## *From the Desk of Manish Gupta, Managing Director*

Dear Shareholders,

It gives me immense pleasure to communicate with you all for the first time after joining the organization as the Managing Director .

As I take up the mantle at Jagsonpal, I am excited to lead Jagsonpal which stands on the strong pillars of a robust business model, a talented team, a strong portfolio of brands, an extensive pan-India distribution network, and a large field force of medical representatives.

The Company is focused on the domestic formulations industry with a heritage of over four decades, and is a trusted name among the medical fraternity.”

Before I delve into the business and performance the path we propose to chart out for your Company, I would like to touch upon some key developments since the closure of financial year ended March 31, 2022, on the ownership side and composition of Board.

### **Ownership**

As you are aware, in February 2022, Funds advised by Convergent Finance (Convergent), announced their intent to acquire 43.73% of the outstanding equity shares of your Company from the Founders, the Kochhar family. Convergent Funds have become joint promoters of the company on June 27, 2022, along with the Kochhar family who continues to own 24.99% in the Company.

### **Governance**

Consequent to the Change in Control, The Board was reconstituted on June 29, 2022, by inducting luminaries from varied fields. Mr. Harsha Raghavan and Mr. Prithipal Singh Kochhar joined the Board Convergent and Kochhar family nominees respectively. The Board also inducted Mr. Debasis Nandy, Ms. Radhika Madhukar Dudhat, and Ms. Pallavi Dinodia Gupta as Independent Directors. On July 16, 2022, I joined the Board as the Managing Director. The detailed profile of directors is available in the Notice to the Annual General Meeting and also at [www.jagsonpal.com/](http://www.jagsonpal.com/)

The Board of Directors have also approved the appointment of M/s. Walter Chandio & Co LLP as the Statutory Auditors of the Company for a term of five years, which is subject to the shareholders’ approval.

### **Business and operational update**

On the back of superior research capabilities, in August 2021, the Company launched two brands – Divatrone and ProRetro in the lucrative product market segment – Dydrogesterone, which was earlier dominated by a global pharma Company. I am delighted to share that these launches at affordable prices have not only significantly expanded the Dydrogesterone market, but the Company has been successful in consistently increasing penetration, thereby garnering a 4.1% market share in the month of July 22, as per the latest market research by IQVIA (An independent market research organisation). On the back of this success, the Company has significantly outpaced the growth of Indian pharmaceutical industry, growing at 15.2% as against the industry growth rate of 7.7% for the twelve month period ending July 2022. This achievement gives me confidence that through concerted efforts, the Company is capable of achieving several such milestones. This was complemented by two important decisions – Closure of the Faridabad plant and migrating from the existing depot model to the C&F model which will result in higher operating efficiencies along with lower distribution costs.

### **Journey Ahead**

Coming to the growth framework for the journey ahead, while these are still early days for me to develop and articulate specific dimensions of our strategy, going forward, improving the Company’s ranking in the domestic market is at the forefront and the team at Jagsonpal is working in unison towards achieving the goal of sequential improvement in the ranking. It goes without saying that this acceleration in growth will be accompanied by an improvement in profitability.

I look forward to working closely with the new Board to built on the great foundation laid by Mr. Rajpal Singh Kochhar, who led the Company since 1996.

I would like to express my gratitude towards Board Members for giving me this opportunity and also the wonderful team at Jagsonpal for accepting me as part of the Jagsonpal family.

Let’s take the journey forward, together!

Warm regards

Manish

The said commission, if approved by the Members, will be paid effective from financial year 2022-23.

**Statutory provision:**

Section 197 of the Companies Act, 2013 ('Act') provides that except with the approval of the Company in general meeting by way of special resolution, the remuneration payable to directors who are neither managing directors nor whole-time directors shall not exceed:

- (A) one per cent. of the net profits of the company, if there is a managing or whole-time director or manager;
- (B) three per cent. of the net profits in any other case.

Since the Company has a Managing Director, the maximum remuneration that can be paid without the Shareholders' approval is 1% of the net profit of the Company as defined under the Act.

In terms of the provisions of Regulation 17 of the SEBI (Listing

Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), the Board of Directors shall recommend all fees or compensation, if any, paid to Non-Executive Directors including Independent Directors and shall require approval of Members in general meeting.

Subject to the applicable provisions of Listing Regulations, consent of the Members of the Company is sought to pay to its Non-Executive Directors such commission as the Board of Directors may from time to time determine not exceeding 1% of the net profits of the Company for that financial year, computed in the manner provided in Section 198 of the Act. The said commission of 1% of net profits shall be divided amongst the Non-Executive Directors in such proportion as may be determined by the Board of Directors from time to time.

Members to note that the proposed payment of commission shall be in addition to the sitting fee payable to the Director(s) for attending the Meetings of the Board and/ or other Board Committees thereof or for any other purpose whatsoever as may be decided by the Board of Directors and reimbursement of expenses for participation in the said meetings.

Where in any financial year during the currency of tenure of a director, the company has no profits or its profits are inadequate, it may pay remuneration to the non-executive director not exceeding, the limits specified under Schedule V of the Companies Act, 2013.

The Board recommends passing of the proposed resolution stated in Item No. 11 as an Ordinary Resolution and requests Members' approval for the same.

Non-Executive Directors of the Company are interested in the said resolution to the extent of commission, which may be paid to them. None of the Executive Director, Key Managerial Personnel, or their relatives are in any way concerned or interested, financially or otherwise, in this resolution.

#### **Item No. 13: Amendment to Articles of Association of the Company**

On February 21, 2022, Aresko Progressive Private Limited (acting in capacity as a trustee of the Aresko Progressive Trust and as the representative partner of J&P Investments Partnership) ("Seller") and Mr. Rajpal Singh Kochhar have entered into a Share Purchase Agreement ("SPA") with Infinity Holdings ("Acquirer") together with Persons Acting in Concert with the Acquirer being Infinity Holdings Sidecar I and Infinity Consumer Holdings (referred to as the "Acquirer Group") for the proposed acquisition by the Acquirer Group from the Seller of 1,14,55,500 (One Crore Fourteen Lakhs Fifty Five Thousand Five Hundred) equity shares ("Sale Shares") of the Company, constituting 43.73% of the Voting Share Capital of the Company ("Transaction"). The Sale Shares have been acquired by the Acquirer Group from the Seller on June 27, 2022.

The Company, Seller, Mr. Rajpal Singh Kochhar and the Acquirer Group have also entered into a Shareholders Agreement dated February 21, 2022, as amended pursuant to amendment to shareholders agreement dated April 11, 2022 and second amendment to shareholders agreement dated July 15, 2022 ("SHA"). The SHA, *inter alia*, provides certain rights to the parties to the SHA in connection with the Company pursuant to the Transaction.

The Board of Directors of the Company at their meeting held on May 13, 2022 approved adoption of the amended and restated Articles of Association to incorporate certain rights given to the parties in terms of the SHA and such amendment and restatement was also approved by the Shareholders at their EGM held on June 17, 2022. It is now proposed to alter and amend one of the articles in Part B of the Articles of Association which reads as under:

*Article 244.3.2: "Board Chairman: The Chairman of the Board shall be an Independent Director with a proven track record of good governance".*

The proposal is to remove the requirement of Chairman to be an

Independent Director and replace the existing Article 244.3.2, in entirety, as under:

*Article 244.3.2: Board Chairman*

*"The Chairman of the Board shall be decided by the Board".*

In terms of Section 14 of Companies Act 2013, consent of Members by way of a Special Resolution is required for altering the Articles of Association. The amended Articles of Association will be made available for inspection electronically till the date of the Annual General Meeting on any working day during business hours.

The Board recommends passing of the proposed resolution as stated in Item No.13 as a Special Resolution and requests Members' approval for the same.

Save and except the existing Promoters and Promoter Group of the Company (to the extent of their shareholding in the Company and the rights conferred to them through the Articles of Association), none of the Directors, Key Managerial Personnel or their relatives are in any way concerned or interested, financially or otherwise, in this resolution except to the extent of their shareholding as Members, if any.

**MANAGEMENT DISCUSSION AND ANALYSIS**

[Schedule V – Regulation 34(3) of SEBI (LODR) Regulations, 2015]

**GLOBAL PHARMACEUTICAL MARKET**

The global pharmaceutical market was estimated to be valued at US\$ 1.4 trillion in 2021 and is expected to grow at a CAGR of 3–6% over the next five years, reaching a market size of US\$ 1.8 trillion by 2026. In developed markets, adoption of innovative therapies and specialty medicines will drive medicine pharmaceutical growth. From 2017 to 2021, the pharmaceutical markets in the developed world expanded at a CAGR of ~4.3%, reaching US\$ 1,049.2 billion, and are expected to grow at 2-5% CAGR to reach US\$ 1,230-1,260 billion by 2026.

**a) INDUSTRY STRUCTURE AND DEVELOPMENTS**

The Indian Pharmaceutical Market (IPM) currently valued at Rs.1,85,498 crores [Source: IQVIA MAT March 2022] grew by around 18%. Though the performance during First Quarter was impacted due to the second wave of COVID-19 pandemic, all the Businesses/ Divisions have reported a smart recovery in the subsequent Quarters, thus closing the year with a healthy growth.

**b) OPPORTUNITIES & THREATS****Opportunities:**

The Company believes that the Indian pharmaceutical market would continue to grow due to factors such as improved healthcare access, awareness and diagnosis around noncommunicable diseases and government interventions to expand healthcare infrastructure.

With the pandemic came lockdowns and resulting disruptions to normal functioning of pharmaceutical businesses. Healthcare professionals continued practising at their clinics, as patient footfall through most of the year continue to remain comparatively low. This impacted prescription generation and demand for pharmaceuticals. Adapting learnings from the pandemic, we put in place agile business continuity processes, ensuring optimum levels of production and supply chain reliability are maintained.

**Threats:**

In the past few years, Industry has seen frequent changes in regulations covering drug pricing, trade margins and other laws which can impact the business in the long run. Any adverse changes in government policies with respect to pricing may severely impact the business performance.

The prices of Active Pharmaceutical Ingredients and intermediates fluctuate based on the market demand and supply conditions. The Company may not be in a position to pass on any sharp increases in the prices of raw material to consumers, resulting in margin contraction.

**c) OUTLOOK**

The Company's growth is likely to be in line with the growth of the therapy segments where it operates such as Gynaecology and

Orthopaedics. Over the next few years, the Company will continue its efforts to strengthen key brands of the Company. The Company is committed towards pro-actively responding to various compelling changes observed during the pandemic era, which include e-patient consultancy, partnerships with e-pharmacies, e-doctor meets and hybrid models of engagement with physicians. Due to general inflation and fluctuation in the prices of Active Pharmaceutical Ingredients and other materials, the profitability of the Company may be impacted. However, the Company constantly looks at margin improvement and risk mitigation initiatives through specific projects.

**d) RISKS & CONCERNS**

The Company faces some challenges which are inherent to the business operations. However, after sustained efforts over the years, the Company has successfully devised ways to effectively mitigate them and in turn minimise the adverse impact of such risks. Few of the risk company faces have been listed below:

1. Pricing pressure amid intense competition in the Pharmaceutical industry across the globe.
2. Limited discovery of new molecule.
3. The Company is also exposed to risks like cyber security failures, counterfeit drugs, adverse orders passed by courts in pricing, tax and other litigations, etc.

**e) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

Your Company developed necessary Manuals / Standard Operating Procedures (SOPs) for effectively implementing the Internal Financial Control System. Accordingly, various Accounting and Reporting Policies have also been developed and implemented. Internal Audits are regularly conducted through In-house Audit Department. The Reports are periodically discussed internally. **INDEPENDENT AUDITORS' REPORT****TO THE MEMBERS OF JAGSONPAL PHARMACEUTICALS LIMITED**

Report on the Audit of the Indian Accounting Standards (Ind AS) Financial Statements

**Opinion**

We have audited the accompanying Ind AS financial statements of **Jagsonpal Pharmaceuticals Limited** (the Company), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), statement of cash flows and the statement for changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended (Ind As) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit, total Comprehensive Income, the changes in Equity, its cash flows, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

**Basis for opinion**

We conducted our audit in accordance with the Standards on Auditing specified under section 143 (10) of the Companies Act, 2013 (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Information other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance and take necessary action, as applicable under the relevant laws and regulations.

**Responsibility of Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with Companies (Indian

Accounting Standards) Rules, 2015, as amended, and other accounted principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

**Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. **Annexure - A to the Independent Auditors' Report**

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2022.

As per the books and records produced before us and as per the information and explanations given to us and based on such audit checks that we considered necessary and appropriate, we report that:

- i. (a) A. The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
  - B. The Company is maintaining proper record showing full particulars of Intangible assets.
- (b) The Property, Plant and Equipment and intangible assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of immovable properties as disclosed in Note 3 on Property, Plant and Equipment to the Ind AS financial statements, are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made there under.
- ii. (a). The Inventory except for goods in transit has been physically verified by the management at reasonable intervals during the year .In respect of inventory lying with third parties, to the extent, such inventories have not been physically verified by the management, such inventories have been substantially confirmed by the third parties. And in our opinion the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not material and less than 10% in the aggregate for each class of inventory and have been appropriately dealt with in the books of accounts.
- (b) The company has not been sanctioned working capital limits in excess of five crore Rupees in aggregate at any point of time

during the year from banks or financial Institutions on the basis of security of current assets of the company hence reporting under clause 3(ii)(b) of the Order is not applicable.

- iii. As per information and explanation give to us, the Company has not granted any loans or advances in the nature of loans secured or unsecured or stood guarantees or provided security to the companies, firms or Limited Liability partnerships. The Company has made investments in companies, firms, limited liability partnerships or any other parties during the year and the terms and conditions of the investments are, prima facie, not prejudicial to the interest of the Company. Reporting under sub clause a and c to f of clause 3(iii) of the Order is not applicable.
- iv. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security as specified under Section 185 of the Companies Act, 2013 (the Act) and the Company has not provided any security as specified under Section 186 of the Act. Further, in our opinion, the Company has complied with the provisions of Section 186 of the Act in relation to investments made.
- v. The Company has not accepted any deposits or amount deemed to be deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Hence reporting under clause 3(v) of the Order is not applicable.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including Goods and Service Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, customs duty, excise duty, value added tax, Goods and Service Tax, cess and other material Statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of Goods and Service Tax , provident fund, employees' state insurance, income tax, sales tax, Service tax, customs duty ,excise duty ,value added tax cess and other material statutory dues were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable. The following statutory dues have not been deposited on account of dispute:

- viii. According to the information and explanations given to us and the records of the Company examined by us, no unrecorded transactions in the books of accounts were found which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Hence reporting under clause 3(viii) of the Order is not applicable.
- ix. The Company has not taken any fund or loans or other borrowings from any lender.  
Hence reporting under clause 3(ix) of the Order is not applicable.
- x. a). The Company has not raised any moneys by way of initial public offer or further Public offer (including debt instruments). Accordingly reporting under Clause 3(x)(a) of the Order is not applicable.  
(b). The Company has not made any preferential allotment or private placement of  
Shares or fully or partly convertible debentures during the year under review. Accordingly reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been Informed of any such case by the Management.  
(b) No report under sub-Section (12) of Section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government during the year and up to the date of the audit.  
(c). According to the information and explanations given to us, we have not come across any instance of any whistle-blower complaints received during the year by the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, reporting under Clause 3(xii) of the Order is not applicable.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Ind AS financial statements as required under Indian Accounting Standard (Ind AS) Note 37, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- xiv. (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.  
(b) We have considered the internal audit reports of the Company issued till date for the period under audit.

**Annexure - B to the Independent Auditors' Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the Act)**

(Referred to in paragraph 1(f) under Report on Other Legal and Regulatory Requirements' section of our report to the members of Jagsonpal Pharmaceuticals Limited of even date)

We have audited the internal financial controls over financial reporting of Jagsonpal Pharmaceuticals Limited (the Company) as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1. Company Overview**

Jagsonpal Pharmaceuticals Limited (the Company) is a domestic public company headquartered in Delhi, India. It is incorporated under the Companies Act, 1956 and its shares are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). The Company is primarily engaged in the manufacturing and trading of pharmaceutical products and APIs. The Company has operations in India and caters to both domestic and international markets.

**2. Significant Accounting Policies****A. Basis of Preparation of Financial Statements**

The financial statements comply in all material aspects with India Accounting Standards (Ind AS) notified u/s 133 of the Companies Act, 2013 (the Act) (Companies (Indian Accounting Standards) Rules, 2015, as amended) and other relevant provisions of the Act. The financial statements are prepared under the historical cost convention, except for certain fixed assets which are revalued, in accordance with the generally accepted accounting principles in India and the provisions of the Companies Act, 2013.

**B. Use of Estimates**

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/ materialised.

**C. Fixed Assets**

The Company has elected to continue with the carrying value of all of its property, plant and equipment measured as per the previous GAPP (Indian GAPP) and use that carrying value as the deemed cost of the property, plant and equipment.

**D. Capital Work in Progress**

There is no Capital Work in Progress held by the company during the year.

Intangible Assets are stated at cost of acquisition and development.

**E. Depreciation and Amortisation**

Depreciation on fixed assets is provided as per schedule II of the Companies Act, 2013. Land is not amortised.

**F. Impairment of Assets**

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. The company has elected to continue with the carrying value of all of its assets measured as per the previous GAPP ( Indian GAPP) and use that carrying value as the deemed cost of the assets.

**G. Foreign Currency Transactions**

(a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.

(b) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

(c) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

**H. Investments**

Long Term Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary. Short term investments are stated at fair market value.

**I. Inventories**

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, process chemicals, packing materials, trading and other products are determined on weighted average basis.

**J. Revenue Recognition**

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods adjusted for discounts (net), goods returned and breakages and expiry. Dividend income is recognized when received. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

**K. Duties and taxes**

Duties and taxes are accounted for in the books of accounts as per the prevailing law for the time being in force.

#### **L. Employee Benefits**

The company participates in various employee benefit plans. Post employment benefits are classified as either defined contribution plans or defined benefits plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provide service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the company. The present value of the defined benefit obligation is calculated using the projected unit credit method. The company has the following benefit plans :

(i) Short-term employee benefits In the form of Contributions to Provident fund which are recognised as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.

(ii) Post employment and other long term employee benefits like Gratuity and Leave Encashment are recognised as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Profit and Loss account as comprehensive income/loss.

#### **M. Borrowing Costs**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

#### **N. Provision for Current and Deferred Tax**

a) Income Tax comprises current and deferred tax. Income tax expense is recognised in the statement of profit and loss except to the extent it related to items directly recognised in equity or in other comprehensive income. Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961.

b) Deferred income tax is recognised using the balance sheet approach from this year as compared to profit and loss approach in earlier. The impact of change in accounting policy has been recognised in profit and loss account (Refer note no.9). Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements using the the tax rates and laws that are enacted or substantively enacted as on the balance sheet date.

#### **O. Provisions, Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

<b>Deferred tax Liability recognised (net) (C = A-B)</b>	<b>218.74</b>	<b>185.86</b>

The movement in net deferred tax liability has been recorded through statement of profit and loss.

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

In assessing the realisability of deferred tax assets, management considers whether it is probable, that some portion, or all, of the deferred tax assets will not be realised. The ultimate realisation of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable incomes over the periods in which the deferred tax assets are deductible, management believes that it is probable that the Company will be able to realise the benefits of those deductible differences in future and vice-versa.

### 38. Segment information

In accordance with Indian Accounting Standard (Ind AS) 108 on Operating segments, company has identified pharmaceutical business as its primary segment and its information has been given in the standalone financial statements of the Company, and therefore no separate disclosure on segment information is given in these financial statements.

**39. Significant accounting judgements, estimates and assumptions**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

**(a) Determination of functional currency**

The determination of functional currency often requires significant judgement where the primary economic environment in which they operate may not be clear. In determining the functional currency, judgement is required to determine the currency that mainly reflects the economic substance of the underlying economic event.

**(b) Determining the lease term of contracts with renewal and termination options - the Company as lessee**

The Company determines the lease term as the non - cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate.

**(c) Taxes**

The Company based on its business plan along with supporting convincing evidence including future projections of profit believes that the used tax credits would be utilised within the stipulated time period as per the Income Tax Act, 1961.

**Estimates and assumptions****(a) Impairment of non-financial assets**

The carrying amounts of the Company's non-financial assets are reviewed for impairment at each balance sheet date if there is any indication of impairment based on internal and external factors. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit (CGU) is the greater of the assets value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset.

For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets ('CGU').

Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments.

**(b) Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk volatility and discount rates. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See note 42 for further disclosures.

**(c) Useful life of property, plant and equipment and intangible assets**

The carrying value of property, plant and equipment and intangible assets is arrived at by depreciating the assets over the useful life of assets. The management believes that the useful lives currently used fairly reflect its estimate of the useful lives and residual values. The estimate of useful life is reviewed at the end of each financial year and changes are accounted for prospectively.

**(d) Defined benefit plans**

The cost of the defined gratuity plan along with their present values are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from the actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates. Further details about gratuity obligations are given in Note 37.

**(e) Taxes**

In assessing the realisability of deferred tax assets, management considers whether it is probable, that some portion, or all, of the deferred tax assets will not be realised. The ultimate realisation of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable incomes over the periods in which the deferred tax assets are deductible, management believes that it is probable that the Company will be able to realise the benefits of those deductible differences in future.

**(f) Provisions and contingencies**

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS. A provision is recognised, if as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provisions are determined by discounting the expected future cash flows.

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. There are certain obligations which the management has concluded, based on all available facts and circumstances, are not probable of payment and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Refer note 35 (c).

**(g) Leases - Estimating the incremental borrowing rate**

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The IBR therefore reflects what the Company 'would have to pay', which requires estimation when no observable rates are available or when they need to be adjusted to reflect the terms and conditions of the lease. The Company estimates the IBR using observable inputs (such as market interest rates) when available. Currently this is not applicable as the company does not have any long term lease agreements

**Fair values**

The management assessed that investments, cash and cash equivalents, other bank balances, trade receivables, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

**41. Financial risk management objectives and policies**

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Company is exposed primarily to market risk, credit risk and liquidity risk. The Company's risk management assessment and policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies.

**(a) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, prices, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk and interest rate risk.

**(i) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates because it borrows funds at both fixed and floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

As the Company has no significant interest bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates.

**(i) Price risk**

The Company is mainly exposed to the price risk due to its investment in mutual funds. The price risk arises due to uncertainties about the future market values of these investments. The Company has diversified its investments to manage the price risk.

**(b) Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals of credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, investments, derivative financial instruments, cash and cash equivalents, loans and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk.

**Trade receivables and other financial assets:**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, the management also evaluates the factors that may influence the credit risk of its customer base, including the default risk and country in which the customers operate. The management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if available, financial statements, credit agency information, industry information and in some cases bank references.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The Company assesses at each reporting date whether a financial asset or a group of financial assets is impaired. The maximum exposure to credit risk at the reporting date is the carrying value of trade and other receivables.

Concentration of credit risk with respect to trade receivables is limited, since the majority of the Company's revenue is generated from group companies. All trade receivables other than from group companies are reviewed and assessed for default on a regular basis. The Company's receivables turnover is quick and historically, there was no significant default on account of trade and other receivables.

**(c) Liquidity risk**

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

It is not expected that the cash flows included in the maturity analysis could occur at significantly different amounts.

**42. Capital management**

The Company's objective when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth and maximise the shareholders value. The funding requirements are met through a mixture of equity, internal fund generation and borrowed funds. The Company monitors capital on the basis of the gearing ratio, which is net debt divided by total capital plus net debt.

**45. Impact of COVID-19 and Ukraine Russia War on the Company - Management Views:**

COVID-19 has been declared a global pandemic by the World Health Organization with adverse impact on economy and business. However, this has not significantly impacted the operations of the Company as the operations of the Company are of essential goods and sale of these goods were exempt from the purview of any restrictions.

The company does not prognosticate any impact of Ukraine Russia War. However, there may be long term impacts like increase in fuel prices, plastic chemicals, air freight etc which would resemble the Indian Economy.

Further, the Company has assessed the possible effects that may result from COVID-19/ Ukraine Russia War on the carrying amounts of financial assets, advances, property plant and equipment, inventory etc. as well as liabilities accrued. Based on such assessment, the management expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. Further, as on the signing of these financial statements, based on the above facts, the management is confident that there will not be any negative impact of Covid-19 in its business and operations.

**46. Events after the reporting period**

There are no significant events that occurred after the reporting period.

**47. Long- term contracts**

The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

**48. Balance Confirmations**

i. Interest Income has been accounted for based upon the certificate issued by the banker.

ii. The balances in parties accounts as at 31st March 2022 are subject to confirmation/ reconciliation in some of the cases. Adjustments, if any, upon due recociliation thereof is proposed

to be accounted for in future. The management ,however, is of the view that the impact of adjustment entries ,if any, would not be significant.

**49. Inventories**

Inventories as at 31st March 2022 were taken and certified by the management.

50. Previous years figures have been rearranged/ regrouped wherever necessary to make them comparable with that of current period figures.
