#### INDEPENDENT AUDITOR'S REPORT

To the Members of

M/s. ADVANCE SYNTEX LIMITED.

Report on the Financial Statements

#### Qualified Opinion

We have audited the financial statements of ADVANCE SYNTEX LIMITED, which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss (including Other Comprehensive Income), Statement of Chang in Equity, Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effect of the matter described in the basis of qualified opinion section of our report, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS specified under section 133 of the act read with the companies (Accounting Standards) Rules, 2006, as amended (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its loss and other comprehensive income/loss, change in equity and cash flow for the year ended on that date.

#### Basis for Qualified Opinion

a) Refer to Note No 2(j) of the annual financial statements, the company has defaulted in repayment of loans and interest to the banks and other financial institutions during the year and such banks or financial institutions have categorised dues form the company as a Non-performing Assets. Consequently, the company has not recognized interest expense on borrowing from such banks and other financial institutions. We are unable to comment on amount of interest as exact information is not available.

As a result, finance cost, liabilities on account of interest and total comprehensive loss are understated.

b) Refer to Note No 2(t) (iv) of the audited annual financial results with regard to excess or short provision of gratuity has not been worked out by the company.

As a result, the gratuity expenses, liabilities on account of provision for gratuity and total comprehensive loss are understated.

#### c) We draw your attention below:

- L. The company has continued to incur losses resulting in reduction in Networth, and severe Liquidity Constraints; Some Banks or financial institutions have recalled their loans.
- That the Company cannot be categorised as a Going Concern in view of the accounting standards generally accepted in India.
- iii. The Axis Bank has taken over the possession of Factory Land and Building, Machinery, Stock etc. of the company according to the order of Hon. Chief Judicial Magistrate, Vadodara under the provisions of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, the company's manufacturing activity has been closed from the month of July, 2023
- iv. The accounts of trade receivable, trade payables and advances are subject to reconciliation /confirmation. In many cases recovery from debtors and realisation of advances is doubtful. Impairment with respect to such receivables / advances has not been made by the company. As per IND AS 109 Expected Credit Loss, Management required to make 100% provision for non recoverable trade receivables. However the management has provided only ₹ 5.29 crore.
- v. The inventory consists of many slow-moving items which is resulted to cash liquidity problem to the company. The Axis Bank has taken over the possession of Stock of the company
- vi. Majority of the lenders of the Company have not charged interest on outstanding loan dues, since the dues from the Company were categorised as a Non-performing Asset with certain Banks and financial institutions during the year. Accordingly, the Company has not provided for accrued interest on outstanding Loans of such Banks and financial institutions for the full year ended on 31" March, 2024 and we are unable to quantify the amount of interest to be provided on such borrowing due to non-availability of confirmation of balances form such banks and other financial institutions.
- vii. The NBFC has taken over the possession of property held by one of the guarantor which was given as security against the loan granted to the company. The NBFC has issued notice for sale of immovable properties under SARFAESI ACT 2002 and Rules made there under for sale/ auction of the properties on 16th Juner,2023. The Management is in process to receive details of properties if any sold under the same.

to provide a basis for our audit opinion on the financial statement. We have obtained is sufficient and appropriate to provide a basis for our spanished opinion.

#### Kry Audit Matters

These matters were addressed in the custost of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters as all key audit matters already mentioned in basis of qualified opinion.

#### Other Matters

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure(s) to Board's Report, but does not include the Financial Statements and our auditor's report thereos. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to report that fact. We have nothing to report in this regard.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. ## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud orientor, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error,
  as fraud may involve collusion, forgery, intentional omissions, misrepreservations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events
  in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with these charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the

adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
