing to COVID - 19*

We draw attention to Note No.3 of the Financial Statement which discloses that the industry in which the Company operates is adversely affected owing to the impact of Covid-19. It is also not clear as to when the operations will regularise.

*2. Material Uncertainty relating to Going Concern*

We draw attention to Note No. 20 of the Standalone Financial Statements. The Company's net worth has fully eroded and its current liabilities have exceeded its current assets. In the current scenario, the Company is faced with liquidity crunch and has undisputed statutory dues to the tune of Rs.80.34 lakhs that are yet to be paid as at 31st March 2022. These events or conditions, along with other matters indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the Company is confident of meeting its obligations in the normal course of its business and accordingly, the financial statements of the Company have been prepared on a going concern basis.

*3. Investments*

We draw attention to Note No. 9 (i) of the Standalone Financial Statements relating to Company's non-current investment in Celebrity Cricket League Pvt Ltd of Rs.72.25 Lakhs as at 31/03/2022, the Company has not assessed fair value due to covid-19 pandemic situation.

We draw attention to Note No. 8 and Note No. 17 of the Standalone Financial Statements relating to Company's Investment in wholly owned subsidiary Radaan Media Ventures Pte Ltd amounting to Rs 9.35 lakhs and the company's loans and advance to subsidiary amounting to Rs 18.46 lakhs respectively as on 31/03/2022. The investment in the subsidiary has not been tested for impairment as per Ind AS 36.

Further, following were the management's reply to the qualifications made by the statutory auditors in their report for financial year 2021-22.

*1. Impact of COVID-19 Pandemic*

The lockdowns and restrictions imposed on various activities due to COVID – 19 pandemic to contain its spread, posed an unprecedented challenges to all businesses. **MANAGEMENT DISCUSSION AND ANALYSIS**

Certain statements made in the management discussion and analysis relating to Company's objectives, projections, estimations and expectations, may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results, performance or achievements may differ from such expectations whether expressed or implied. The important factors, which could have an impact on the company's operations, include pandemic, climatic and economic conditions affecting demand and supply, changes in government regulations and taxation, and other incidental factors over which the Company does not have control. The company assumes no responsibility to publicly amend modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

**Economic Overview:****Global economy**

The world economies continued to fight the spread of Corona virus in its third financial year. The lockdowns and restrictions on people movement implemented to prevent the spread resulted in widespread economic disruptions. In addition to depressing the consumer demand, the business activity was also adversely impacted Global Economy.

The World Bank's latest Global Economic Prospects report says that compounding the damage from the COVID-19 pandemic, the Russian invasion of Ukraine has magnified the slowdown in the global economy, which is entering what could become a protracted period of feeble growth and elevated inflation. This raises the risk of stagflation, with potentially harmful consequences for middle- and low-income economies alike.

Global growth is expected to slump from 5.7 percent in 2021 to 2.9 percent in 2022— significantly lower than 4.1 percent that was anticipated in January. It is expected to hover around that pace over 2023-24, as the war in Ukraine disrupts activity, investment, and trade in the near term, pent-up demand fades, and fiscal and monetary policy accommodation is withdrawn. As a result of the damage from the pandemic and the war, the level of per capita income in developing economies this year will be nearly 5 percent below its pre-pandemic trend.

Global inflation is expected to moderate next year but it will likely remain above inflation targets in many economies. The report notes that if inflation remains elevated, a repeat of the resolution of the earlier stagflation episode could translate into a sharp global downturn along with financial crises in some emerging market and developing economies.

The report also offers fresh insights on how the war's effects on energy markets are clouding the global growth outlook. The war in Ukraine has led to a surge in prices across a wide range of energy-related commodities. Higher energy prices will lower real incomes, raise production costs, tighten financial conditions, and constrain macroeconomic policy especially in energy-importing countries.

Growth in advanced economies is projected to sharply decelerate from 5.1 percent in 2021 to 2.6 percent in 2022—1.2 percentage point below projections in January. Growth is expected to further moderate to 2.2 percent in 2023, largely reflecting the further unwinding of the fiscal and monetary policy support provided during the pandemic.

Among emerging market and developing economies, growth is also projected to fall from 6.6 percent in 2021 to 3.4 percent in 2022—well below the annual average of 4.8 percent over 2011-2019. The negative spillovers from the war will more than offset any near-term boost to some commodity exporters from higher energy prices. Forecasts for 2022 growth have been revised down in nearly 70 percent of EMDEs, including most commodity importing countries as well as four-fifths of low-income countries.

The report highlights the need for decisive global and national policy action to avert the worst consequences of the war in Ukraine for the global economy. This will involve global efforts to limit the harm to those affected by the war, to cushion the blow from surging oil and food prices, to speed up debt relief, and to expand vaccinations in low-income countries. It will also involve vigorous supply responses at the national level while keeping global commodity markets functioning well.

**Indian economy**

The Indian economy, like any other economy in the world, suffered due to Covid 19, with deep impact on health, economic, financial and social systems. The changes witnessed in India after the outbreak of Covid 19 across businesses, households, academic institutions, hospitals and government agencies have been profound.

Every constituent of the broader economy has adapted to the new normal, where trends like digital engagement and mobile enabled access have become the hallmark.

The World Bank highlights that Growth in South Asia is forecast to slow to 6.8 and 5.8 percent in 2022 and 2023, respectively following a robust 7.6 percent rebound in 2021. This is 0.8 percentage point slower for 2022 than was projected at the start of the year and similar to average growth in the decade prior to the pandemic. The revisions to growth reflect the expected erosion of purchasing power of consumers, elevated uncertainty, and weaker external demand. In India, growth is forecast to edge down to 7.5 percent in fiscal year 2022/23, with headwinds from rising inflation, supply chain disruptions, and geopolitical tensions offsetting buoyancy in the recovery of services consumption from the pandemic. Growth will also be supported by both private and public fixed investment, buoyed by government incentives and reforms to improve the business climate. On India economic snapshot by OECD says that after recording the strongest GDP rebound in the G20 in 2021, the Indian economy is progressively losing momentum as inflationary expectations remain elevated due to rising global energy and food prices, monetary policy normalises and global conditions deteriorate. Real GDP is projected to grow by 6.9% in fiscal year (FY) 2022-23 and 6.2% in FY 2023-24, despite a pick-up of corporate investment facilitated by the Production-Linked Incentive Scheme. While inflation will gradually decline, the current account deficit will widen due to the surge in energy import costs.

### **Indian Television Industry**

Television advertising grew 25% in 2021, recovering from a 21.5% drop in 2020, just 2% short of 2019 levels. Ad recovery was volume-driven for most of the year, with an average of 3% rate growth. Subscription revenue continued to fall for the second year in a row; it experienced a de-growth of 6.2% mainly due to a reduction of six million pay TV homes and a fall in consumer-end ARPU. Connected TV sets, however, increased to 10 million. Time spent on TV fell 8% from 2020 levels and was slightly lower than 2019 levels for Hindi speaking markets. While television households will continue to grow at 1% till 2025, we expect growth to be driven by connected TVs which could cross 40 million by 2025 and free television which could cross 50 million, thereby stressing the core pay television market. Subject to implementation of ad caps and regulatory restrictions on pricing, we expect television revenues to grow to INR 826 billion by 2024. We expect the LCO (local cable operators) business model to be hybrid: A linear TV wire + a broadband connection for providing efficient content services, broadband connectivity, smart home services and locality / community services. MSO registrations have increased by 3% during 2021 to reach 1,745. In advertiser base 8,932 advertisers used television in 2021 as compared to 9,225 in 2020 and 10,105 in 2019, showing a continued decline. Of these, 4,682 advertisers used only television as a medium for advertising and were not present in print and radio. However, expect television advertising to grow at a CAGR of 8% to reach INR394 billion by 2024.

Subscription income will see a marginal 2% CAGR growth to reach INR432 billion by 2024, on account of several conflicting factors. Television segment revenues are expected to grow at a CAGR of 4-5% to reach INR826 billion by 2024. Growth of unidirectional TV will be far outstripped by the growth of connected TVs, which could reach over 40 million connected sets by 2025, on the back of 46 Indian cities which have a population of over a million each and a total population of 122 million which can be wired-up more easily for broadband as well as telcos partnering with LCOs to drive broadband services. This means that overall TV connections will keep growing at a healthy pace of over 5% per year to cross 67% of Indian households by 2025.

### **The future will be hybrid**

Over time, as wired broadband is perceived as a utility and enters more Indian homes, the importance of the hybrid set-top box will increase significantly. Users will be able to get their television content in realtime linear mode through the television connection, while accessing more premium OTT content — and catchup TV content —using their broadband connections. This will prove to be network efficient, with live content viewed using television infrastructure, thereby reducing the load on broadband networks. Packaging will also gain importance as linear + OTT packs become the norm; and this revolution will be led not just by the telcos and DPOs, but by ISPs, LCOs and independent start-ups. Consequently, while a small portion of top-end households will cut the cord completely, we expect the majority to continue with at least one TV and one broadband + OTT bundle for the large screen.

### **Over-The- Top – OTT**

Over-the-top media (OTT) is the delivery of content via the internet without having to subscribe to a traditional cable or satellite pay-TV service. It's a disruptive force in the entertainment landscape, and it's growing rapidly in popularity. In other words, OTT (Over the Top) refers to distribution of media content and services over the Internet without the involvement of a multiple-system operator in the control or distribution of the content and services. More generally, OTT may refer to any services delivered over IP networks without the involvement of

an access network provider, including not only audio, video, gaming and messaging, but also retail e-commerce, social networking and banking, among others. OTT offerings are typically accessed by users via apps on smart phones or tablets using the same Internet connection that they use for other data such as email or web browsing.

In India, the OTT market is expected to reach Rs 11,944 crore by 2023, up from Rs 2,590 crore in 2018, according to a report by KPMG and FICCI. This represents a compound annual growth rate (CAGR) of 36%. Not surprisingly, this is driving a lot of interest among media companies, with both Amazon Prime Video and Netflix entering the Indian market. The expectation is that this will lead to more choice for consumers as well as better pricing options. The top five players have had an 86% share in the OTT space at present, with large TV broadcasters such as Sony Liv and Zee5 grabbing most of the other 14% share currently. OTT services are disrupting traditional broadcasting models due to its accessibility through various devices such as smart TVs, tablets, smart phones etc., thereby giving rise to innovative formats that cater to viewer preferences such as binge-watching. They are also popular because they provide access to programmes 24/7 unlike traditional broadcast channels. Hence, live-streaming has emerged as one of the key applications of OTT, where users can stream their favourite programmes on demand irrespective of time and location. Live-streaming has led to unprecedented viewership data being collected, which includes user location and viewing behaviour information.

According to a report by KPMG, the numbers of subscribers of OTT players in India are expected to reach 627 million by 2022. This represents a CAGR of 36% from 2017 to 2022. The report also states that the Indian OTT market is expected to grow from INR 25.6 billion in 2017 to INR 103.9 billion by 2022, at a CAGR of 32%.

In India, the term OTT is often used to refer to video streaming apps. For example, Netflix and Amazon Prime Video are classified as OTT because they provide videos to consumers through their websites or apps instead of cable TV channels. As well as providing content, these companies also offer their own programming such as House of Cards or Transparent. Furthermore, since Indian viewers do not need a subscription fee to use the company's content, they usually opt for these services instead of cable packages which require payment after each month.

#### Over-the-top (OTT) Content Providers in India

In the most basic sense, an over-the-top (OTT) content provider is any company that offers streaming media as a standalone product. This can include traditional broadcasters like ABC and NBC, who are now offering their live linear feeds online without the need for a cable or satellite TV subscription. It also includes newer companies like Netflix and Amazon, who offer original programming and on-demand movies and TV shows that can be streamed at any time. And it even includes companies like Face book and YouTube, who offer video content that can be watched on their respective platforms.

The difference between OTT and linear television lies in how they are delivered to viewers. Linear television sends one channel of programming to all viewers within its designated area, while OTT provides individualized viewing experiences tailored to each viewer's interests through content curation or algorithmic recommendations. An over-the-top content provider (OTT) is a media service provider that delivers content directly to viewers over the internet, without requiring users to subscribe to a traditional cable or satellite television service. OTT in India has been on the rise with the growth of broadband and mobile data services. OTT providers make use of cloud computing technology that allows them to store video content in remote servers accessed by customers across various devices including laptops, smartphones tablets etcetera.

#### OTT Platforms Market Share in India 2022

According to research conducted by Frost & Sullivan, the Indian OTT video market generated revenues worth INR 22.62 Bn in 2020 and this figure is expected to rise substantially up to INR 93.67 Bn by 2025. In India, the OTT market was \$0.8 billion in 2018 and expected to grow to \$5.03 billion by 2022. This growth can be attributed to the increasing number of internet and mobile users in the country. By 2022, it is estimated that there will be 627 million internet users and nearly 1 billion mobile phone users in India. The vast majority of these people are young, with 86% between the ages of 15-35 years old. What's more, 84% have access to a smartphone. The population is also split evenly between males and females, which make up approximately 50% each.

#### Future Growth Potential of OTT in India

The Indian online video market is growing at a tremendous pace with the entry of new Over-The-Top (OTT) players. There are more than 50 active OTT platforms in India as of 2022. The competition is only going to get tougher with the launch of Disney+ Hotstar, Amazon Prime Video, and other international platforms. But

despite the cut-throat competition, there is still a lot of potential for growth in the Indian OTT market. This is because the current penetration of online video consumption in India is still very low at around 10%. Moreover, with improving internet infrastructure and increasing affordability, this number is only going to go up in the coming years. OTT services accounted for nearly 20% of the total time spent on digital media content in 2018. With increased adoption, it will not be surprising if it surpasses 50% by 2022.

But OTT services have also come under scrutiny from regulatory bodies like TRAI due to their adverse impact on traditional cable and satellite businesses. In response, these providers have now started implementing strategies such as pricing plans that can suit both niche customers and mainstream audiences so that they don't end up becoming irrelevant overnight.

#### OTT Market from 2022 Onwards

The online video market in India is expected to grow at a compound annual growth rate (CAGR) of 18.5% from 2019 to 2024, with the number of subscribers reaching 450 million by 2024. This growth can be attributed to several factors, such as the increasing availability of high-speed broadband internet, declining data prices, and the growing popularity of online content streaming services. Over-the-top (OTT) services are those that are provided over the internet, without the need for a traditional cable or satellite TV subscription. In India, some of the most popular OTT platforms include Netflix, Amazon Prime Video, Disney+ Hotstar, and Zee5. The global statistics on OTT platforms on market share India reports.

#### Digital Media:

While movie theatres, exhibitions, and cinema halls were intermittently shut down over the year, OTTs and online gaming platforms continued to have a stellar rise. Overall, the industry is struggling with lower footfalls and lower advertisement revenues. Given the growth challenges faced by the industry, the industry had pinned significant hope for financial support from the budget. However, the budget had a muted outlook towards the sector with no sops provided in the form of reduced GST/taxes, licences, etc. However, there were some positives namely with the introduction of digital currencies and CBDC (e-Rupee) that could boost online transactions and online economy. Also, the digital inclusion in the education sector also means catering to the content creation for 200 TV channels. The digital university creation with personalised content in various ICT formats in a hub and spoke model is expected to spur innovation via close coordination amongst telecom, broadcast and OTT players. Clarity on 5G timelines sets the ball rolling for specific content creation in AR/VR, holographic representations, online gaming, autonomous vehicles, smart cities, and smart industrial use cases. The task force around animation, visual effects, gaming and comic (AVGC) could give boost to possibilities relating to meta verse and for enabling a digital economy which is virtual yet inclusive to India's growth. A progressive tax regime, predictable regulatory framework will not only lay the path for investments in the sector but also employ youth within the digital India framework. The KPMG reported on the media and entertainment budget for 2022-23.

#### Company Overview:

The Company and its subsidiary are primarily into television content production, majorly operating in southern regional languages. Being in the business for more than two decades, people look upon us for top notch content. We have made history by providing some of the best and most loved shows in all southern languages. Over the years, we have garnered numerous appreciation and awards for our productions, which are the testimonial of our hard work and dedication.

As value creator, we tell great stories that seek to influence and inspire the consumers, for customers such as our Broadcasters. We generate ratings and viewership on a consistent basis, for talent we offer the ability to become household names and pursue their ambitions.

Radaan presently operates commissioned model of content production though Company prefers sponsorship model, thereby retaining the IP rights for future exploitation in other platforms. The Broadcasters business model is funded one. The opportunity hitherto available on exploitation of IP rights is now completely shut. This has hampered our digital footing on a daily basis. Company turned its concentration to produce more on OTT and to create its own space as like in TV sector. Over-the-top players are now more interested to invest for future growth, Company has pipelined original programs for digital streaming through various leading OTT players.

The statutory auditors of the Company have issued an attestation report on the internal control over financial reporting as stated under section 143 of the Companies Act, 2013.

**Risks and concerns**

The company depends on deliverables of standard content and exploitation. Relationship with broadcasting channel and any difference of understanding could have material adverse effect on production and telecast of programs.

Company generates revenues from production and assignment of content on a funded basis, which slashes away IP rights of content and thereby denying exploitation of content in all means. Popularity and maintain / attracting viewership is a key for success and any failure could harm business or prevent from growing, which either directly or indirectly could have a material adverse effect on the business prospects, financial condition and results of operations. The viewership rating may also dependant on measurement methodologies which is an external factor to the company.

The company's business depends in part on the adequacy, enforceability and maintenance of intellectual property rights in the entertainment products and services. Piracy of the Company's content, products and intellectual property could result in a reduction of the revenues that the Company receives from the legitimate sale, licensing and distribution of its content and products. The Company devotes substantial efforts to protecting its content, products and intellectual property, but there can be no assurance that the Company's efforts to enforce its rights and combat piracy will be successful.

The substantial revenues for content is generated from the sale of advertising spots by the channel, subscribers for OTT platforms and a decrease in advertising expenditures and drastic fall in subscribers could reduce the demand for the Content, as a cascading effect. Declines in consumer spending due to weak economic conditions could also indirectly negatively impact the advertising revenues by causing downward pricing pressure on advertising because advertisers may not perceive as much value from advertising if consumers are purchasing fewer of their products or services.

The Company's businesses are subject to a variety of laws and regulations. The Company could incur substantial costs to comply with new laws, regulations or policies or substantial penalties or other liabilities if it fails to comply with them. In addition, if there are changes in laws that provide protections that the Company relies on in conducting its business, it would subject the Company to greater risk of liability and could increase its costs of compliance.

#### **c) Functioning of the Board and attendance by directors at meetings**

The chairperson is responsible for Boards' effectiveness and conduct as well as having overall responsibility of operation, organisational effectiveness, formulation of strategies and implementation of policies and decisions. The non executive independent directors play a pivotal role in corporate accountability and provide unbiased and independent views and judgement to the Board's deliberation and decision making process. They ensure that the matters and issues brought up to the Board are fully discussed and examined, taking into account the interest of all stakeholders.

The Board has full and unrestricted access to all information pertaining to the businesses and affairs of the company as well as services of the Company Secretary to enable them to discharge their duties effectively. The Company Secretary also ensures that the Board is supplied with all necessary information in a reliable and timely manner and acts as communication link between the Board, the Committees and the senior management. The Board may also seek external independent professional advice at the company's expense.

The Board meets at least once in every quarter and on other occasions as and when necessary. Officers in senior management and external advisors are also invited to the board meetings and committee meetings to provide necessary information on relevant agenda. The agenda papers normally get circulated prior to the meeting. The Company Secretary attends all board meetings and committee meetings and ensures that proceedings of the meetings and resolutions passed thereat are properly recorded. Minutes of the meetings are circulated among the directors and committee members to provide an opportunity to review prior to confirmation.

During the financial year five (5) board meetings were held and the dates on which the said meetings were held are, 30<sup>th</sup> June 2021, 14<sup>th</sup> August 2021, 13<sup>th</sup> November 2021, 12<sup>th</sup> February 2022 and 14<sup>th</sup> March 2022. **INDEPENDENT AUDITOR'S REPORT**

To the Members of **RADAAN MEDIAWORKS INDIA LIMITED**

Report on the Audit of the Standalone Financial Statements.

**Qualified Opinion**

We have audited the standalone financial statements of **RADAAN MEDIAWORKS INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2022, the Statement of Profit and Loss, Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, **except for the effects of the matter described in the Basis for Qualified Opinion section of our report**, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the Loss, other comprehensive loss, and changes in equity and its cash flows for the year ended on that date.

**Basis for Qualified Opinion****1. Disruption in Operations owing to COVID-19**

We draw attention to Note No.3 of the Standalone Financial Statements which discloses that the industry in which the Company operates is adversely affected owing to the impact of Covid-19. It is also not clear as to when the operations will regularize.

**2. Material Uncertainty relating to Going Concern**

We draw attention to Note No. 20 of the Statement. As at the date of Balance Sheet, the Company's net worth has fully eroded and its current liabilities have exceeded its current assets. These events or conditions, along with other matters indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the Company is confident of meeting its obligations in the normal course of its business and accordingly, the financial statements of the Company have been prepared on a going concern basis.

**3. Investments**

We draw attention to Note No. 9 (i) of the Standalone Financial Statements relating to Company's non-current investment in Celebrity Cricket League Pvt Ltd of Rs.72.25 Lakhs as at 31/03/2022, the Company has not assessed fair value due to covid-19 pandemic situation.

We draw attention to Note No. 8 and Note No. 17 of the Standalone Financial Statements relating to Company's Investment in wholly owned subsidiary Radaan Media Ventures Pte Ltd amounting to Rs 9.35 lakhs and the company's loans and advance to subsidiary amounting to Rs 18.46 lakhs respectively as on 31/03/2022. The investment in the subsidiary has not been tested for impairment as per Ind AS 36.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a

separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements and our report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with the rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that

were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

**Annexure B to the Independent Auditor's Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **RADAAN MEDIAWORKS INDIA LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Its shares are listed in National Stock Exchange and BSE Limited. The registered office of the company is located at No:14, Jayammal Road, Teynampet, Chennai – 600 018, Tamil Nadu, India.

The Company is in the business of production of TV/digital content, conducting of shows/events, feature films.

The financial statements of the Company for the year were approved and adopted by Board of Directors of the Company in its meeting held on 30<sup>th</sup> May, 2022.

**2. Basis of preparation of separate financial statements**

2.1 The financial statements for the year ended 31-03-2022 were prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time.

2.2 The significant accounting policies used in preparing the financial statements are set out in Note No.3.

2.3 The Company has considered its operating cycle to be 12 months for the purpose of Current or Non-current classification of assets and liabilities.

2.4 An asset is classified as current when it is expected to be realised or intended to be sold or consumed in the normal operating cycle or held primarily for the purpose of trading or expected to be realised within 12 months after the reporting period or cash or cash equivalents unless restricted from being exchanged or used to settle a liability 12 months after the reporting period. All other assets are classified as non-current.

2.5 A liability is classified as current when it is expected to be settled in normal operating cycle or held primarily for the purpose of trading or due for settlement within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

2.6 The financial statements are presented in Indian Rupees rounded to the nearest lakhs.

**3. Significant Accounting Policies:****a. Basis of Accounting and Preparation of Financial Statements:**

The Financial Statements have been prepared on historical cost convention on a going concern basis except for certain financial instruments (Refer Note 3 h - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

**Covid:**

The COVID-19, which was declared as a global pandemic by World Health Organisation on 11 March 2020, continues to spread across globe and in India. Globally countries and businesses are declared lockdown. On 24 March 2020, the Government of India announced a 21 days lockdown initially, considering the severe health hazard associated with COVID-19 pandemic, the lockdown was extended continuously across the country to contain the spread of the virus. There is high level of uncertainty about the duration of the lockdown and the time required to return to normalcy. The operations of the Company were stopped and have resumed operations as per directives of the State and Central Government. The revenue was continued to be recognised in the same manner in accordance with Ind AS 115 as in the previous financial year. RBI has announced relief package and moratorium granted for repayment of installment and interest. The said relief measures announced for the previous year ended 31<sup>st</sup> March, 2021 were duly recognised. Further relief measures relating to funding support under ECLGS and restructure measures extended were recorded appropriately and reported accordingly during the financial year ended 31<sup>st</sup> March, 2022. The Company has evaluated the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. Though the direct impact could not assessed in financial terms, the few identifiable cause of the impact during the year were drop in revenue, inherent covid protocol expenses for conducting the production activity, delay in decision on content approval, and unavoidable accruing fixed cost expenses apart from the exclusion of the policy to apply the fair value measurement for the unquoted equity investment in Celebrity Cricket League Private Limited and impairment test for the investment made in the Subsidiary company in Singapore. The impact may differ as at

the date of approval of these financial statements compare to yearend figures. However, Company will continue to closely monitor any material changes, which impact the future economic conditions.

**b. Property, Plant and Equipments:**

1. Property, Plant and Equipments are stated at cost less depreciation.
2. Intangible Assets are carried at cost less accumulated amortisation and impairment losses if any, and are amortised over their estimated useful life based on straight line method.
3. Capital Work In Progress: Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.
4. Lease arrangement and Right to use Assets are recognised and amortised over the lease term.

**c. Depreciation / Amortization:**

1. Depreciation on Fixed Assets is provided based on useful life of the assets in accordance with requirement of Part C of Schedule II of Companies Act, 2013.
2. Brand Equity, Goodwill and Software Library are depreciated over a period of their effective life as determined by the management not exceeding ten years from the date of acquisition.
3. Intangible assets in the nature of copyrights etc., are amortized over a period of 5 years.
4. Leases are accounted in accordance with accounting standard Ind AS 116 for Right to Use and Lease Liability.
5. Improvements effected on premises taken on lease are amortized over remaining period of lease.
6. Cost of Tele-Serials / Tele-Films / Events / Game shows / Contents of any nature not having any repeat telecast value and other future exploitation benefits are written off in full in the year of telecast or exploitation or completion of the obligation.
7. Cost of Tele-Serials / Web-series / Tele-Films / Events / Game shows / contents will be absorbed in full other than those in the nature of having repeat telecast value and other future exploitation benefits and in respect of which the company holds right of exploitation – 80% of the cost is written off in the year of telecast and balance 20% is written off equally over the next two years calculated based on absorption method.

**8. Cost of film production:**

In the case of exploitation rights assigned on an Outright / Minimum Guarantee basis:-

- Entire expenditure incurred for production of the film is charged to the profit & loss account.

In the case of exploitation rights held for own release or assigned on distribution basis or with a combination of outright, minimum guarantee and distribution basis:-

- Expenditure incurred for the production of the film is charged to profit & loss account equally over the period of 3 financial years commencing from the date of release of the film(s).

**d. Inventories / Value of Unsold FCTs and Work-in-progress (Inventories):**

Contents including work-in-progress at various stages is calculated based on absorption method valued at cost or market price whichever is less and unsold free commercial times banked on programs telecasted are valued at cost.

**e. Cash Flow Statement:**

Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash. Bank borrowings are generally considered to be financing activities.

**f. Revenue Recognition:**

**Television content:**

Income from Tele-Serials / Web series / Tele-Films / Game shows / Events / contents of any nature is recognized on accrual basis as per the terms of the Agreement entered into for telecasting / exploitation / completion of the obligation.

- In case of Domestic telecast, Revenue is recognized with respect to the concerned program.

**Film – Distribution:**

Distribution margin income is recognized on accrual basis as per terms of agreement entered into for release / exploitation.

**g. Foreign Currency Transactions:**

Transactions pertaining to income and expenditure are accounted at the rate prevailing on the date of transaction. Outstanding balances of Current Assets and Current Liabilities relating to Foreign Currency transactions are restated in rupees by adopting the rate of exchange prevailing on the date of Balance Sheet and the resultant exchange gain / loss is recognized / written off in the Profit & Loss Account accordingly.

**h. Financial Instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI (Fair value through other comprehensive income) and financial assets / liabilities that are specifically designated as FVTPL (Fair value through profit or loss). However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

**Financial Assets**

Financial assets comprises of investments in equity and mutual funds, trade receivables, cash and cash equivalents and other financial assets.

Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at: a) Amortised cost; or b) Fair value through other comprehensive income (FVTOCI); or c) Fair value through profit or loss (FVTPL). Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company does not intend to sell the instrument before its contractual maturity to realize its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

Investment in equity of subsidiary and associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to subsidiary company, employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Subsidiary & Associate as an option exercised at the time of initial recognition.

Financial assets are derecognized (i.e.,) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognizes when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of: a. significant risk and rewards of the financial asset, or b. control of the financial asset. However, the Company continues to recognize the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

Upon de-recognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognized in the Statement of Profit and Loss.

For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics.

Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

### **Financial Liabilities**

Financial liabilities comprises of Borrowings from Banks, Trade payables, Derivative financial instruments, financial guarantee obligation and other financial liabilities.

The Company measures its financial liabilities as below:

Measurement	Name of Financial liabilities
Amortised cost	Borrowings, Debentures, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits, and other financial liabilities not for Trading.
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.

Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

**Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole as described in the following manner: Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities, Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable, Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

For assets and liabilities that are recognized in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

**Investments in Equity:**

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

**Trade and other receivables:**

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

However, the policy is excluded during the period due to pandemic situation as stated in 3 (a) under the head Covid.

**i. Employee Benefits**

Short-term employee benefits viz., Salaries and Wages are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

Defined Contribution Plan viz., Contributions to Provident Fund and Superannuation Fund are recognized as an expense in the Statement of Profit and Loss for the year in which the employees have rendered services.

The Company contributes monthly to Employees' Provident Fund & Employees' Pension Fund administered by the Employees' Provident Fund Organisation, Government of India, at applicable rate on the employee's basic salary. The Company has no further obligations. The Company has its own Defined Benefit Plan viz., an approved Gratuity Fund. It is in the form of lump sum payments to vested employees on resignation, retirement, death while in employment or on termination of employment, for an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of continuous service. The Company makes annual contributions to "Radaan Mediaworks India

Limited Employees Group Gratuity Assurance Scheme” administered by trustees and managed by LIC of India and report its status.

The Company has formalized the existing rules for leave encashment under a scheme administered by Life Insurance Corporation of India for Group Leave Encashment Assurance Scheme for the benefit of employees. The contributions will be made annually based on leave credit available to the employees at the end of each financial year.

Remeasurement of net defined benefit asset / liability comprising of actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are charged / credited to other comprehensive income in the period in which they arise and immediately transferred to retained earnings. Other costs are accounted in the Statement of Profit and Loss.

**j. Earnings Per Share:**

The Company reports Basic and Diluted Earnings per Share (EPS). The Basic / Diluted EPS has been computed by dividing the income available to equity shareholders by the weighted average number of equity shares (including Bonus Shares, if any) during the accounting period.

**k. Accounting for Taxes on Income:**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognized as an asset viz. MAT Credit Entitlement, to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period. The Company reviews the “MAT Credit Entitlement” at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.

Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognized amounts and intends to settle the asset and the liability on a net basis.

Deferred tax is recognized using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.

Both current tax and deferred tax relating to items recognized outside the Profit or Loss is recognized either in “Other Comprehensive Income” or directly in “Equity” as the case may be.

**l. Impairment of Non-financial Assets**

The carrying values of assets include property, plant and equipment, investment properties, cash generating units and intangible assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.

Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.

An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

However, the policy is excluded during the period due to pandemic situation as stated in 3 (a) under the head Covid.

**m. Provisions, Contingent Liabilities & Contingent Assets:**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.

Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognized as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are not recognized.

Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognized but disclosed in the financial statements.

\*Current Liabilities = Total current liabilities – current maturities of long term debt.

**Reasons for Variation if more than 25%:**

- (1) Debt – Equity Ratio: There was increase in debts and simultaneous increase in the negative equity funds due to loss incurred during the year is main cause for decline.
  - (2) Debt Service Coverage Ratio: There was huge variance on account of decrease in earnings from (Rs.628.86 lakhs) of the previous year to (Rs.277.40 lakhs) for the current year and principal repayment + interest for the previous year stood at Rs.186.16 lakhs as against Rs.377.10 lakhs for the current year resulting ratio as -0.74 for 31-3-2022 and -3.38 for 31-03.2021. Decrease in the loss compare to previous year and increase in repayment of principal + interest amount during the year resulted in lower outcome.
  - (3) Return on Equity Ratio: There was a decrease in loss from (Rs.737.16 lakhs) of the previous year to (Rs.432.93 lakhs) for the current year and increase in the negative equity funds to (Rs.981.58 lakhs) from (Rs.548.65), causing decline in equity ratio compare to the earlier year.
  - (4) Inventory Turnover Ratio: The main cause for the variance is on account of decline in average inventory to Rs.50.24 lakhs for the current year from Rs.114.88 lakhs for the previous year. Due to pandemic, there was drastic fall in business inventory.
  - (5) Net Profit Ratio: There was a decrease in loss from (Rs.737.16 lakhs) of the previous year to (Rs.432.93 lakhs) for the current year and net revenue remain relatively at same level, the ratio had resulted as -43.76% for the current year as against -78.82% of the previous year.
  - (6) Return on Capital Employed: The Comprehensive income + interest for the current year resulted as (Rs.236.84 lakhs) as against (Rs.585.24 lakhs) of the previous year, with avg. of total equity + total debt remain relatively at same level (C.Y. Rs.978.93 lakhs) (P.Y. Rs.933.50 lakhs) and hence, there was decline from -62.69 % to -24.19% for the year ended 31.3.2022.
  - (7) Return on Investment: The average total assets for the year ended 31-3-2022 stood at Rs.2792.21 lakhs and for 31-3-2021 at Rs.2893.42 lakhs and loss for the current year decreased to (Rs.432.93 lakhs) from (Rs.737.16 lakhs) is the main cause of decline during the year to result as -0.16% from -0.25% of the previous year.
- F. Undisclosed Income: During the year, the Company did not have any transactions which were not recorded in the books of account that has been surrendered or disclosed as Income in the tax assessments under the Income Tax Act, 1961.

G. Struck off of Companies:

During the year, the Company did not have any transactions with Companies struck off u/s 248 of Companies Act, 2013 or Section 560 of Companies Act, 1956.

H. Benami Property:

The Company did not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.

I. The Company has neither advanced or loaned or invested, nor received any fund, to or from, any other persons or entities including foreign entities (intermediaries) with the understanding that the intermediary shall:

i. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or

**INDEPENDENT AUDITOR'S REPORT**

To the Members of RADAAN MEDIAWORKS INDIA LIMITED

**Report on the Audit of the Consolidated Financial Statements****Qualified Opinion**

We have audited the accompanying Consolidated financial statements of **RADAAN MEDIAWORKS INDIA LIMITED** ("the Holding Company") and its subsidiary (collectively referred to as "the Company" or "the Group"), comprising of the Consolidated Balance Sheet as at 31st March 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2022, and consolidated loss, consolidated total comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

**Basis for Qualified Opinion****1. Disruption in Operations owing to COVID - 19**

We draw attention to Note No. 3 of the Consolidated Financial Statements which discloses that, as at the date of the Balance Sheet, the industry in which the Company operates is adversely affected owing to the impact of Covid-19. It is also not clear as to when the operations will regularise.

**2. Material Uncertainty relating to Going Concern**

We draw attention to Note No. 69 of the Statement. As at the date of Balance Sheet, the Group's networth is fully eroded and its current liabilities have exceeded its current assets. These events or conditions, along with other matters indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. However, the Group is confident of meeting its obligations in the normal course of its business and accordingly, the financial statements of the Group have been prepared on a going concern basis.

**3. Investments**

We draw attention to Note No. 58 of the Consolidated Financial Statements relating to Company's non-current investment in Celebrity Cricket League Pvt Ltd of Rs.72.25 Lakhs as at 31/03/2022, the Company has not assessed fair value due to covid-19 pandemic situation.

We draw attention to Note No. 8 and Note No. 17 of the Standalone Financial Statements relating to Company's Investment in wholly owned subsidiary Radaan Media Ventures Pte Ltd amounting to Rs 9.35 lakhs and the company's loans and advance to subsidiary amounting to Rs 18.46 lakhs respectively as on 31/03/2022. The investment in the subsidiary has not been tested for impairment as per Ind AS 36.

However, the Group is confident of meeting its obligations in the normal course of business and accordingly the accounts of the Group have been prepared on a Going Concern basis.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### **Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon**

The Holding Company’s management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company’s Annual Report, but does not include the consolidated financial statements and our report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed and based on the work done/ audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company’s Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its subsidiaries in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been

used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

#### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i)

planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Other Matter**

We did not audit the financial statements of Radaan Media Ventures Pte Ltd.,(subsidiary), whose financial statements reflect total assets of Rs.0.08 Lakhs as at 31st March, 2022, total revenues of Rs. Nil Lakhs, total net loss after tax of Rs. 1.24 lakhs and net cash utilised amounting to Rs.0.63 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information are unaudited, whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the management. In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group.

The subsidiary mentioned above is located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in that country and which has been audited by other auditor under generally accepted auditing standards applicable in that country whose report has been furnished to us by the management. The Holding Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in that country to accounting principles generally accepted in India

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the financial statements / financial information certified by the Management.

**Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, except for the items specified above. (Refer "Basis of Qualification"

para in our Audit Report).

- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
- g) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

**Annexure B to the Independent Auditor's Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31<sup>st</sup> March 2022, we have audited the internal financial controls over financial reporting of **RADAAN MEDIAWORKSINDIA LIMITED** ("the Holding Company"), its subsidiary Company which is companies incorporated in India, as of that date.

**Management's Responsibility for Internal Financial Controls**

The Respective Board of Directors of the Holding Company, its subsidiary, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note, issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports and the information and explanation provided by the management is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, based on the test checks conducted by us, the Holding Company, its subsidiary companies, which are companies incorporated in India, have, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were prima facie operating effectively as at 31<sup>st</sup> March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES ON CONSOLIDATED FINANCIAL STATEMENTS****84. SIGNIFICANT ACCOUNTING POLICIES****I BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS****A Basis of Preparation:**

The Financial statements are prepared under historical cost convention on accrual basis in accordance with the Generally Accepted Accounting Principles (GAAP) and comply with Accounting Standards notified under section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014. Pursuant to the mandatory requirement for adoption of Indian Accounting Standards (Ind AS), as notified by the Ministry of Corporate Affairs (MCA), the Company has prepared its consolidated financial statements for the year ended 31 March 2022 in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time.

Pursuant to General Circular No.39/2014 dated 14 October 2014 issued by the Ministry of Corporate Affairs that the disclosures made already under the separate financial statements are not repeated and thus the disclosures that are relevant arising out of consolidation have only been presented.

**B Use of Estimates:**

The preparation of financial statements in accordance with the generally accepted accounting principles requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates in the future periods.

**II PRINCIPLES OF CONSOLIDATION:**

The financial statements of subsidiaries have been combined on a line by line basis by adding together the book values of like item of assets, liabilities, income and expenditure after eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses. The cost of investments by Parent / Holding Company in a subsidiary company is less than its share of the equity of the subsidiary company is recognized as 'Capital Reserve (on Consolidation)'. Likewise, any excess cost of investments by Parent / Holding Company in a subsidiary company over the Parent's / Holding's share of equity in the subsidiary company is recognized as 'Goodwill' (on Consolidation). The consolidated financial statements are prepared by adopting uniform accounting policies for like transactions or other events in similar circumstances and are presented to the extent possible, in the same manner as the Parent Company's financial statements.

**III TRANSLATION TO INDIAN RUPEES:**

The functional currency of the Parent Company is Indian Rupee. The functional currency of the subsidiary is Singapore Dollar. Subsidiary accounts are converted from Singapore Dollar to Indian Rupees in the following manner: All income and expense items are translated at the average rate of exchange applicable for the year. All monetary and non-monetary assets and liabilities are translated at the closing rate as on Balance Sheet date. The equity share capital is stated at the exchange rate at the date of investment. The exchange difference arising out of the year end translation is debited or credited to Foreign Currency Translation Reserve Account and is being classified under Reserves and Surplus Account.
