Message From Chairman

Dear Shareholders,

I am writing to you with mixed emotions amidst this second consecutive year of the pandemic wherein each one of us is affected in some way or the other as the greater humanity struggles to cope up with the devastating onslaught of the pandemic. While it pains me to see the immense human and economic cost and probably a scar which will be with us for a long time, it also makes me happy to be able to connect with you and share some thoughts and induce the warmth of well being with each other in this time of challenge.

You all are aware of how the Covid 19 pandemic hit the world economy and is having its cascading effect where people's lives and livelihood were put on an unprecedented test that no enterprise could escape from.

The Economic Survey 2020-21 says, India's GDP is estimated to contract by 7.7 per cent in FY2020-21, composed of a sharp 15.7 per cent decline in first half and a modest 0.1 per cent fall in the second half. Sector-wise, agriculture has remained the silver lining while contact-based services, manufacturing and construction were hit hardest and have been recovering steadily. Government consumption and net exports have cushioned the growth from diving further down. Interestingly, two sectors are estimated to record positive growth in GVA this year, with Agriculture continuing its strong run through the first half of year into the second (3.4%) and Electricity, Gas, Water Supply & Other Utility services (2.7%).

Amidst all these I can see the silver linings that are there which can be sensed not only by my optimism but also the pragmatism of many economic analysts's recovery which will take place definitely but slowly.

I am happy to mention that in spite of such a scale of upheaval, your company ACGL has been able to keep itself focused and steady in creating value for all its stake holders and has initiated as well as made considerable progress in cost reduction through design optimization, procurement efficiency and tight budgetary control over fixed costs to remain competitively ahead in the market. As the total

industry volume of buses shrunk by about 80%, ACGL's volume in the bus segment also shrunk in a similar proportion indicating that your company's business will be aided by the growth levers and will support the company's surge ahead as the situation improves. I am confident that with the vaccination drive getting upped, people's movement to schools and offices will gradually increase and hopefully be near normalcy by 3rd & 4th quarter of FY22. The already declared scrappage policy which will be in force from April '22 will have its advance impact in Q4, the last quarter of this year. This in addition to the opening of school and workplaces and pending demand from various STU's and Municipalities entrusted with the betterment of bus transit systems may fuel a midterm recovery for the segment we are concerned with.

It gives me immense pleasure to mention that your company kept itself steadfast in its commitment for the larger good of the society and kept its CSR activity up and running even in the thick of the pandemic by providing food rations and other support to the temporary workforce in the industrial area, helping to develop infrastructure and digital contents for schools to enhance remote online education and generating employment amongst women by providing training as sanitization and hygiene entrepreneurs.

At the end, I would re-emphasize that we will emerge better and stronger as this testing time passes. Wishing each one of you health and well being, I sign off here today with a strong conviction of a brighter tomorrow.

Sincerely,

Shrinivas V Dempo

Message From Director

Dear Shareholders,

It's a moment of immense pleasure for me as we connect once again this year on the occasion of the AGM of Automobile Corporation of Goa. It will perhaps not be an overstatement that the year gone by has been the century's most challenging time that brought the civilization's rapid strides to a standstill, in which every category of business including automobiles were severely affected. This has not only forced the industry to take various initiatives to safeguard the interest of the stakeholders, most importantly it taught us a whole set of new lessons on how to conduct business and reorient ourselves and discard many conventions that were thought to be cardinal.

The commercial vehicle (CV) industry is cyclical in nature, and every subsequent crest and trough has been higher than the previous one, thereby, maintaining a steady and secular growth trend in the long run. The industry saw its previous peak in FY19 and since then has been on a decline. Over the last two fiscals, the Indian CV industry saw a total industry volume drop of 31% and 21% respectively, primarily due to a slew of challenges that included tapering of overall economic growth, increased axle load norms, BS4 to BS6 transition and the pandemic-induced lockdown.

After hitting the bottom in H1 of FY21, the CV industry saw a good rebound led by M&HCVs and ILCVs, on the back of improved consumer sentiments, increase in e-commerce activities, firming freight rates, increase in demand for raw materials and higher infrastructure demand including road construction and mining. All commercial vehicle segments, other than the passenger commercial vehicle segment did see encouraging revival from the significant decline in H1.

Buses which is the mainstay of ACGL's business has been severely impacted with a drop of nearly 80% in year on year Total Industry Volume. I expect it to recover gradually and will be synchronous to the opening of schools and workplaces. This will depend on the pace of vaccination and how we beat the 2nd wave of pandemic and the much

talked 3rd wave. The scrappage policy, opening of schools and workplaces and pending demand from STU's is expected to largely contribute to the second half of FY22's volume. The outlook remains cautiously optimistic in the current context.

ACGL has an improved its product portfolio during BSVI transition, by introducing new models in domestic market, as well as for the Middle East countries, complying with the GSO norms. ACGL with its adoption of innovative manufacturing techniques, using modern engineering practices and aggressive cost management, is setting new benchmarks for itself and creating value for its business partners, shareholders and community at large. I would like to acknowledge the collective efforts of the management and employees under the resourceful Board of Directors, towards delivering a satisfactory performance despite huge downturn in sales due to the pandemic. I am confident that your company will always strive to be successful in all its endeavors.

I would like to thank all the shareholders for reposing their confidence in the company and wishing everyone a brighter and safer future.

Sincerely,

Girish Wagh

Message From CEO & Executive Director

Dear Shareholders,

It is a matter of great privilege to connect with you and reflect upon the performance of your company for the year 2020-21. A year when the world was challenged to its maximum by the unprecedented pandemic.

FY 2021 had started with one of the biggest struggles that mankind has seen in recent times in its fight against the pandemic. Never known words like 'Lock Downs' became a daily subjects of discussions which got prolonged month after month and put a huge pressure on our business when the transport sector specially passenger segment came to a standstill. Major contributing segments like School and Staff were closed which adversely affected the bus body business of your company. While the country battled the pandemic, various relief packages in terms of fiscal stimulus for investments, easier payment terms for loans, and a string of their measures were announced by the Government to curb the steep decline in the economy.

While we grapple with what everyone is affected with, we do not wish to lose sight in what lies beyond the immediate, the opportunities that is going to unfold as we pass through these. Ahead in the bend, as the rate of vaccine inoculation coverage increases, the economy is bound to open up and regular demand is expected to catch up albeit slowly starting with the opening of the schools and offices. It may not be a rapid recovery but what can be surely expected is gradual but steady pace in all sectors. It is also expected that demand drivers in the Bus segment will be spear-headed by Urban transportation improvement plans of Smart Cities and decongesting the urban landscape, Rural Connectivity programs by PPP mode and alternate fuel adoption i.e. CNG/ LNG / Electric Buses. We envisage that in the second half of FY22 we would be able to see early signs of volume recovery due to bus replacements with the advent of Scrapage Policy.

As a socially responsible entity, your company is also concerned about the health and well being of its employees, suppliers and communities around it. Therefore measures were undertaken to adhere to Covid

protocols both in the company premises and the premises of its suppliers. During the lockdown, community support was provided by distributing rations to the temporary workers of the Industrial Cluster and by generating employment among women by providing training on sanitization and hygiene.

Your company is continuously in the process of upgrading itself so that it remains contemporary and relevant on all competing fronts and has been using this time effectively to evolve new strategies in cost management, quality improvements and improving product offerings with market relevant features by benchmarking with competing body builders.

On a broader viewpoint, over the last financial year, your company was able to deliver new BSVI bus bodies and pressing components on schedule and at the same time remain aggressively focused on cost management to mitigate the downturn in profits due to a huge drop in sales. Your company also focused on improving the design capabilities by using modern techniques and also improved its manufacturing processes to achieve industry benchmarks for quality and craftsmanship. In the coming financial year your company will continue its thrust in cost management and will continuously enhance its product portfolio with new models incorporating value added features for passenger comfort & convenience.

I would like to take this opportunity to thank the Board for their continuous guidance to the company in its endeavor to perform under challenging conditions to meet the stakeholder's expectations. I would like to offer my gratitude to our shareholders and business partners for their continued support, and our employees for their commitment as we look forward to the new challenges while embarking on yet another year.

Sincerely,

O V Ajay

**NOTES:**

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its General Circular Nos. 14/2020, 17/2020, 20/2020 and 02/2021 dated 8th April, 2020, 13th April, 2020, 5th May, 2020 and 13th January, 2021, respectively (collectively referred to as 'MCA Circulars') and the Securities and Exchange Board of India ('SEBI') has vide its Circular Nos. SEBI/HO/CFD/ CMD1/CIR/P/2020/79 and SEBI/HO/CFD /CMD2/CIR/P/2021/11 dated 12th May, 2020 and 15th January, 2021, respectively (collectively referred to as 'SEBI Circulars'), permitted the holding of AGM through Video Conferencing ('VC')/Other Audio Visual Means ('OAVM') facility without the physical presence of the members at a common venue. In compliance with the provisions of Companies Act, 2013 ('the Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), MCA Circulars and the SEBI Circulars, the 41st AGM of the Company is being held through VC/OAVM facility. The deemed venue for the 41st AGM shall be the Registered office of the Company.
2. An Explanatory Statement, pursuant to Section 102 of the Act, relating to Special Business as set out at Item Nos. 3 to 6, of the accompanying notice are annexed hereto. The details of the Directors who are seeking appointment/re-appointments as set out at Item Nos. 2, 3 and 4 of the notice are annexed herewith as required under Regulation 36 of the SEBI Listing Regulations, as amended and the Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India ('ICSI').
3. In terms of Section 152 of the Act, Mr. Rohit Srivastava, Non-Executive Director, retiring by rotation at the AGM and being eligible, offer himself for re-appointment. The Nomination and Remuneration Committee and the Board of Directors of the Company has recommended for his re-appointment.
4. M/s. BSR & Co. LLP, Chartered Accountants, were appointed as Statutory Auditors of the Company for a period of five (5) consecutive years at the 37th Annual General Meeting held on 27th July, 2017 on such remuneration as may be mutually agreed upon between the Board of Directors of the Company and the Auditors. Pursuant to the amendment made by the Companies (Amendment) Act, 2017, effective from 7th May, 2018, it is no longer necessary to seek the ratification of the shareholders for continuance of the above appointment. Hence, the Company is not seeking the ratification of the shareholders for the appointment of the Statutory Auditors.
5. A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held through VC/OAVM, physical attendance of Members has been dispensed with in line with the MCA Circulars and the SEBI Circulars. Accordingly, the facility for appointment of proxies by the members will not be available for the 41st AGM and hence the proxy form and attendance slip are not annexed to this notice.
6. Institutional/Corporate members intending to authorize their representatives to attend the AGM are requested to send a scanned certified copy of the board resolution (PDF/JPEG Format) authorizing their representative to attend and vote on their behalf at the AGM. The said resolution/authorization shall be sent to the scrutinizer by email through its registered email address to cs.sbhatoffice@gmail.com with a copy marked to sectl@acglgoa.com and evoting@nsdl.co.in.
7. Members attending the AGM through VC/OAVM facility shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
8. Members holding shares in physical mode and who have not registered their e-mail address with the Company are requested to register the same by sending an email to the Company at sectl@acglgoa.com and/or by sending a request to TSR Darashaw Consultants Private Limited, Registrar and Share Transfer Agent ('RTA') through email at csg-unit@tsrdarashaw.com/csg-unit@tcplindia.co.in. Members holding shares in demat form are requested to register their e-mail address with their Depositories Participant (DP) only. The registered e-mail address will be used for sending future communications.
9. In compliance with the aforesaid MCA Circulars and SEBI Circulars, the Notice of AGM and Annual Report 2020-21 are being sent only through electronic mode to those members whose e-mail address are registered with the Company or DP or RTA. Members may note that this Notice of AGM and Annual Report 2020-21 will also be available on Company's website at www.acglgoa.com, Stock Exchange's website i.e. www.bseindia.com and on the website of National Securities Depository Limited ('NSDL') i.e. www.evoting.nsdl.com.
10. The Notice of AGM and Annual Report 2020-21 will be sent to those members/beneficial owners whose name will appear in the Register of Members/list of beneficiaries received from the Depositories as on Friday, 21st May, 2021.
11. Since the AGM is being conducted through VC/OAVM, the route map is not annexed to this notice.

12. In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
13. Members desiring any information/clarification on the accounts or any matter to be placed at the AGM are requested to write to the Company at sectl@acglgoa.com at least seven days in advance to enable the management to keep information ready at the AGM.
14. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the Directors are interested maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the notice will also be available for electronic inspection. Members seeking to inspect such documents can send an email to the Company at sectl@acglgoa.com.
15. In terms of Section 124 of the Act, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to the unpaid dividend account, is required to be transferred to the Investor Education and Protection Fund (IEPF). Accordingly, the Company will be transferring the unpaid final dividend amount for the financial year ended 31st March, 2014 and corresponding shares within statutory timeline. Members are requested to ensure that they claim the dividends referred above, before they are transferred to the said fund. The due dates for transfer of unclaimed dividends are provided in the report on Corporate Governance.
16. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant ('DP') and holdings should be verified from time to time. The Securities and Exchange Board of India ('SEBI') has mandated the submission of Permanent Account Number ('PAN') by every participant in securities market. Members holding shares in electronic form are therefore, requested to submit their PAN to their DPs with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company/RTA.
17. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such members after making requisite changes.
18. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, PAN, mandates, nominations, power of attorney, bank details such as name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to the Company's RTA i.e. TSR Darashaw Consultants Private Limited, C-101, 1st Floor, 247 Park, L.B.S. Marg, Vikhroli West, Mumbai-400 083, in case the shares are held by them in physical form.
19. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company by submitting Form No. SH-13 in terms of Section 72 of the Act to the RTA. Members holding shares in electronic form may submit the same to their respective DP. The nomination form can be downloaded from the Company's website www.acglgoa.com. Members who require communication in physical form in addition to e-communication or have any other queries, may write to the RTA or Company at its Registered Office address.
20. As per Regulation 40 of the SEBI Listing Regulations, securities of the listed companies can only be transferred in demat form with effect from 1st April, 2019, except in case of request for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holding to demat form. Members can contact the Company or RTA for assistance in this regard.

The Board of Directors of the Company recommends the Special Resolution for approval of the members as set out in Item No. 3 of the notice.

Item No. 4

The Board of Directors of the Company pursuant to recommendation of Nomination and Remuneration Committee appointed Mr. Nagesh Pinge (DIN:00062900) as an Additional Director [Non Executive Independent Director] of the Company for a term of five (5) consecutive years with effect from 22nd January, 2021, not liable to retire by rotation, subject to the approval of members. In terms of Section 161(1) of the Companies Act, 2013, Mr. Pinge holds office as an Additional Director only up to the date of the forthcoming Annual General Meeting and Mr. Pinge, being eligible, offered himself for appointment as an Independent Director of the Company for a term of five (5) consecutive years.

The Company has received a notice in writing under Section 160 of the Companies Act, 2013 from a member of the Company proposing candidature of Mr. Nagesh Pinge as Director of the Company. Mr. Nagesh Pinge has given a declaration to the Company that he meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Mr. Pinge has consented to act as a Director in terms of Section 152 of the Companies Act, 2013 and has provided a declaration that he is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013.

In the opinion of the Board, Mr. Nagesh Pinge is an independent of the management and fulfils all the conditions as specified in the Companies Act, 2013 and the rules made there under, for his appointment as an Independent Director of the Company. After taking into consideration the recommendation of the Nomination and Remuneration Committee, the Board is of the opinion that Mr. Pinge possesses relevant expertise and experience for being appointed as an Independent Director of the Company and considers that his association would be of immense benefit to the Company.

A copy of the letter of appointment of Mr. Nagesh Pinge, as an Independent Director setting out the terms and conditions, is available for inspection through electronic mode. Members seeking to inspect the appointment letter can send an email to the Company at sectl@acglgoa.com.

Except Mr. Nagesh Pinge being an appointee and his relatives, none of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution as set out at Item No. 4 of the notice.

The Board of Directors of the Company recommends the Ordinary Resolution for approval of the members as set out in Item No. 4 of the notice.

Item No. 5

Pursuant to the provisions of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations'), approval of the members through ordinary resolution is required for all material related party transactions even if they are entered into in the ordinary course of business and on arm's length basis. For this purpose, a transaction is considered material if the transaction/transactions to be entered into individually or taken together with previous transactions during a financial year exceeds 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company.

An ordinary resolution for material related party transactions with Tata Motors Limited ("TML") for the value of Rs. 41,878.00 Lakhs was approved at the 40th Annual General Meeting held on 24th July, 2020, for the financial year 2020-21 and the said approval has expired on 31st March, 2021. To ensure uninterrupted operations, approval of the shareholders is being sought to enter into material related party transaction(s) with TML for an amount of Rs. 30,000.00 Lakhs for the financial year 2021-22.

TML is a related party in terms of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI Listing Regulations. The estimated value of transaction with TML for financial year 2021-22 will be Rs. 30,000.00 Lakhs, which would breach the materiality threshold of 10% of the annual turnover of the Company i.e. Rs. 10,683.25 Lakhs as per last audited financial statements of the Company for the financial year 2020-21.

Hence, it is proposed to secure shareholders' approval for the related party contracts/ arrangements/transactions to be entered into with TML during the financial year 2021-22, as mentioned in Item No. 5 of the notice.

The particulars of the contracts/agreements/transactions are as follows:

S. NO.	Particulars	Remarks
1	Name of the Related Party	Tata Motors Limited
2	Name of the Director(s) or Key Managerial Personnel who is related, if any	None of the Directors or Key Managerial Personnel are concerned/interested in this resolution.

5	Material Terms of the contracts/ arrangement /transactions	Terms and Conditions for transactions in ordinary course of business and arm's length: <ul style="list-style-type: none"> • Manufacturing activities are carried out as per the specifications provided by TML. • Pricing-Profit linked approach, business /commercial reasons and comparable rates/quotations. • Indirect Taxes as applicable. • Currency - Rupees.
6	Duration of these related party transactions	These transactions have been undertaken since inception of the Company from time to time as per the needs of business. Approval is being taken for the financial year 2021-22.
7	The value of each type of related party transactions in two years	This information forms part of the notes to the audited financial statements of the Company for the financial year 2020-21.
8	Whether the transactions have been approved by the Audit Committee	Yes
9	Any other information relevant or important for the members to take a decision on the proposed resolution	The proposed RPTs are necessary, ordinary and incidental to business as also play a significant role in the Company's business operations.

The Audit Committee and the Board of Directors have approved the aforesaid related party contracts/agreements/transactions at their respective meetings held on 7th May, 2021 in terms of Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and noted that these transactions are in the ordinary course of business and are at arm's length basis.

None of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution as set out at Item No. 5 of the notice.

The Board of Directors of the Company recommends an Ordinary Resolution for approval of the members as set out in Item No. 5 of the notice.

Item No. 6

Pursuant to the provisions of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations'), approval of the members through ordinary resolution is required for all material related party transactions even if they are entered into in the ordinary course of business and on arm's length basis. For this purpose, a transaction is considered material if the transaction/transactions to be entered into individually or taken together with previous transactions during a financial year exceeds 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company.

An ordinary resolution for material related party transactions with Tata Cummins Private Limited ("TCPL") for the value of Rs. 2,500.00 Lakhs was approved at the 40th Annual General Meeting held on 24th July, 2020, for the financial year 2020-21 and the said approval has expired on 31st March, 2021. To ensure uninterrupted operations, approval of the shareholders is being sought to enter into material related party transaction(s) with TCPL for an amount of Rs. 4,000.00 Lakhs for the financial year 2021-22.

TCPL is a related party in terms of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI Listing Regulations. The estimated value of transaction with TCPL for financial year 2021-22 will be Rs. 4,000.00 Lakhs, which would breach the materiality threshold of 10% of the annual turnover of the Company i.e. Rs. 2,003.11 Lakhs as per last audited financial statements of the Company for the financial year 2020-21.

Hence, it is proposed to secure shareholders' approval for the related party contracts/ arrangements/transactions to be entered into with TCPL during the financial year 2021-22, as mentioned in Item No. 6 of the notice.

The particulars of the contracts/agreements/transactions are as follows:

Annexure B to Directors' Report

[Pursuant to Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

1. The ratio of the remuneration of each Director to the median remuneration of the Employees of the Company for the financial year:

(Explanation: (i) the expression "median" means the numerical value separating the higher half of a population from the lower half and the median of a finite list of numbers may be found by arranging all the observations from lowest value to highest value and picking the middle one; (ii) if there is an even number of observations, the median shall be the average of the two middle values)

2. The percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:

The ratio of remuneration of each Director to the Median Remuneration of all employees who were on the payroll of the Company for the full financial year and the percentage increase in remuneration of the Directors during the financial year 2020-21 are given below: (Also refer Corporate Governance Section on Remuneration to Directors for further details)

*Part of the year.

@ Remuneration paid to Non-Executive Directors includes sitting fees paid to them during FY 2020-21 and Commission for FY 2019-20 paid in FY 2020-21. No Commission for the FY 2020-21 shall be paid in FY 2021-22. Similar principle is applied for the previous year's figures. The remuneration to Non-Executive Directors are within overall limits approved by the shareholders and within the limits defined under the Companies Act 2013.

On deputation from Tata Motors Limited, Salary amount includes Deputation Charges paid through Tata Motors (exclusive of taxes) and Incentive remuneration payable directly by the company. The remuneration to Executive Director is within overall limits approved by the shareholders and within the limits defined under the Company Act 2013. Managerial Remuneration for FY 2020-21 to the CEO includes provision of Rs. 32 lakhs related to Incentive Remuneration calculated as per limits prescribed in Schedule V of the Companies Act, which will be paid in FY 2021-22 as per approval of NRC and the Board.

\$ Remuneration payment to KMPs includes actual payment made during the financial year (including taxable perquisites, performance linked pay, non taxable reimbursements not covered in taxable perquisites and excluding retiral benefits). Performance Linked Payment (PLP) for FY 2019-20 paid in FY 2020-21. The PLP for FY 2020-21 will be paid in FY 2021-22.

3. The percentage increase in the median remuneration of employees in the financial year is 3.23% as compared to previous year's 0.89%. For calculation of median remuneration, 498 permanent employees (Staff and Associates) who were on the rolls of the Company as on March 31, 2021 are taken. The long term settlement is under discussion, which is not considered while computing median remuneration for the financial year 2020-21.
4. The number of permanent employees on the rolls of Company as on 31st March, 2021 was 498.
5. The explanation on the relationship between average increase in remuneration and Company performance:

Remuneration of staff employees has a close linkage with the performance of the Company and an Individual. The Performance Linked Payment (PLP), which is a variable component in the remuneration for all the staff employees, has a direct correlation with the Company's and an individual's performance.

Remuneration of associate employees has a linkage with Long Term Settlement signed between trade union and management after every 3 years. The basis of Long Term Settlement is driven by the productivity of associate employees, adherence to the terms agreed in past Long Term Settlement and performance of their business segment. The Long Term Settlement is under conciliation in the office of Labour Commissioner, which is due from 1st April 2018 for the period of 3 years.
6. Comparison of the remuneration of the Key Managerial Personnel against the performance of the Company:

The Total Revenue (including other income and excluding taxes) of the Company for the year 2020-21 was Rs. 126.13 crores. Loss before tax (after OCI excluding tax and exceptional item) during 2020-21 was Rs. 15.32 crores, while Loss after Tax (after OCI and exceptional item) for the year stood at Rs. 11.78 crores. The Company's performance and individual performance for the relevant financial year is considered while approving the variable pay and the increase in remuneration for the Key Managerial Personnel.
7. Variations in the market capitalization of the Company, price earnings ratio as at the closing date of the current financial year and previous financial year and percentage increase or decrease in the market quotations of the shares of the Company in comparison to the rate at which the Company came out with the last public offer in case of listed companies:

The last public offer for the shares of the Company was a Right Issue made in the year 2007, for 14,81,913 fully paid Equity Shares of Rs 10/- each at a Premium of Rs 465.00 per share. The market price of the Equity Shares of the Company as on March 2021 was Rs. 406.90 for shares of face value of Rs. 10/- each, a increase of 38.54% in price over the period.

The market capitalization of the Company based on closing rates in stock exchange as at March 31, 2021 is Rs. 247.75 crores, as against Rs. 178.82 crores as at March 31, 2020, an increase of 38.54 % during the year under review. The price earnings ratio of the Company as at March 31, 2021 is (-) 19.81, as against 18.58 as at March 31, 2020.
8. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

The general increase in the salaries of staff other than the managerial personnel in the financial year 2020-21 is Nil due to poor segmental performance. In addition Performance Link Pay (PLP) paid to the staff based on company and individual performance. There is an increase in the associate workers wages due to change in VDA rates and increment paid as per the terms of past long term settlement. The Long Term Settlement is under negotiation with Union which is due from 1st April 2018 for the period of 3 years. The basis of Long Term Settlement is driven by the productivity of associate employees, adherence to the terms agreed in past Long Term Settlement and performance of their business segment.
9. Comparison of each remuneration of the Key Managerial Personnel against the performance of the Company:

The Total Revenue (including other income and excluding taxes) of the Company for the year 2020-21 was Rs. 126.13 crores. Loss before tax (after OCI excluding tax and exceptional item) during 2020-21 was Rs. 15.32 crores, while Loss after Tax (after OCI and exceptional item) for the year stood at Rs. 11.78 crores. Remuneration to the Key Managerial Personnel (KMPs) is reviewed in terms of the performance of the Company and accordingly a market competitive increase in remuneration is provided to the KMPs.
10. The key parameters for any variable components of remuneration availed by the Directors:

The variable component of Non-Executive Directors' remuneration consists of commission. In terms of the Shareholders' approval obtained at the Annual General Meeting held on July 24, 2020, commission is paid at a rate not exceeding 1% per annum of the profits of the Company, computed in accordance with the provisions of the Companies Act, 2013. The distribution of commission among the Non-Executive Directors is recommended by the Nomination and Remuneration Committee and approved by the Board. The commission is distributed on the basis of their attendance and contribution at the Board and Committee Meetings as well as guidance provided to senior management other than at meetings.

The Company pays remuneration by way of incentive remuneration as variable component to the Managing Director/Whole Time Director. Incentive Remuneration is calculated with reference to the net profits of the Company in a particular financial year and is determined by the Board of Directors at the end of the financial year, based on the recommendations of the Nomination and Remuneration Committee, subject to the overall ceilings stipulated in the Companies Act, 2013 and approved by the shareholders. Specific amount payable as incentive remuneration is based on the performance criteria laid down by the Board, which broadly takes into account the profits earned by the Company for the year.

11. The ratio of the remuneration of the highest paid Director to that of the employees who are not Directors but receive remuneration in excess of the highest paid Director during the year:

The highest paid Director is CEO & Executive Director. No employee has received remuneration in excess of the remuneration paid to CEO & Executive Director during the year.

12. Affirmation that the remuneration is as per the Remuneration Policy of the Company:

It is affirmed that the remuneration paid is as per the Remuneration Policy for Directors, Key Managerial Personnel and other employees, adopted by the Company.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2021.

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Automobile Corporation of Goa Limited,
Honda, Sattari, Goa- 403 530

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Automobile Corporation of Goa Limited (hereinafter called the 'Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2021 (hereinafter referred to as the "Audit Period") generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and byelaws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment (*provisions of external commercial borrowing and Overseas Direct Investment not applicable to the Company during the Audit Period*);
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (*Not applicable to the Company during the audit period*);
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (*Not applicable to the Company during the audit period*);
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (*Not applicable to the Company during the audit period*);
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (*Not applicable to the Company during the audit period*); and
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (*Not applicable to the Company during the audit period*).

- vi. The Motor Vehicles Act, 1988 and rules made thereunder (the law, which is applicable specifically to the Company, being manufacturer/dealer of Automobile products and related components).

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreement(s) entered into by the Company with BSE Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, subject however that –

1. Pursuant to provisions of Section 203 of the Act, if the office of any wholtime KMP is vacated, the resulting vacancy shall be filled up by the Board at a meeting of the Board within a period of six months from the date of such vacancy. The vacancy caused by resignation of Company Secretary w.e.f. November 24, 2019 was filled up on August 29, 2020. Consequently, this also amounted to non-compliance with requirement to appoint qualified Company Secretary as the Compliance Officer mandated under Regulation 6(1) of LODR. I have been explained that the non-compliance was due to (a) the appointee shortlisted initially didn't join the services of the Company; and (b) thereafter the delay occurred due to the prevailing pandemic situation.
2. The annual disclosures to be made by the promoter(s) under regulation 30(2) of The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, no record was available on the stock exchange portal for our verification as on the date of this report in respect of 405,302 equity shares.

I further report that –

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors as prescribed. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes during the audit period.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there were no specific events that took place having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards.

MANAGEMENT DISCUSSION AND ANALYSIS

Indian Economy Overview:

India's real gross domestic product (GDP) at current prices stood at Rs. 195.86 lakh crore (US\$ 2.71 trillion) in FY21, as per the second advance estimates (SAE) for 2020-21.

India is the fourth-largest unicorn base in the world with over 21 unicorns collectively valued at US\$ 73.2 billion, as per the Hurun Global Unicorn List. By 2025, India is expected to have ~100 unicorns and will create ~1.1 million direct jobs according to the Nasscom-Zinnov report 'Indian Tech Start-up'.

India needs to increase its rate of employment growth and create 90 million non-farm jobs between 2023 and 2030's, for productivity and economic growth according to McKinsey Global Institute. Net employment rate needs to grow by 1.5% per year from 2023 to 2030 to achieve 8-8.5% GDP growth between 2023 and 2030.

India's foreign exchange reserves stood at US\$ 582.04 billion, as of March 12, 2021, according to data from RBI.

Key Economic Development:

India's overall exports from April 2020 to February 2021 were estimated at US\$ 439.64 billion, (a 10.14% decrease over the same period last year). Overall imports from April 2020 to February 2021 were estimated at US\$ 447.44 billion (a 20.83% decrease over the same period last year).

According to IHS Markit, Purchasing Managers' Index (PMI) for manufacturing stood at 57.5 in February 2021.

India's Index of Industrial Production (IIP) for January 2021 stood at 135.2, against 136.6 for December 2020.

Consumer Food Price Index (CFPI) – combined inflation was 3.87% in February 2021, against 1.96% in January 2021.

Consumer Price Index (CPI) – combined inflation was 5.03% in February 2021, against 4.06% in January 2021.

Government Initiatives

The budget presented on February 1, 2020 was aimed at energising the Indian economy through a combination of short-term, medium-term and long-term measures.

In the Union Budget 2021-22, capital expenditure for FY22 is likely to increase by 34.5% at Rs. 5.5 lakh crore (US\$ 75.81 billion) over FY21 (BE) to boost the economy.

Increased government expenditure is expected to attract private investments, with production-linked incentive scheme providing excellent opportunities. Consistently proactive, graded and measured policy support is anticipated to boost the Indian economy.

In November 2020, the Government of India announced Rs. 2.65 lakh crore (US\$ 36 billion) stimulus package to generate job opportunities and provide liquidity support to various sectors such as tourism, aviation, construction and housing. Also, India's cabinet approved the production-linked incentives (PLI) scheme to provide ~Rs. 2 trillion (US\$ 27 billion) over five years to create jobs and boost production in the country.

Mr. Narendra Modi, Prime Minister of India, launched Make in India initiative with an aim to boost country's manufacturing sector and increase purchasing power of an average Indian consumer, which would further drive demand and spur development, thus benefiting investors. The Government of India, under its Make in India initiative, is trying to boost the contribution made by the manufacturing sector with an aim to take it to 25% of the GDP from the current 17%. Besides, the Government has also come up with Digital India initiative, which focuses on three core components: creation of digital infrastructure, delivering services digitally and to increase the digital literacy.

INDIAN AUTOMOBILE INDUSTRY

The Year 2020-21 brought immense challenges in every sphere of human activity due to the pandemic which has brought the world to a standstill and India too imposed severe lock downs which brought the economic activities to a near halt for some part of the year with some recovery in the 4th quarter when lockdown measures were partly eased up.

Hit by the COVID-19 pandemic, commercial vehicle (CV) sales in India fell nearly 21 per cent in fiscal year 2020-21, while sales of passenger vehicles declined 2 per cent.

Total CV sales declined 20.77 per cent to 5,68,559 units in FY21 as against 7,17,593 units in FY2019-20, as per the data released by the Society of Indian Automobile Manufacturers (SIAM). PV sales fell 2.24 per cent to 27,11,457 units in FY21 from 27,73,519 units in FY2019-20.

Similarly, total two-wheeler sales declined by 13.19 percent to 1,51,19,387 units as compared with 1,74,16,432 units in FY2019-20. Three-wheeler sales plunged 66.06 percent to 2,16,197 units in FY2020-21 as against 6,37,065 units in FY2019-20.

Vehicle sales across categories declined 13.6 percent to 1,86,15,588 units as against 2,15,45,551 units in FY2019-20.

The commercial passenger segment from the category of Mini / Midi Buses including Vans to MCV Coaches saw a huge decline of about 84% to 11468 units in F21 as against 71448 units in FY20. The massive hit was owing to near stoppage of people's movement, closure of schools and many of the offices opting for 'work from home' for their employees. The fall is massive in contrast with the truck segment where the supply chain logistics was opened up and mining activities were resumed to a certain extent.

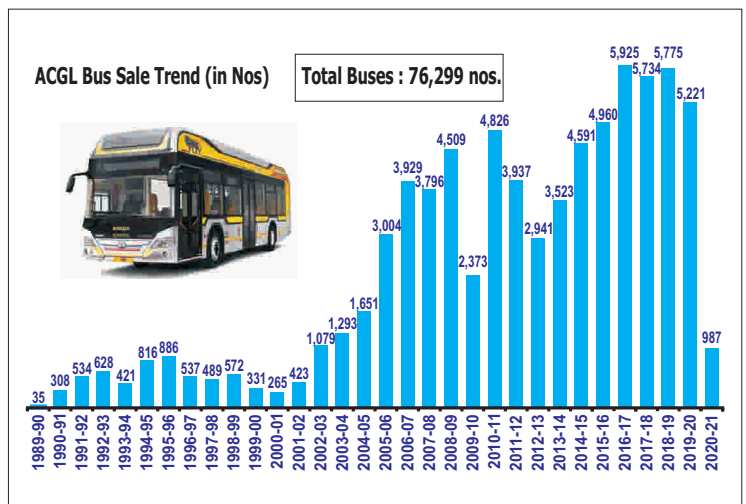

Going forward in to FY22 the biggest hope the industry has is on the effective implementation of the vaccination drive which may help to contain the pandemic and help recovery in the commercial passenger segment which is highly dependent on mass, school and employee transportation. The pending procurement plans of the STU's will also be a booster for the industry.

The not so distant roll out of Scrapage Policy from April 22 will expectedly see a positive impact from Q4 of FY22. Buses are expectedly going to be the largest benefitting segment of the commercial vehicle industry.

COMPANY PERFORMANCE

Company's Sales (with other income) for the financial year 2020-21 was Rs **126.13 Crores** as against Rs. 343.55 Crores (net of taxes) in the preceding financial year. The Company's loss before tax during the financial year 2020-2021 was at **Rs. 16.30 crores** (after exceptional expense and before other comprehensive income) as against profit of Rs.13.33 Crores in the preceding financial year. Net loss after tax stood at **Rs.11.78 Crores** as compared to a profit of Rs. 9.66 Crores in the preceding financial year. During FY 2020-21, your Company sold 987 buses.

The reduction in Product Sales of your company primarily owes to reduction in volumes due to emergence of COVID-19 pandemic during the year which has adversely affected the performance of your company.

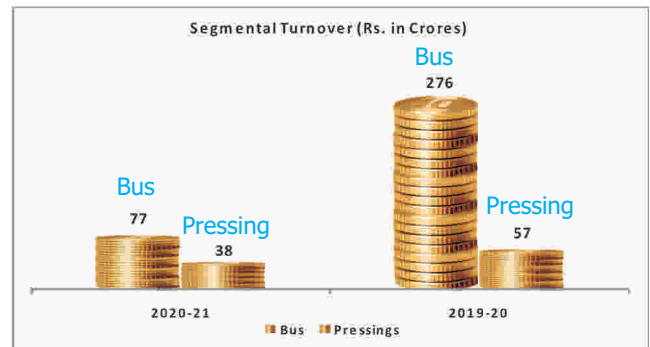

The Government drive for vaccination for citizens above 18 years of age may yield result in months to come which may help in recovery of demand in Commercial Vehicle segment and also help Company to improve its financial performance.

The Policy on the Emission Norms, Road & Infrastructure, Electric Vehicles, Bus Body Code, Urbanization & City Developments, Electrification & Gasification (CNG & LNG) of Bus City Transit and PPP model of Urban & Sub Urban stage bus operation and Scrapage policy would stimulate the demand in next few years and in addition, the demand is also expected to grow at an appreciable rate after the pandemic as the customers are holding purchases due to poor economic situation caused by the pandemic .

Segment Overview

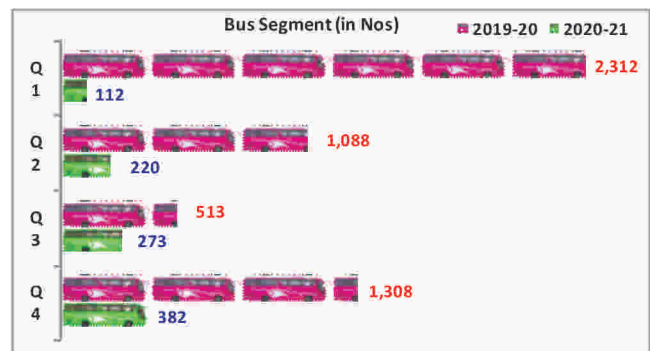

The bus segment has maintained its dominance in contributing to your company’s revenue and profit. Proportion of bus division’s revenue in the total revenue of the company clocked 67% during the year under review. Large portion of our workforce is operating in the bus segment at Goa. Revenue from Bus and Pressing segment has shown a sharp decline as compared to last year mainly due to decrease in the volumes from Tata Motors and Tata Cummins as a result of contraction in the demand due to pandemic.

1. Segment Review and Developments

A. BUS SEGMENT

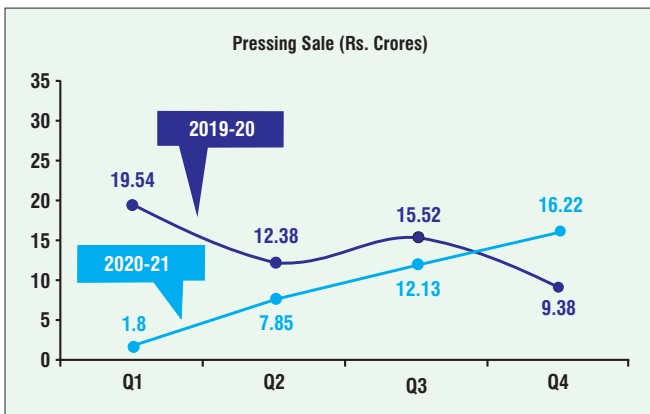

Revenue from product sale in Bus Segment reduced by **72%** at **Rs. 77 Crores** (excluding taxes and other income) in FY 2020-21, as compared **Rs. 276 crores** in the preceding financial year. In FY 2020-21, **987** buses were sold as compared to **5,221** buses in preceding financial year which was reduction of **4,234** buses. Out of the **987** buses sold during the financial year 2020-21, **673** buses were towards Export Application which was lower by 36%, as compared to the preceding financial year.

The reduction in Product Sales primarily owes to restrictions imposed due to pandemic resulting in closure of schools, offices and lesser buying by State Transport Undertaking.

B. PRESSING SEGMENT

The Sheet metal business follows the cyclicity of OEM’s business for which your company is a key supplier. The segment is necessarily capital intensive and capacity utilization drives the profitability in this segment. Revenue from product sales (excluding taxes and other income) from this segment has decreased from Rs 57 crores (excluding taxes and other income in FY 2019-20), to Rs **38** crores in the given financial year as a result of contraction in the demand of components due to huge fall in the domestic volume of Commercial Vehicles due to subdue market conditions caused by the pandemic.

Share of pressings business in the overall revenue of the Company has increased from 17% in FY 2019-20 to 33% in FY 2020-21 as volumes improved in H2 in the Commercial Vehicle -goods segment on which pressing segment is dependent, due to improved sentiments, increase in e-commerce activities, firming freight rates, increase in demand for raw materials and higher infrastructure demand for road construction and mining.

2. Technology Initiatives

Your Company achieved In-house R&D recognition from the Department of Scientific and Industrial Research (DSIR) for a period of 3 years starting from 28th October, 2016 which was further extended up to 31st March, 2022. Your Company is focussing on the innovation and utilization of technology to enhance value of its products and manufacturing processes.

Your company is channelizing its efforts on product up-gradation by enhancing design capability using 3D design methodology, while continuously benchmarking its product with competition offerings.

3. Entry into New segment

Your Company is making efforts to gain entry into bus body manufacturing of electric buses which would be the future technology in the passenger mobility.

Your company was able to deliver BSVI variants for school segment in FY 2020-21. Your Company is also upgrading its existing models in exports segment to meet market expectations and changing regulations, and is concurrently developing new models for staff segment, to provide diversity in its product offerings.

4. Awards, Certification & Recognition

Your Company was awarded the IATF 16949 QMS Certification for its Goa, Jejuri and Dharwad Plants.

The Company has obtained Bus Body Certification for BS-VI ILCV School and Standard Buses on TML Chassis. With this the Company can now manufacture buses for Tata Motors compliant with the new regulations.

5. Risks, Opportunities and Threats

Risks and Concerns

The Global pandemic caused by the novel corona virus comes at the time when both the Indian Economy and Automotive Industry were hoping for a recovery, and resulted negative impact on the expected growth rates. The volume growth in FY 2020-21 has been very adversely affected due to this.

The onset of COVID-19 in India is having a negative impact on automotive industry. There could be further challenge to passenger vehicle demand in the short term, as a consequence of transition to BS-VI norms, which will increase the cost of ownership.

COVID-19 has impacted all Stakeholders in the value chain who will experience both short and medium term impact. This has ranged from shortages of raw materials, liquidity crunch, delays in availability of models and shrinkage in customer demand.

Your company has successfully implemented various initiatives under the guidance of the Board, for ensuring Business Continuity, during the lockdown. The Company is also focussing to continue its efforts in cost management to survive this phase and be prepared for future business.

Opportunities

The government has come out with a few measures to help bring the industry out of this lull, including a reduction in the corporate tax rate, pumping of liquidity to boost the economy, reduction in repo rate by RBI, FAME scheme for financial assistance for electric buses, outlay for Infrastructure development, development of smart cities and expected vehicle scrappage policy. These interventions will definitely provide the required positive impetus to push up the subdued demand.

Increased government expenditure in the Budget 2021-22 is expected to attract private investments, with production-linked incentive scheme providing excellent opportunities. Consistently proactive, graded and measured policy support is anticipated to boost the Indian economy.

Significant monetary and liquidity measures taken by the Reserve Bank and fiscal measures by the government would mitigate the adverse impact on domestic demand and help spur economic activity once normalcy is restored after the pandemic.

The new regulations related to safety, emission and convenience would help in demand creation for organized bus body builders.

You Company has delivered the BS-VI compliant products to retain the market share and is also working on various upgraded models / applications using contemporary designing for entry into new segments.

Threats

The dominance of foreign companies in Electric Vehicle space and various tie-up made by local bus body builders with foreign collaborators may affect demand of buses especially Electric Buses from domestic OEM's.

The GST difference between Fully Built Vehicle and Bus Body Supplied separately is posing hurdles for the growth of OEM supplied Bus Bodies.

Your Company is facing a challenge due to huge downturn in sales which has resulted in reduction of profitability. This has also resulted in high manpower cost in comparison to sales and industry benchmarks.

Your company has hired a Marketing Head for retail sale in the Bus Segment and Business Head for the Pressing Segment for a focussed growth in sales of both the segments.

The Company has aggressively worked on cost reduction during the financial year FY2020-21 and able to significantly reduce its Break Even Point which has helped Company to reduce its losses despite 65% reduction in Product Sales in FY 2020-21. Your Company is working further on reduction of manpower cost by implementing the recommendations given by National Productivity Council (NPC) on its worker productivity enhancement and also considering options to resize manpower to meet industry benchmark to remain competitive.

6 Internal Control System

The Company has adequate internal control systems in place and also has reasonable assurance on authorizing, recording and reporting transactions of its operations in all material respects and on providing protection and safeguard against misuse or loss of assets of the Company. The Company has in place, well documented procedures covering financial and operational functions commensurate with the size and complexities of the organisation. Some of the salient features of the internal control system in place are:-

- i. Following statutory and applicable Accounting Standards and Policies.
- ii. Preparation of annual budget for operation functions and monitoring the same with actual performance at regular intervals.
- iii. All assets are properly recorded and procedures have been put in place to safeguard against any loss or unauthorized use or disposal.
- iv. Internal audit department carries out periodic audit at all locations and functions.
- v. The observations arising out of internal audit are periodically reviewed at the Audit Committee meetings along with follow up action.
- vi. Periodic presentations are made to the Audit Committee on various operational and financial risks faced by the company and action plans to mitigate the same.
- vii. Company has implemented system of Internal Financials Controls over Financial Reporting (ICOFR) and formed a three member team for the continuous assessment.
- viii. Statutory Auditors of Company have conducted Test of Design (TOD) and Test of Effectiveness (TOE) under the purview of Internal Financial Controls over Financial Reporting (ICOFR) and found same operating effectively.

7. Financial and Operational Performance

Company's Total Revenue including Other Income (Excluding taxes) stood at Rs 126 crores, as against Rs 344 Crores in the previous year. Correspondingly, loss before tax (after OCI and exceptional item) is Rs 15.32 Crores (after exceptional expense of Rs 0.02 Crore related to VRS) as compared to profit of Rs 12.93 Crores (after exceptional expense of Rs 1.35 Crores related to VRS) in the last financial year. Earnings per equity share is Rs -20.54 as compared to Rs.15.81 in the last financial year.

The said criteria also provides the certain parameters for evaluation of the performance of Independent Directors like knowledge and competency, fulfillment of functions, ability to function as a team, initiatives in various areas, availability and attendance, commitment to the Board, contribution to the Company and in meetings, high level of integrity, independence, qualification and experience etc., which is in compliance with applicable laws, regulations and guidelines.

Remuneration Policy

The Company's philosophy for remuneration of Directors, Key Managerial Personnel and all other employees is based on the commitment of fostering a culture of leadership with trust. The Company has adopted a Policy for remuneration of Directors, Key Managerial Personnel and other employees, which is aligned to this philosophy. The key factors considered in formulating the Policy are as under:

- (a) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- (b) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (c) Remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The key principles governing the Company's Remuneration Policy are as follows:

Remuneration for Independent Directors and Non-Independent Non-Executive Directors

- Independent Directors ('ID') and Non-Independent Non-Executive Directors ('NED') may be paid sitting fees for attending the meetings of the Board and of Committees of which they may be members, and commission within regulatory limits, as recommended by the Nomination and Remuneration Committee ('NRC') and approved by the Board.
- Overall remuneration should be reasonable and sufficient to attract, retain and motivate Directors aligned to the requirements of the Company, taking into consideration the challenges faced by the Company and its future growth imperatives. Remuneration paid should be reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay the remuneration and be consistent with recognized best practices.
- The aggregate commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters as may be decided by the Board. The NRC will recommend to the Board the quantum of commission for each Director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent in the Board and Committee meetings, individual contributions at the meetings and contributions made by Directors other than in meetings.
- The remuneration payable to Directors shall be inclusive of any remuneration payable for services rendered in any other capacity, unless the services rendered are of a professional nature and the NRC is of the opinion that the Director possesses requisite qualification for the practice of the profession.

Remuneration for Managing Director ('MD')/ Executive Directors ('ED')/ Key Managerial Personnel ('KMP')/ rest of the Employees

- The extent of overall remuneration should be sufficient to attract and retain talented and qualified individuals suitable for every role. Hence remuneration should be market competitive, driven by the role played by the individual, reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay, consistent with recognized best practices and aligned to any regulatory requirements.
- Basic/ fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience. In addition, the Company provides employees with certain perquisites, allowances and benefits as per defined Company Policy. The Company also provides all employees with a social security net subject to limits, by covering medical expenses and hospitalization through re-imbursements or insurance cover and accidental death and dismemberment through personal accident insurance. The Company provides retirement benefits as applicable.
- In addition to the basic/ fixed salary, benefits, perquisites and allowances as provided above, the Company provides MD/ EDs such remuneration by way of commission/incentive remuneration, calculated with reference to the net profits of the Company in a particular financial year, as may be determined by the Board, subject to the overall ceilings stipulated in Section 197 of the Companies Act, 2013. The specific amount payable to the MD/ EDs would be based on performance as evaluated by the NRC and approved by the Board.
- The Company provides the non bargainable employees a performance linked variable payment. The performance linked payment is driven by the outcome of the performance appraisal process and the performance of the Company.
- The Company provides bargainable employees payment as per the long term settlement agreement signed between the Management and the Union. The drivers for Long Term Settlement are Company's operational performance, productivity and conditions laid in the Agreement.

Remuneration to Directors

Non-Executive Directors:

Sitting fee of Rs. 60,000/- for attendance at each Board Meeting, Rs. 40,000/- for attendance at each Audit Committee Meeting and Rs. 30,000/- for attendance at each other Committee meetings (including Independent Directors Meeting) is paid to its members excluding CEO & Executive Director of the Company.

The remuneration by way of Commission to the Non-Executive Directors is decided by the Board of Directors based on the recommendations of Nomination and Remuneration Committee and distributed to them based on their participation, performance and contribution at the Board and Committee meetings. Due to losses incurred by the Company, no commission has been paid to the Non-Executive Directors for the financial year 2020-21.

The Company has no pecuniary relationship or transaction with its Non-Executive and Independent Directors other than payment of sitting fees to them for attending Board and committee meetings and commission as approved by members and Board for their invaluable services to the Company.

Independent Auditors' Report

To the Members of Automobile Corporation of Goa Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Automobile Corporation of Goa Limited ("the Company"), which comprise the balance sheet as at 31 March 2021, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of matter

We draw your attention to Note 41 of the financial statements, which describes the Management's assessment of the impact of the outbreak of Coronavirus (COVID -19) and the resultant lockdowns on the business operations of the Company. The Management believes that no further adjustments are required to the financial statements. However, in view of the highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matter

Revenue from related parties

See note 21 and note 37 to the financial statements

The key audit matter	How the matter was addressed in our audit
<p>The Company is in the business of sale of bus bodies and pressing segment. Significant portion of such revenues are attributable to transactions with related parties.</p> <p>We identified revenue from related parties as a key audit matter.</p>	<p>We have performed the following procedures:</p> <ul style="list-style-type: none"> - assessed the revenue recognition accounting policies by comparing with applicable accounting standards - evaluated the design and operating effectiveness of key controls for recognition of revenue - performed substantive testing by selecting samples of revenue transactions, recorded during the year by testing the underlying documents.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
 - (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31 March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at 31 March 2021 on its financial position in its financial statements - Refer Note 29 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The disclosures in the financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these financial statements since they do not pertain to the financial year ended 31 March 2021.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure A to the Independent Auditors' Report on the financial statements of Automobile Corporation of Goa Limited for the period ended 31 March 2021.

With reference to the Annexure referred to in paragraph 1 in Report on Other Legal and Regulatory Requirements of the Independent Auditors' Report to the members of the Company on the Ind AS financial statements for the year ended 31 March 2021, we report that:

- (I) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets by which its fixed assets are verified in a phased manner every year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its fixed assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the title deeds of the immovable properties which are freehold, are held in the name of the Company, except the following:

Particular of the land and building	Gross Block as at 31 March 2021 (in Rs Lacs)	Net Block as at 31 March 2021 (in Rs Lacs)	Remarks
Freehold land located at Mann, Pune admeasuring 8,000.04 sq. meters	21.15	21.15	The execution of the Title Deed for the purchase of land is awaited on account of dispute with the land owner.

- (ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and there were no material discrepancies noted during such verification. In respect of significant stock lying with third parties at the year end, written confirmations from major parties have been obtained.
- (iii) According to the information and explanations given to us, the Company has granted loans, secured or unsecured, to companies covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
- (a) The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (b) The schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts of principal amounts and interest have been regular as per stipulations.
- (c) There is no overdue amount remaining outstanding as at the balance sheet date.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013. The Company has not granted any loans or provided any guarantees and securities to which the provisions of Section 185 of the Companies Act, 2013 apply.
- (v) The Company has not accepted any deposits in accordance with the provisions of section 73 to 76 of the Act and the rules framed thereunder.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for the goods manufactured by the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees' state insurance, Income tax, Goods and Service tax, and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company does not have dues on account of Sales Tax, Service Tax, Value Added Tax, Duty of Customs and Duty of Excise.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees' state insurance, Income tax, Goods and Service tax, and other material statutory dues were in arrears as at 31 March 2021, for a period of more than six months from the date they became payable. We draw attention to note 29(v) to the financial statements which more fully explains the matter regarding non-payment of provident fund contribution pursuant to the Supreme Court judgement dated 28 February 2019.

- (b) According to the information and explanations given to us, there are no dues of Income tax, Service tax, Sales tax, Duty of Customs, Duty of Excise, Goods and Service tax and Value added tax which have not been deposited by the Company with appropriate authorities on account of any disputes except for the following:

Name of the Statute	Nature of dues	Amount (in Rs. Lacs)#	Amount paid under protest (in Rs. lacs)	Period to which the Amount relates	Forum where dispute is pending

Annexure B to the Independent Auditors' Report on the financial statements of Automobile Corporation of Goa Limited for the period ended 31 March 2021.

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 1(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Automobile Corporation of Goa Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

i. Capital redemption reserve account

When a company redeems preference shares or buys back its shares, the company is required to create capital redemption reserve. Capital redemption reserve is created out of the profits. The Capital redemption reserve is created in accordance with the provisions of section 69 of the Companies Act, 2013 for the nominal value of shares bought back during the year.

ii. Securities premium

The securities premium represents the additional amount shareholders paid for their issued shares that was in excess of the par value of those shares. During the previous year, securities premium was used to pay the premium on buyback of shares in accordance with the provisions of section 52 of the Companies Act, 2013 amounting to Rs 1,964.70 lacs.

iii. General reserve

Under the erstwhile Companies Act, 1956, a general reserve was created through an annual transfer of the net income at a specified percentage in accordance with the applicable regulations. Consequent to the introduction of the Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of net profit to general reserve has been withdrawn. During the previous year, a sum equal to the nominal value of the shares (Rs. 10 per share) so purchased was transferred to capital redemption reserve on account of extinguishment of share capital and the general reserve was utilized in accordance with the provisions of section 69 of the Companies Act, 2013 amounting to Rs. 33.30 lacs. The other transaction cost amounting Rs. 510.22 lakhs including the buy back tax of Rs 457.70 lakhs relating to buy back was offset from the General Reserve.

iv. Buy back of equity shares

During the previous year the Company bought back 333,000 equity shares of Rs. 10 each, representing 5.19% of total number of equity shares fully paid-up for an aggregate amount of Rs. 1,998 lakhs (excluding taxes and transaction cost) at Rs. 600 per equity share. The equity shares bought back were extinguished on 15 November 2019.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1) Background and operations

Automobile Corporation of Goa Ltd. (ACGL) was incorporated on 1 September 1980 as a Public Limited Company under the Companies Act 1956. The Company was jointly promoted by EDC Limited (a Government of Goa Undertaking) and Tata Motors Limited.

The Company is engaged in the manufacture of pressed parts, components, sub assemblies for various range of automobiles and manufacture Bus bodies and components thereof.

The financial statements for the year ended 31 March 2021 were approved by the Board of Directors and authorized for issue on 07 May 2021.

2) Basis of preparation

a. Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

Details of the Company's significant accounting policies are included in Note 3.

b. Functional and presentation currency

The financial statements are prepared in Indian Rupees, which is the Company's functional and presentation currency. All financial information presented in lakhs, except when otherwise indicated.

c. Basis of measurement

These financial statements have been prepared on a historical cost basis except for the following items:

<u>Items</u>	<u>Measurement basis</u>
Certain financial assets and liabilities	Fair value
Net defined benefit (asset) / liability	Fair value of plan assets less present value of defined benefit obligations

d. Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Assumptions and estimation uncertainties

i. Impairment of non-financial assets

In assessing the non-financial assets for impairment, factors leading to significant reduction in profits such as reduction in finished goods prices and increase in raw material prices, the Company's business plans and changes in regulatory environment are taken into consideration. The carrying value of the assets of a cash generating unit (CGU) is compared with the recoverable amount of those assets, that is, the higher of fair value less costs of disposal and value in use.

ii. Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with the applicable Ind AS.

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

iii. Defined benefit plans

Refer note no. 36 for details of the key assumptions used in determining the accounting for these plans.

iv. Provision against obsolete and slow-moving inventories

The Company reviews the condition of its inventories and makes provision against obsolete and slow-moving inventory items which are identified as no longer suitable for sale or use. Company estimates the net realizable value for such inventories based primarily on the latest invoice prices and current market conditions. The Company carries out an inventory review at each balance sheet date and makes provision against obsolete and slow-moving items. The Company reassesses the estimation on each balance sheet date.

v. Useful lives of property, plant and equipment.

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

vi. Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax asset at the end of each reporting period. The policy for the same has been explained under note 3f.

vii. Measurement of fair values

A number of the accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values which is overseen by the Chief Financial Officer (CFO). Significant valuation issues are reported to the Company's audit committee. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as a lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

viii. Estimation of uncertainties relating to the global health pandemic from COVID-19:

Due to spread of COVID-19 pandemic and consequent mandatory lockdowns and restrictions in activities imposed by the Government, the Company's manufacturing plants and offices had to be closed down for a considerable period of time, during the year ended 31 March 2021. As a result of the lockdown, the manufacturing operations for the first two quarters were significantly impacted. Further, on the background of recent surge of COVID-19 cases in India, the Company is monitoring the situation closely. Management believes that it has taken into account all the possible impacts of known events arising from COVID-19 pandemic in the preparation of the financial statements including but not limited to its assessment of Company's liquidity and going concern, recoverable values of its property, plant and equipment, intangible assets, investment property, investments and the net realisable values of other assets. However, given the

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

effect of these on the overall economic activity and in particular on the automotive industry, the impact assessment of COVID-19 on the above mentioned financial statement captions is subject to significant estimation uncertainties given its nature and duration and, accordingly, the actual impacts in future may be different from those estimated as at the date of approval of these financial statements. The Company will continue to monitor any material changes to future economic conditions and consequential impact on its financial statements.

e. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non current classification.

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle.
- it is held primarily for the purpose of being traded;
- it is expected to be realized within 12 months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting date; or
- the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/liabilities include current portion of non-current financial assets/liabilities respectively. All other assets/liabilities are classified as non-current. Deferred tax liabilities are classified as non-current liabilities.

3) Significant accounting policies

The Company has applied the following accounting policies to all periods presented in the financial statements.

a. Revenue recognition

The Company generates revenue principally from - Sale of products including scrap sales:

Revenue is recognised as per Ind AS 115, when the contract entered with a customer is within the scope of this standard and;-

- When the contract is approved by the parties in writing
- The rights and obligation of each party is identified in the contract
- The contract has commercial substance and the payment terms are defined
- When collectability of the resulting receivable is reasonably assured

Revenue from sale of products is recognised on satisfaction of a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. In case of products, when products are delivered to dealers or when delivered to a carrier for export sales, which is when the title and risks and rewards of ownership pass to the customer.

The transaction price is the amount of consideration to which the entity expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, some sales taxes) and net of discounts.

Bill and hold arrangement: -

A bill-and-hold arrangement is a contract under which an entity bills a customer for a product but the entity retains physical possession of the product until it is transferred to the customer at a point in time in the future. All condition mentioned in para B81 and para 38 of Ind AS 115 are duly complied with in process of recognising the revenue.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

b. Dividend income, interest income or expense

Dividend income is recognized in profit or loss on the date on which the Company's right to receive payment is established.

Interest income or expense is recognized using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortized cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortized cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortized cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

c. Product warranties

The estimated liability for product warranties is recorded when product is sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management's estimates regarding possible future incidences based on actions on product failures. The timing of outflows will vary as and when warranty claim will arise, being typically 18 to 24 months from the date of sale.

d. Provisions and contingencies

A provision is recognised where the Company has a legal and constructive obligation as a result of a past event, for which it is probable that cash outflow will be required and a reliable estimate can be made of the amount of the obligation. A Contingent liability is disclosed when the Company has a possible or present obligation where it is not probable that an outflow of resources will be required to settle it.

e. Foreign currency

Income and expenses in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Foreign currency denominated assets and liabilities are translated at the exchange rates prevailing on the Balance Sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit and Loss.

f. Income taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

g. Inventories

Items of inventory are valued on the basis given below;

- i. Raw Material, Bought out components, Stores and Spares: at cost or net realizable value, whichever is lower. Cost is determined by the weighted average method.
- ii. Work in progress and Finished goods: at cost or net realizable value, whichever is lower. Cost is determined on the basis of absorption costing.
- iii. Scrap: at net realizable value.

h. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation. All cost relating to the acquisition and installation of Property, plant and equipment are capitalised and include financing cost relating to borrowed funds attributable to construction or acquisition of fixed assets, upto the date the asset is ready for intended use.

Depreciation is provided on the Straight Line Method (SLM) over the estimated useful lives of the assets considering the nature, estimated usage, operating conditions, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Taking into account these factors, the Company have decided to retain the useful life hitherto adopted for various categories of fixed assets, which are different from those prescribed in Schedule II of the Act as under:

Type of Assets	Useful life follow by the Company	Useful life as per schedule II of Companies Act, 2013
Buildings	28 to 59 years	5 to 60 years
Plant and Equipment	6 to 20 years	7.5 to 15 years
Furniture and fixture	15 years	10 years
Vehicles	8 to 10 years	8 years
Computers	6 years	3 to 6 years

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use. The residual value and the useful life of an asset is reviewed at each financial year end and if expectations differ from previous estimates, the change(s) shall be accounted for as a change in an accounting estimate in accordance with Ind AS 8, 'Accounting Policies, Accounting Estimates and Errors'.

i. Intangible assets

Intangible assets in the nature of computer software are stated at cost less accumulated amortisation. Computer software are amortised over 4 years being their estimated useful life on straight line methods.

j. Impairment of non-financial assets

Non-financial assets evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit or loss.

k. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three broad categories:

a. Financial assets at amortised cost

A financial asset is measured at amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows.
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

b. Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss if both the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- The contractual assets cash flows represent SPPI.

c. Financial assets at fair value through profit and loss (FVTPL)

FVTPL is a residual category. Any instrument, which does not meet the criteria for categorisation as at amortised cost or as FVOCI is classified as at FVTPL.

All other financial assets are measured at fair value through profit or loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- Financial assets that are measured at amortised cost e.g., loans, deposits and trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. In the Balance Sheet, for financial assets measured as at amortised cost, ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

Financial liabilities

Initial recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at amortised cost or at fair value through profit or loss. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and designated upon initial recognition as at fair value through profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

b. Financial liabilities at amortised cost (Loans & Borrowings)

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

I. **Employee benefits**

Short term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Long term employee benefits:

i. Defined benefits plans

Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days salary payable for each completed year of service as per the Trust deed. Vesting occurs upon completion of five years of service. The Company has obtained group gratuity policy with Life Insurance Corporation of India, HDFC Standard Life Insurance Company Limited and Bajaj Allianz Life Insurance Company Limited. The Company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation, carried out as at the year end.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021**Provident fund

In accordance with Indian law, eligible employee's of the Company are entitled to receive benefits in respect of provident fund, a defined benefit plan, in which both employee's and the Company make monthly contributions at a specified percentage of the covered employee's salary (currently 12% of employee's salary). The contributions, as specified under the law, are paid to the provident fund trust. Contributions towards Pension fund is paid to the Regional Provident Fund Commissioner at specified percentage of the covered employee's salary on monthly basis. Contribution defined to benefit plan is recognized as an expense when employee's have rendered services entitling them to such benefits.

Remeasurement gains and losses

Remeasurement comprising actuarial gains and losses, the effect of the asset ceiling and the return on assets (excluding interest) relating to retirement benefit plans, are recognized directly in other comprehensive income in the period in which they arise. Remeasurement recorded in other comprehensive income is not reclassified to income statement.

Measurement date

The measurement date of retirement plans is 31 March.

ii. Defined contribution plan

Superannuation

The Company has a Superannuation plan (defined contribution plan). The Company maintains separate irrevocable trust for employees covered and entitled to benefits. The Company has obtained insurance policy with Life Insurance Corporation of India. The Company contributes 15% of eligible employee's salary to the trust every year. The Company recognizes such contributions as an expense when incurred. The Company has no further obligation beyond this contribution.

iii. Other long - term employee benefits

Compensated absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employee's are entitled to accumulate leave subject to certain limits, for future encashment. The liability is provided based on the number of days of unutilized leave at each Balance Sheet date on the basis of an independent actuarial valuation, carried out as at the year end.

m. Borrowing cost

Borrowing cost that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for the intended use. All other borrowing costs are charged to revenue.

n. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

o. Segmental reporting

Basis for segmentation

An operating segment is a component of the company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the company's Chief Executive Officer (CEO) to make decisions about resources to be allocated to the segments and assess their performance.

Reportable segments

The Company operates in the following two reportable segments:

- Pressing division
- Bus body building division

p. Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received. Government grants are recognised in the statement of Profit or Loss on a systematic basis over the periods in which the Company recognizes as expenses the related costs for which the grants are intended to compensate.

q. Investment property

The Company recognises property as investment property Land and building, land, building etc if the property is held with an intention to earn rental or capital appreciation or for both rather than for use in the production or supply of goods or services or for administrative purposes; or sale in the ordinary course of business. The Company recognises property as investment property only when the Company is certain that the future economic benefits that are associated with the investment property will flow to the entity; and the cost of the investment property can be measured reliably. The investment property is recognised at cost including the transaction cost excluding the start up cost (Unless essential in commencement of operation of property) of , operating losses, abnormal amount of wasted material and labor in case of construction of investment property. The Company values the property at fair value from an independent valuer every year for disclosure purpose.

r. Recent pronouncements:

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

Increase due to cash received, excluding amounts recognised as revenue during the year	95.05
Contract liabilities at the end of the year (refer note 20)	160.95

(iii) **Performance obligations**

The Company satisfies its performance obligations pertaining to the sale of bus bodies and pressing segment items at point in time when the control of goods is actually transferred to the customers. No significant judgement is involved in evaluating when a customer obtains control of promised goods. The contract is a fixed price contract and does not contain any financing component. The payment is generally due within 30-45 days (w.e.f.12 June 2020 the Company has started with invoice discounting facility as a result of which the dues are realised in 2-3 days). There are no other significant obligations attached in the contract with customer.

(iv) **Transaction price**

There is no remaining performance obligation for any contract for which revenue has been recognised till year end.

(v) **Determining the timing of satisfaction of performance obligations**

There are no significant judgements involved in ascertaining the timing of satisfaction of performance obligations, in evaluating when a customer obtains control of promised goods, transaction price and allocation of it to the performance obligations.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

<p>(vi) Determining the transaction price and the amounts allocated to performance obligations The transaction price ascertained for the only performance obligation of the Company (i.e. Sale of goods) is agreed in the contract with the customer. There is no variable consideration involved in the transaction price.</p> <p>(vii) Cost to obtain contract or fulfill a contract There is no cost incurred for obtaining or fulfilling contract with customers.</p> <p>(viii) Bill and hold arrangement A bill-and-hold arrangement is a contract under which an entity bills a customer for a product but the entity retains physical possession of the product until it is transferred to the customer at a point in time in the future. All conditions mentioned in para B81 and para 38 of Ind AS 115 are duly complied with in the process of recognising the revenue under such an arrangement.</p>

29) The Company is involved in the following appellate, judicial and arbitration proceeding matters arising in the course of conduct of the Company's businesses. In few of the proceedings in respect of matters under litigation are in early stages, and in other cases, the claims are indeterminate. Contingent liability in respect of:		
Claims against the Company not acknowledged as debt:		
(i) Disputed demands of excise authorities		
- Pending before the Commissioner of Central Excise (Appeals)	516.26	516.26
(i) Denial of MODVAT due to technical lapses in the invoices. MODVAT on technical lapses are allowed by CESTAT under various case laws. The amount involved is Rs. 19.39 lakhs.		
(ii) Prior to February 2006, ACGL were reversing Cenvat Credit on inputs used for export buses and TML used to claim duty drawback (DBK) on these buses. However, TML discontinued claiming DBK on non AC buses and Claimed DBK only on AC buses. This fact was not intimated to ACGL and hence ACGL reversed the Credit as per the normal practice. As TML had not claimed DBK, ACGL filed for refund which was initially rejected by the lower authority. However, the Commissioner (Appeals) allowed the refund and the amount was refunded. The appeal is filed by the Department against the order of the Commissioner (Appeals) before CESTAT and is remanded back to the adjudicating authority for disposal. The total amount involved is Rs. 496.86 lakhs		
(ii) Disputed demand of Commercial Tax authority		
- Pending before Additional Commissioner of Commercial Taxes	241.67	241.67
i. Disallowance of input tax credit availed on entry tax paid through credit account & ITC reversal on Stock Transfer. Total demand is Rs. 222.83 lakhs and imposed penalty of Rs. 2.00 lakhs. ACGL has filed an appeal against the said order before the Additional Commissioner of Commercial Taxes.		
ii. The Dy. Commissioner has disallowed branch transfer against form 'F' alleging that, some of the material directly sold to customer instead of branch transfer and for some materials, dispatched proof is unavailable. On account of this, a total demand raised is Rs. 16.84 lakhs (incl. interest). ACGL preferred appeal since none of the branch transfer is directly sold to customer without bringing at branch location, further the dispatched proof of branch transfer is available.

(iii) - Pending before Joint Commissioner of Commercial Taxes The Joint commissioner has disallowed input credit based on J2 report available with department and liability reversal on rate reduction debit note. Tax is calculated on expenses reimbursed (die cost) by Tata Cummins private limited. ACGL preferred appeal contending that reimbursement of die cost will not form part of turnover, VAT to be calculated after adjusting the rate reduction debit note and input is considered based on J2 reports and not as per the actual purchases which is less than input as per actual purchases.	17.61	-
(iv) Penalty proposed to be levied by the Securities and Exchange Board of India (SEBI) for alleged violation of Regulation 6 and 8 of SEBI (Substantial acquisition of shares and takeovers) Regulations 1997 (pending before the Adjudicating Officer) notice dated 21.07.2004.	1.75	1.75
(v) Income Tax Department has gone into Appeal in the Supreme Court against the order of the High Court dismissing their Review Application in the matter of depreciation not claimed by the Company in assessment year 1990-91. The Company has filed a counter affidavit with Supreme Court against the appeal. Vide Order dated August 12, 2016, Supreme Court has disposed off Appeal filed by IT Dept. The Supreme Court has allowed the appeals and set aside both the Orders dated 25.08.2010 and 28.03.2012 passed by the High Court in Tax Appeal No. 7 of 2004 and Civil Application (Review) no. 26 of 2010 and requested the High Court to decide upon the Review Petition and thereafter Appeal itself, if so on merits. The Supreme Court has also made it clear that they have expressed no opinion on the merits of any of the contentions of the parties. The High Court has restored back the appeal to ITAT, who has allowed the appeal and restored the issue to the office of Assessing Officer directing Assessing Officer for re-examining the issue after providing an opportunity of being heard.	37.33	37.33
(vi) The Hon'ble Supreme Court of India ("SC") by their order dated 28 February 2019, set out the principles based on which allowances paid to the employees should be identified for inclusion in basic wages for the purposes of computation of Provident Fund contribution. Subsequently, a review petition against this decision has been filed and is pending before the SC for disposal. Further, there are interpretative challenges and considerable uncertainty, including estimating the amount retrospectively. Pending the outcome of the review petition and directions from the EPFO, the impact for past periods, if any, is not ascertainable reliably and consequently no financial effect has been provided for in the financial statements. The Company has also obtained a legal opinion on the matter and basis the same there is no material impact on the financial statements as at 31 March 2021. The Company would record any further effect on its financial statements, on receiving additional clarity on the subject. A number of contingent liabilities have arisen as a result of a) Show cause notice for wrong availment of Modvat by Central Excise which was procedural and technical in nature and similar case decision was given in Company's favour. Decision made by Commissioner Excise (Appeals) in favour of ACGL for restoration of cenvat reversal whereas appeal filed by Excise department against the Commissioner (Appeals) was remanded back to adjudicating authorities. b) Appeal filed by Company against Rule 10 A where any liability arising out of demand will be reimbursed by Tata Motors Limited. c) Disallowance of ITC availed on entry tax paid through credit account. d) Income Tax notional demand for penalty was dismissed by High Court. Thereafter set aside by Supreme court and sent back to High Court to review. The High Court has restored back the appeal to ITAT.		
The management believes that, the aforesaid claims made are untenable and is contesting them. As of the reporting date, the management is unable to determine the ultimate outcome of these matters. However, in the event the revenue authorities succeed with enforcement of their assessments, the Company may be required to pay some or all of the asserted claims and the consequential interest and penalties, which would reduce net income and could have a material adverse effect on net income in the respective reported period.

	As at 31 March 2021 Rs. in Lakhs	As at 31 March 2020 Rs. in Lakhs
VIII. The assumptions of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment.		
Sensitivity analysis		
Projected benefit obligation on current assumptions	1,953.65	1,894.30
Delta effect of +1% change in rate of discounting	(92.04)	(104.59)
Delta effect of -1% change in rate of discounting	100.17	114.72
Delta effect of +1% change in rate of salary increase	100.98	115.65
Delta effect of -1% change in rate of salary increase	(94.43)	(107.29)
Delta effect of +1% change in rate of employee turnover	8.43	10.40
Delta effect of -1% change in rate of employee turnover	(9.01)	(11.17)

The Sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Further more, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligations liability recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

ii. Measurement of fair values

Level 1: level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: level 2 hierarchy includes fair value of the financial instruments that are not traded in an active market. Fair value of these financial instruments is determined using valuation, which maximise the use of observable market data and rely as little as possible on entity specific estimates. Investments in mutual funds are valued using the closing net assets value (NAV).

Level 3: level 3 hierarchy includes financial instruments that are not based on the observable market data.

iii. Risk management framework

The risk management process is coordinated by the management assurance functions and is regularly reviewed by the Company's audit committee. The audit committee meets regularly to review risks as well as the progress against the planned actions. Key business decisions are also discussed at the periodic meetings of the audit committee and the board of directors. The overall internal control environment and risk management programme including financial risk management is reviewed by the audit committee and the board.

The risk management framework aims to:

- improve financial risk awareness and risk transparency.
- identify, control and monitor key risks.
- identify risk accumulations.
- provide management with reliable information on the Company's risk situation.
- improve financial returns.

The Company has exposure to the following risks arising from financial instruments:

(i) Market risk

The Company's activities does not expose it to the financial risks of changes in foreign currency exchange rates and interest rates.

(ii) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

(iii) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, the Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Liquidity risk tables

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

- 41) The Pandemic "Covid-19" spread has severely impacted business around the world, including India. There has been severe disruption in regular business operations due to lockdown and emergency measures taken by the Government. The Company has done a detailed assessment of the impact on the liquidity position and carrying value of assets like, trade receivables, investments, property, plant and equipment and other financial assets and based on this assessment there are no adjustments required. Moreover, the Company has resorted to cash discounting facility in the current period which has led to a strong liquidity position. The Management has taken all the known impacts of Covid-19 in the preparation of the financial statement and the Company will monitor any material changes in future economic conditions. However, the impact assessment of Covid-19 is a continuing process, given the uncertainties associated with its nature and duration.
- 42) The Board of Directors at its meeting held on 07 May 2021 has recommended a final dividend of Rs. nil per equity share of Rs. 10/- each (previous period - Rs. 5/- per equity shares of Rs. 10/- each) subject to approval of the shareholders at the ensuing Annual General Meeting.
- 43) Current tax expenses for the year ended 31 March 2021 includes tax for earlier years amounting to Rs. 19.42 lakhs (year ended 31 March 2020 - Rs. 25.62 lakhs).
- 44) The Company does not have any long - term contract including derivative contract for which provision would be required for material foreseeable losses.
- 45) The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.
- 46) The Employee Provident Fund account of the Company was managed by "Automobile Corporation of Goa Ltd. Employees Provident Fund Trust" (PF Trust) on the basis of Exemption granted by the Employees' Provident Fund Organisation (EPFO) under section 17(1) (a) of the EPF & MP Act 1952. During the year, the PF Trust received the order from EPFO on 26 March 2021 to comply as an un-exempted establishment w.e.f. 01 April 2021. Pursuant to the same, the PF Trust has sold all its investments. The entire proceeds have been transferred to the EPFO towards the Provident Fund liability by 09 April 2021.
- 47) Pursuant to her resignation, Ms. Manisha Shirgaonkar – Company Secretary (CS) of the Company, was relieved from the service of the Company effective 24 November 2019. The Board had appointed Mr. Raghendra Singh Butola - Chief Financial Officer (CFO), as compliance officer of the Company w.e.f. 26 November 2019 to look into compliance related matters and investor relations. Mr. Anil Kumar Sharma was appointed as the CS of the Company w.e.f. 29 August 2020. The delay in appointment of CS was due to prevailing pandemic situation. Penalty was levied by BSE as per Regulation of SEBI (LODR) Regulation, 2015, regulation 6(1) for the delay. The Company had requested for waiver of said penalty which was subsequently waived by BSE on justifiable grounds.
