## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **1. OVERALL REVIEW**

India is now the fastest growing, major economy in the world. The First Advance Estimates of National Income released by the National Statistical Office (NSO) of the Government of India on 29<sup>th</sup> February, 2024 (source: <https://static.pib.gov.in/WriteReadData/specificdocs/documents/2024/feb/doc2024229315601.pdf>), Real GDP or GDP at Constant (2011-12) Prices in the year 2023-24 is estimated to attain a level of ₹172.90 lakh crore, against the FRE of GDP for the year 2022-23 of ₹160.71 lakh crore. The growth rate of GDP during 2023-24 is estimated at 7.6 percent as compared to growth rate of 7.0 percent in 2022-23. The growth rates of Primary sector (comprising Agriculture, Livestock, Forestry, Fishing and Mining & Quarrying), Secondary sector (comprising Manufacturing, Electricity, Gas, Water Supply & Other Utility Services, and Construction) and Tertiary sector (Services) have been estimated as 4.4 per cent, 2.1 per cent and 10.0 per cent respectively in 2022-23 as against growth rates of 4.8 per cent, 12.7 per cent and 9.2 per cent respectively in the previous years. The growth in real GVA during 2022-23 is on account of growth in 'Electricity, Gas, Water Supply & Other Utility Services', 'Construction', 'Trade, repair, Hotels and Restaurants', 'Transport, Storage and Communication & Services related to Broadcasting', 'Financial Services', 'Real Estate, Ownership of Dwelling & Professional Services' and 'Other services' as may be seen from Statement 4.2B. However, 'Agriculture, Livestock, Forestry and Fishing', 'Mining and Quarrying' and 'Public Administration and Defence' have witnessed modest growth, and 'Manufacturing' sector has slightly contracted, during this period. Apart from GDP estimates, other indicators tracking the performance of the economy also point towards growth resilience. Leading indicators suggest an upturn in global economic activity. The JP Morgan global composite Purchasing Managers' Index (PMI)<sup>9</sup> registered an uptick since October 2023 with quicker expansion across both manufacturing and service sectors. The JP Morgan global manufacturing PMI has been improving and stood at a 23-month high in May 2024. Concerns regarding geopolitical conflicts, high borrowing costs and global economic fracturing were also reflected in weakening FDI flows. Global FDI flows declined in 2023 compared to 2022. Gross Value Added (GVA) of the services sector is yet to reach the level projected by the pre-pandemic trend. The granular data available until FY23 reveals that this is on account of the trade, hotel, road and air transport sectors. These sectors, taken together, contributed about 28.5 per cent to total real GVA in FY23 and were only one per cent above their levels in FY20. The stark difference in the economic performance of countries has been on account of domestic structural issues, uneven exposure to geopolitical conflicts and the impact of monetary policy tightening. The economic shocks resulting from the Russia-Ukraine conflict had an outsized impact on Europe, leading to subdued growth in large countries like Germany and France. The US also faced high inflationary pressures and consequently raised the policy rates substantially. The escalation of the Red Sea crisis amid heightened geopolitical tensions in the Middle East in October 2023 led to supply chain disruptions, sending ripples to global trade and operations. (Source: <https://www.indiabudget.gov.in/economicsurvey/doc/eschapter/echap01.pdf>).

Indian Economic Survey (2023-24) indicate Infrastructure as- Lifting Potential Growth in the economy. On the upside are factors such as a short-term fiscal boost as many countries go to elections in 2024, faster monetary policy easing, and increase in productivity from technologies such as artificial intelligence. (Source: IMF - World Economic Outlook, April 2024). The World Bank's 'Global Economic Prospects' report of January 2024 was more conservative in its estimates, putting the global real GDP growth at 2.6% for 2023, and growth forecasts at 2.4% and 2.7% for 2024 and 2025, respectively. However, the RBI has highlighted the risk of headwinds from geopolitical tensions, volatility in international financial markets, geoeconomic fragmentation, rising Red Sea disruptions and extreme weather events. Considering all these factors, the RBI has projected real GDP growth for FY 2024-25 at 7.0%. (Source: RBI Monetary policy statement, 2024-25)

According to the first UNWTO World Tourism Barometer of the year, international tourism ended 2023 at 88% of pre-pandemic levels, with an estimated 1.3 billion international arrivals. The unleashing of remaining pent-up demand, increased air connectivity, and a stronger recovery of Asian markets and destinations, are expected to underpin a full recovery by the end of 2024. The latest UNWTO data also highlights the economic impact of recovery. International tourism receipts reached USD 1.4 trillion in 2023 according to preliminary estimates, about 93% of the USD 1.5 trillion earned by destinations in 2019. Total export revenues from tourism (including passenger transport) are estimated at USD 1.6 trillion in 2023, almost 95% of the USD 1.7 trillion recorded in 2019. Preliminary estimates on the economic contribution of tourism, measured in tourism direct gross domestic product (TDGDP) point to USD 3.3 trillion in 2023, or 3% of global GDP. This indicates a recovery of pre-pandemic TDGDP driven by strong domestic and international tourism. (Source: <https://www.unwto.org/>)

## 2. SECTOR OUTLOOK IN INDIA

India's travel industry is on a strong upswing, with outbound tourism numbers poised to exceed 30 million in 2024 compared with 273 million in 2023 and 269 million in 2019, fuelled by a combination of factors including the easing of COVID-19 restrictions, rising disposable incomes, and government initiatives to boost tourism, according to a CRISIL Ratings report.

The World Economic Forum (WEF) recently released its Travel and Tourism Development Index (TTDI) for 2024, offering a comprehensive evaluation of India's standing in the global tourism landscape. India has secured the 39<sup>th</sup> position among 119 countries in the 2024 TTDI. This ranking reflects India's overall performance across various indicators that contribute to a robust and sustainable tourism sector. In the previous index published in 2021, India was ranked 54<sup>th</sup>. This significant jump of 15 places in just three years demonstrates substantial improvements in India's tourism ecosystem.

## 3. GOVERNMENT INITIATIVES

Under CSSS, the Ministry of Tourism reimburses the Ministry of Civil Aviation for expenses related to the UDAN (Ude Desh ka Aam Nagrik) Regional Connectivity Scheme. **Financial Commitment:** To date, a substantial sum of ₹ 226 Crore has been reimbursed. This significant financial support underscores the government's recognition of air connectivity as a crucial factor in tourism development. **Impact on Tourism:** By supporting the UDAN scheme, the ministry is indirectly contributing to improved air connectivity to smaller cities and towns, thereby opening up new tourism destinations and dispersing tourist traffic beyond major cities. The Prime Minister Mr. Narendra Modi inaugurates and unveils 52 tourism sector projects valued at over ₹ 1400 crore (US\$ 168.5 million) under the Swadesh Darshan and PRASHAD Scheme. Ministry of Tourism has partnered with the Quality Council of India (QCI), to assist the Hospitality Industry in their preparedness to continue operations safely and mitigate risks arising out of the COVID-19 pandemic through an initiative called SAATHI (System for Assessment, Awareness and Training for Hospitality Industry). A hotel/unit goes through the SAATHI framework and agrees to fully follow the requirements wherever applicable possible, and a self-certification is issued. Self-certified Hotel/units attend webinars to clarify doubts through live interactions. If Hotel/unit desires, they may undertake site-assessment based on SAATHI framework through QCI accredited agencies and an assessment report with opportunities for improvement is shared with the assessed unit. Under this Loan Guarantee Scheme for Covid Affected Tourism Service Sector (LGSCATSS), loan up to US\$ 12,110 will be extended to each Tour Operators/ Travel Agents/ Tourist

Transport Operators approved/recognized by the Ministry of Tourism. Guarantees for Skill Development Loans by the member banks of IBA up to ₹ 1.5 lakh (US\$ 1,801) extended by lending institutions to eligible borrowers without collateral or third-party guarantee. Visa reforms include a significantly expanded Golden Visa scheme, a five-year Green residency and new entry permits, including one for job seekers. The new system also offers additional benefits to sponsor family members. Till the end of September 2022, a total of 155 Dekho Apna Desh webinars have been organized by Ministry of Tourism. The Ministry of Tourism has launched the National Strategy for Sustainable Tourism and Responsible Traveller Campaign in June 2022. The ministry has also signed a MoU with Easy My Trip, Clear trip, Yatra.com, Make My Trip and Goibibo. In November 2021, the Indian government planned a conference to boost film tourism in the country with an aim to establish domestic spots as preferred filming destinations. This move is expected to create jobs and boost tourism in the country. In September 2021, the government launched NIDHI 2.0 (National Integrated Database of Hospitality Industry) scheme which will maintain a database of hospitality sector components such as accommodation units, travel agents, tour operators, & others. NIDHI 2.0 will facilitate the digitalisation of the tourism sector by encouraging all hotels to register themselves on the platform. The PM Gati Shakti master plan for expressways will facilitate speedier implementation of development projects under the National Infrastructure Pipeline through the use of technology to facilitate faster movement of people and goods, seamless multimodal connectivity, economic transformation, and logistical synergy. The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the “Act”) with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act and relevant rules there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company’s financial reporting process.

### **Auditor’s Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for

expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **“ANNEXURE B” TO AUDITOR’S REPORT**

(Referred to in paragraph 2(F) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Royale Manor Hotels and Industries Limited of even date) Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

### **Opinion**

We have audited the internal financial controls over financial reporting of “Royale Manor Hotels and Industries Limited (the “Company”) as of 31<sup>st</sup> March, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial with reference to standalone financial statements.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
