# Investor Presentation

Q2-FY2022

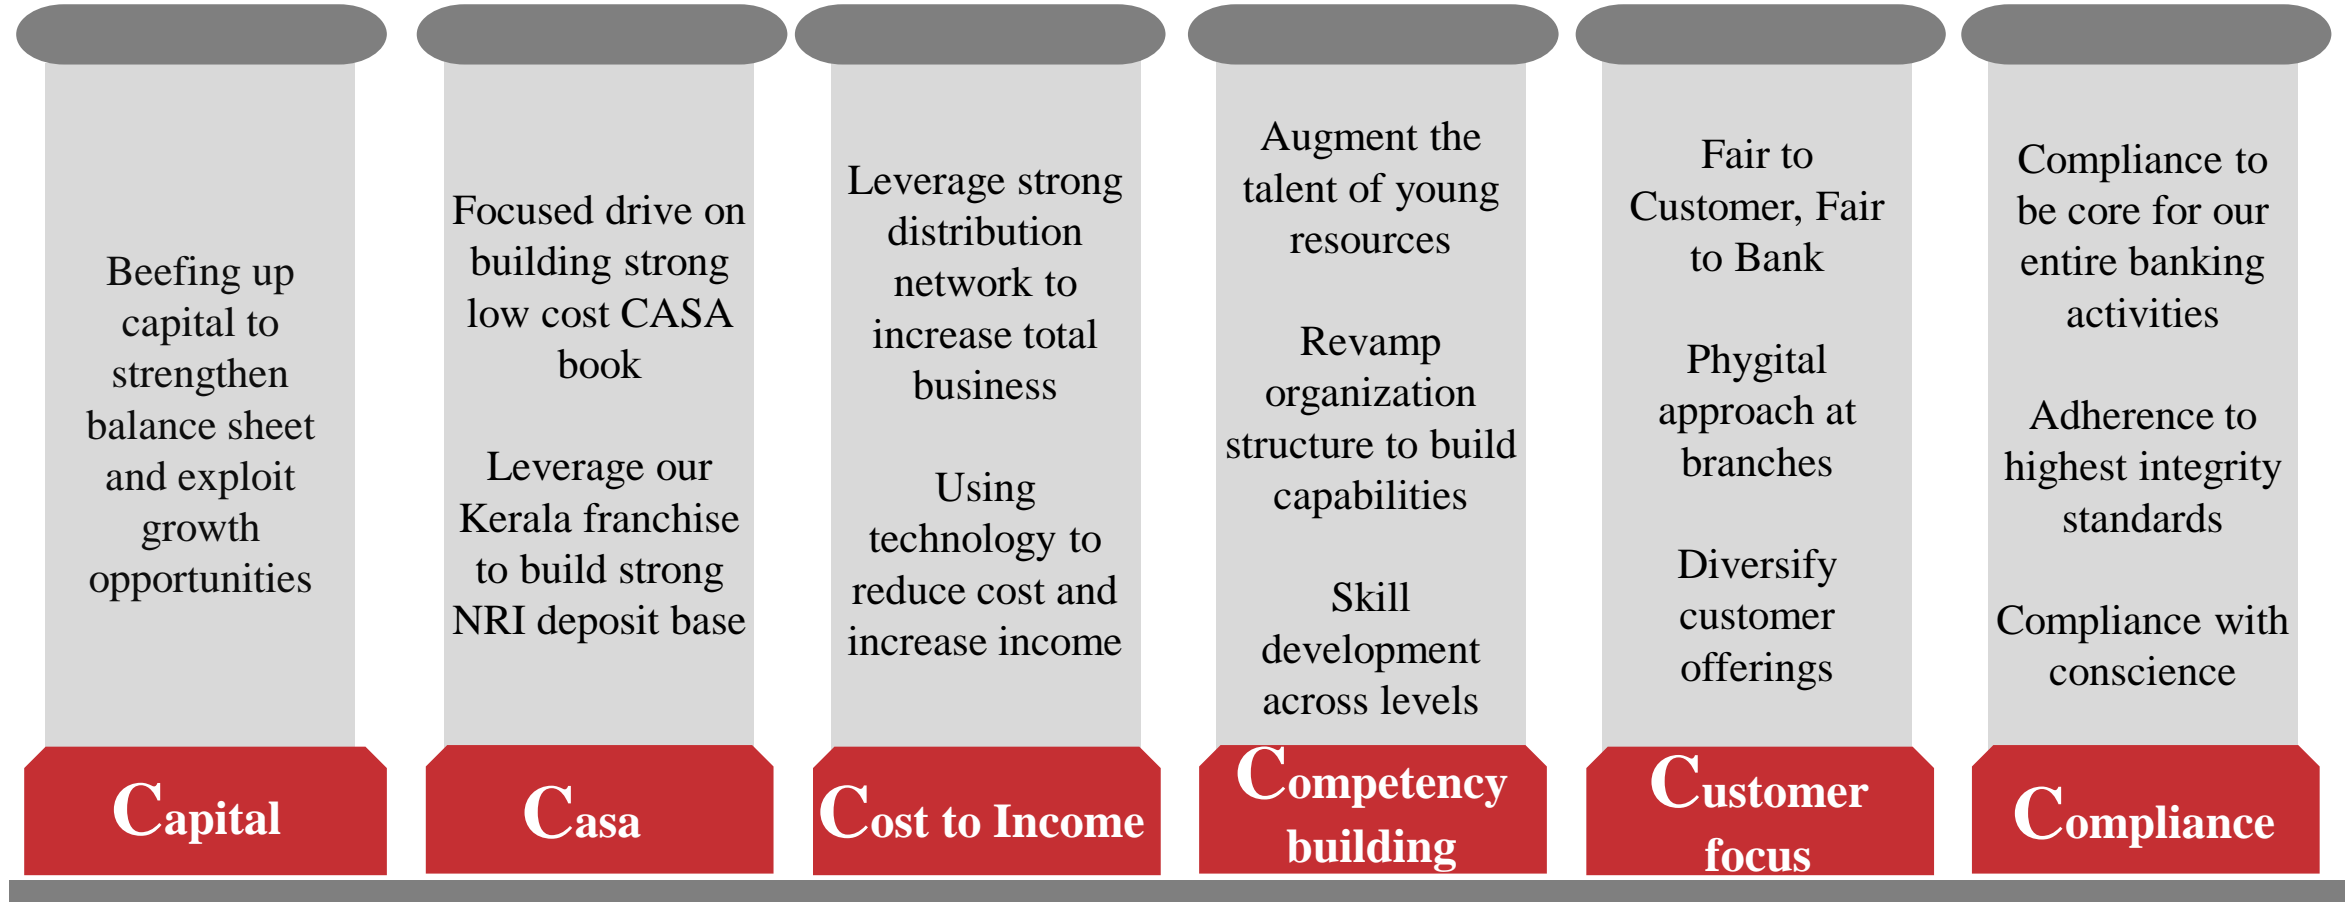

No representation or warranty, express or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of such information or opinions contained herein. The information contained in this presentation is only current as of its date.

Certain statements made in this presentation may not be based on historical information or facts and may be “forward looking statements”, including those relating to the Company’s general business plans and strategy, its future financial condition and growth prospects, and future developments in its industry and its competitive and regulatory environment. Actual results may differ materially from these forward-looking statements due to a number of factors, including future changes or developments in the Company’s business, its competitive environment and political, economic, legal and social conditions in India. This communication is for general information purpose only, without regard to specific objectives, financial situations and needs of any particular person.

This presentation does not constitute an offer or invitation to purchase or subscribe for any shares in the Company and neither any part of it shall form the basis of or be relied upon in connection with any contract or commitment whatsoever. The Company may alter, modify or otherwise change in any manner the content of this presentation, without obligation to notify any person of such revision or changes. This presentation can not be copied and/or disseminated in any manner.

## PROFITABILITY through QUALITY CREDIT GROWTH

## Strides in digital banking- 08

- More than 92% of transactions are done digitally
- Mobile transaction volume increased by 118% YoY to 46 million transactions
- Consistently ranked in top 10 banks as per MeitY
- Opened first fully digital branch in Bangalore

## Recovery- 07

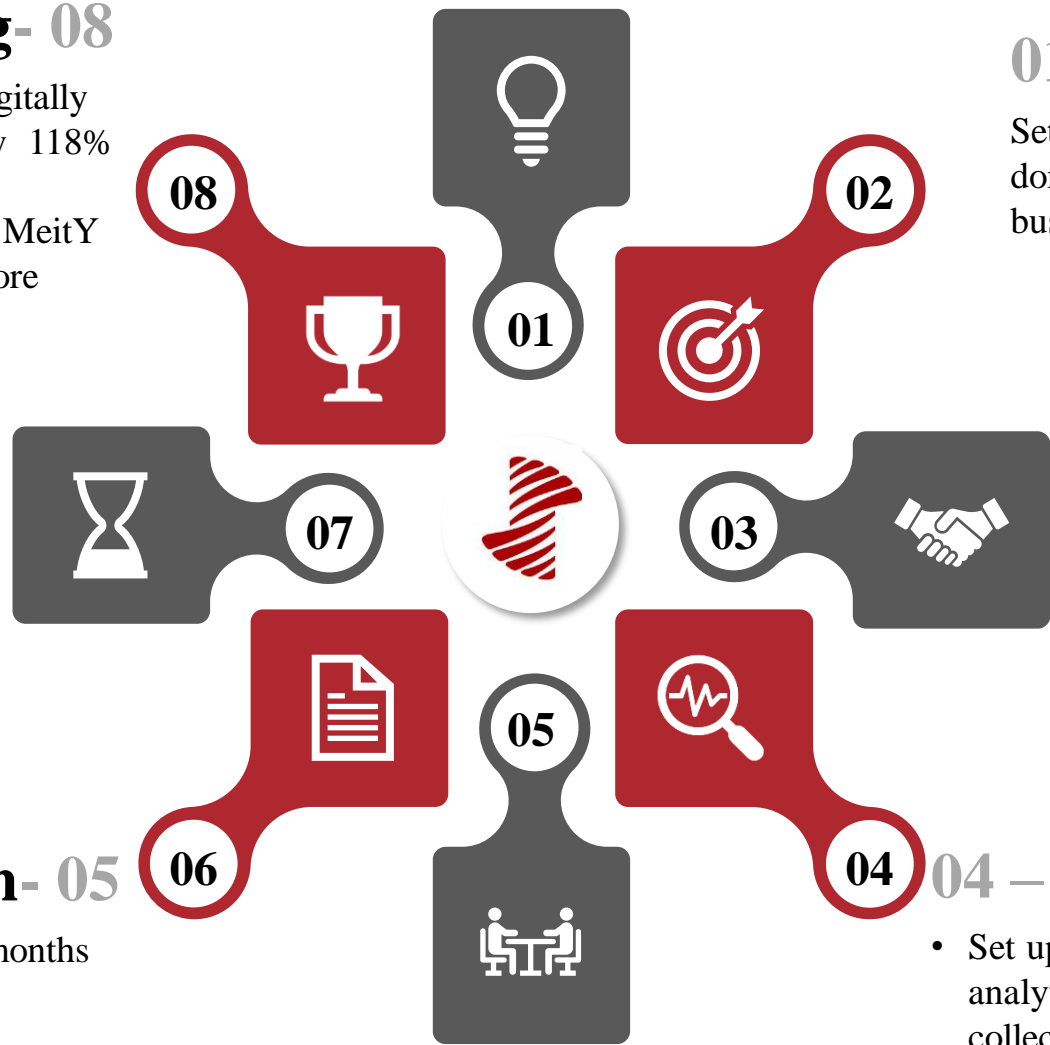

Decentralised collection structure with dedicated regional collection managers at each region

## CMOG- 06

Set up Credit Middle Office Group to take care of pre and post disbursement compliance & tracking Early Warning Signals

## Employee strength- 05

- 1,447 employees recruited in last 6 months
- Learning management system
- Senior employees training
- Performance oriented appraisal
- Revamped ESOP scheme

## 01 – Asset structure

Set up vertical asset structures with domain experts to bring focus on business generation

## 02 - Branch structure

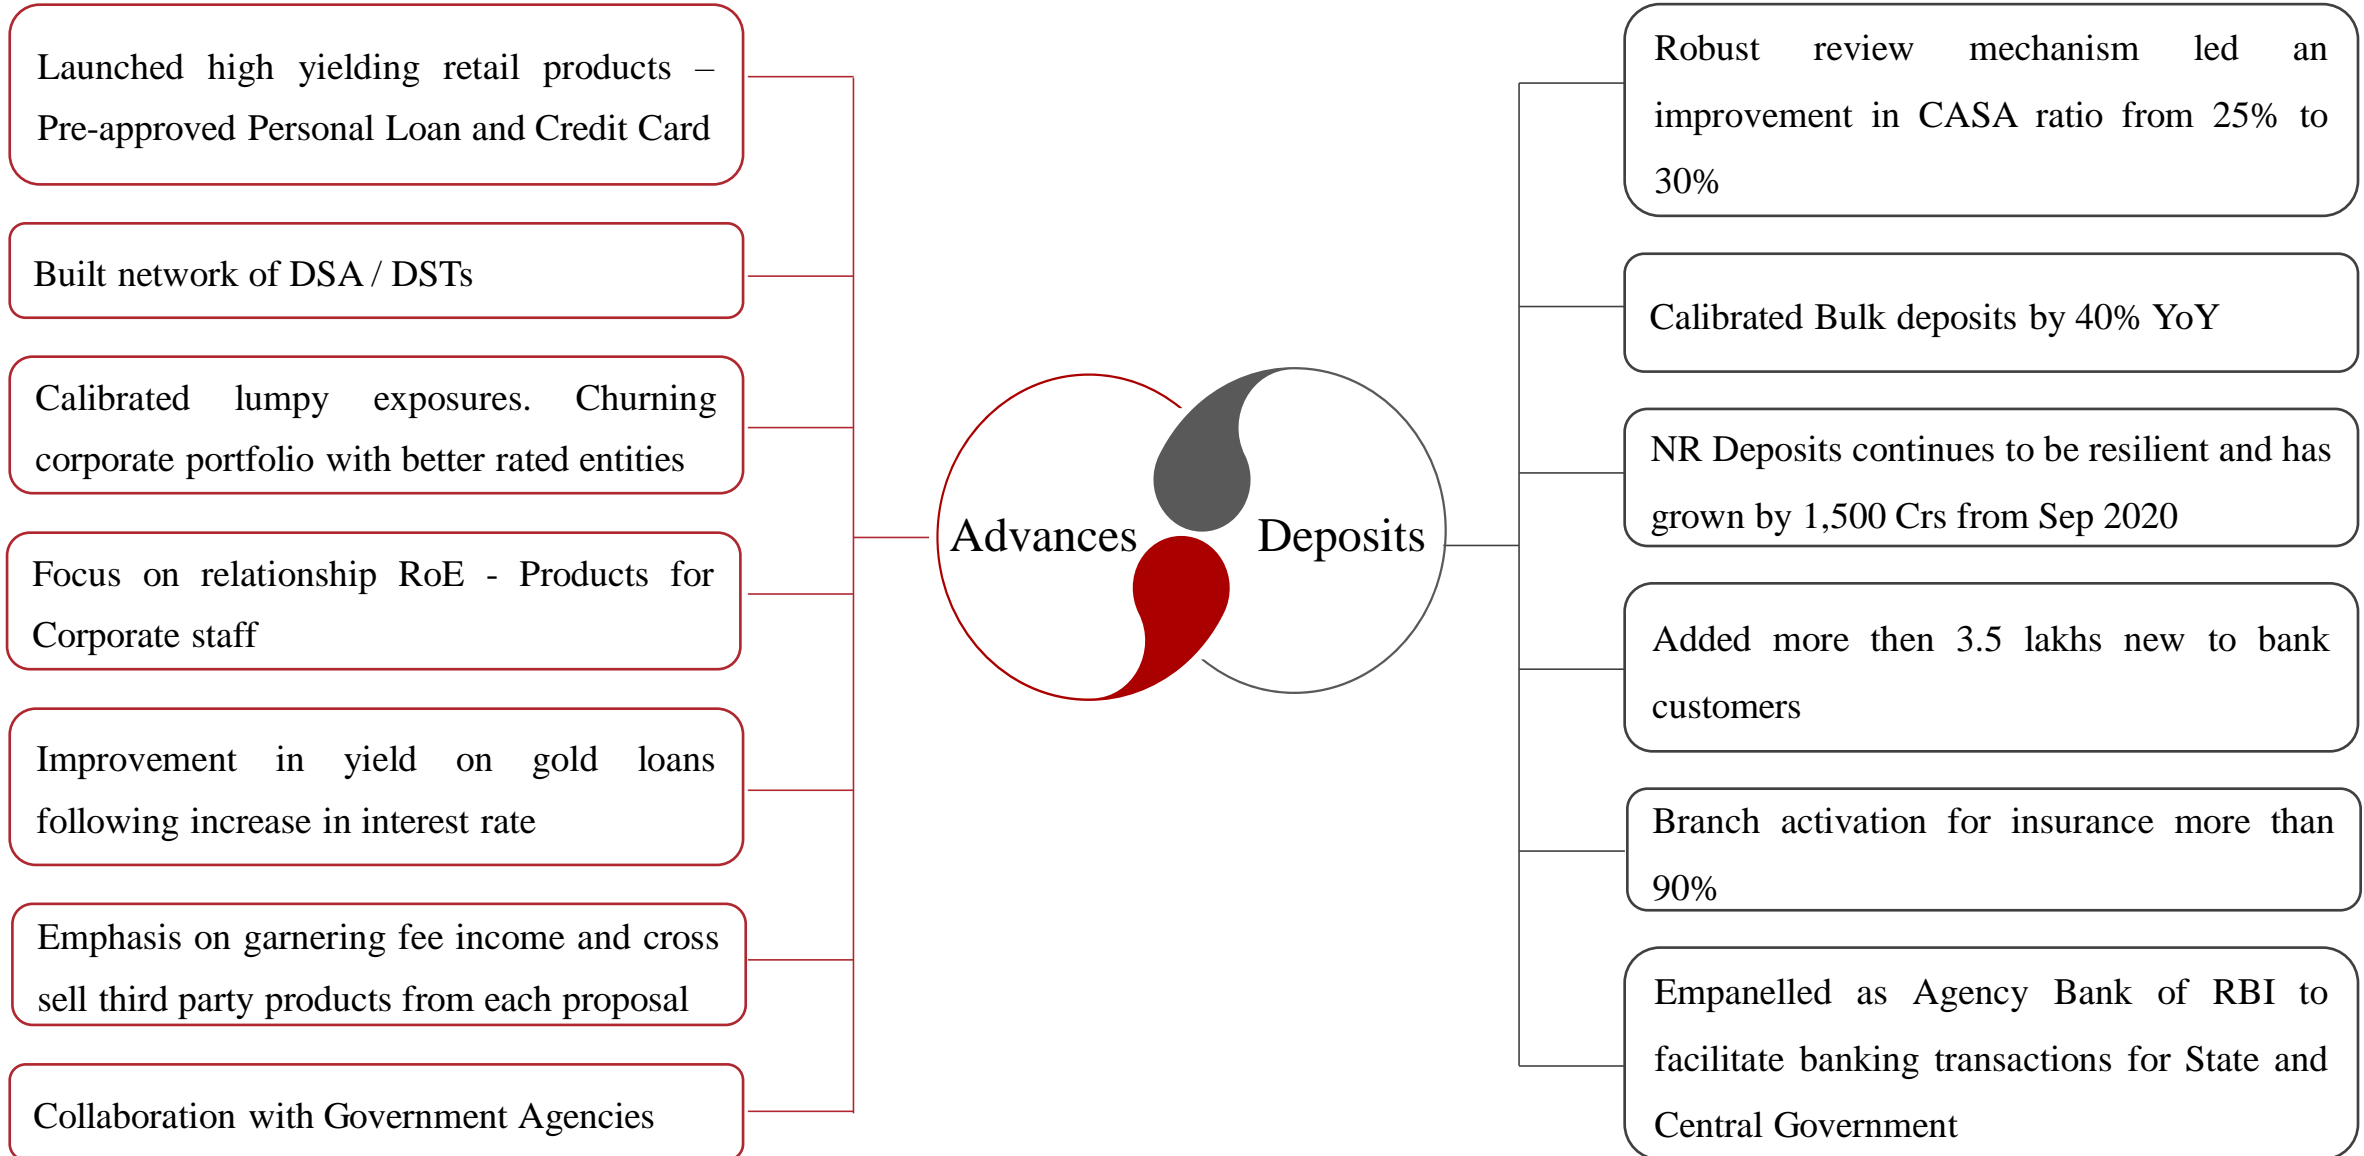

Revamped branch structure; bringing efficiency among branches

## 03 – Sourcing channels

- Collaboration with Fintech
- DSA / DSTs
- Co-origination partnerships
- CRM Next for tracking leads

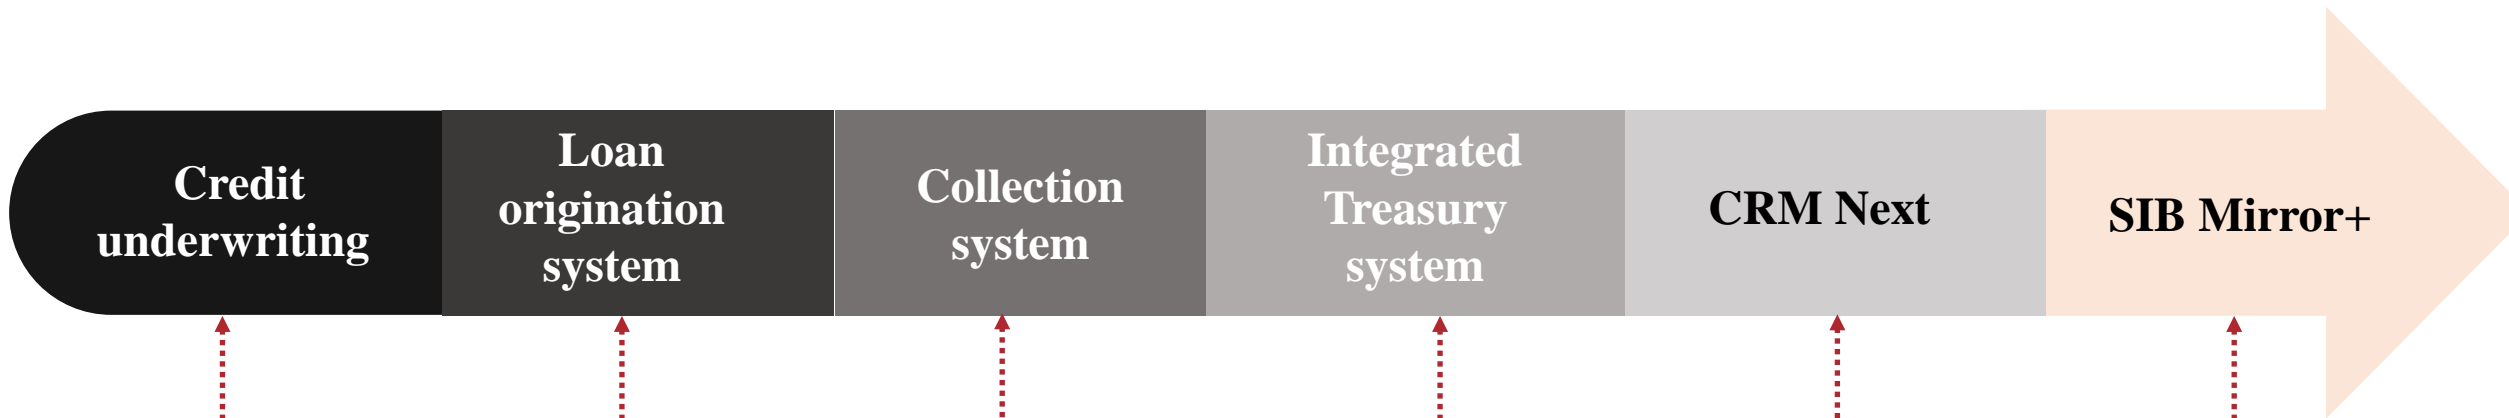

## 04 – Data Science

- Set up Data Science team with domain expert to do analytics in the area of assets, liability and collection.
- A comprehensive framework to monitor the quality of the asset portfolio has been made operational

# Strengthening digital capabilities

## Credit underwriting

- Tie up with Experian to developed credit underwriting models
- Developing score base models for SME / MSME in collaboration with Mckinsey.

## Loan origination system

- Tie up with Nucleus for LOS
- LOS for SME is work in progress

## Collection system

- Tie up with M/s NSEIT-Sumeru Encollect solutions Pvt Ltd. for providing app based facility and empower agents/bank staffs with relevant information during customer visit
- Feature to access collection efficiency of agents

## Integrated Treasury system

- New comprehensive Treasury Solution will be able to address requirements for Front Office, Mid Office, Back Office, TFCPC and IBD
- Aligned with Treasury Vision document requirements

## CRM Next

- Can handle our new Vertical structure, improved 360 view, complaint tracking etc.
- It can be used to optimize our sales and marketing processes and improve customer service across the organization..

## SIB Mirror+

- New SIB Mirror+ app was launched to the customers and also UI has been enhanced which has received wide acceptance
- Video based KYC for account opening
