SECRETARIAL AUDIT REPORT

For Financial Year ended 31st March, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
Members of
Hardcastle And Waud Mfg Co. Limited,

I have conducted Secretarial Audit of compliance of applicable statutory provisions and adherence to good corporate practices by Hardcastle And Waud Mfg Co. Limited (hereinafter called 'the Company'). The audit was conducted in a manner that provided me reasonable basis for evaluating the corporate conduct and statutory compliances of the Company and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by it and also the information provided by the Company, its officers, during conduct of the audit, I hereby report that in my opinion, the Company has, during the financial year ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020 according to provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
- iii. The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
- iv. The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) SEBI (Prohibition of Insider Trading) Regulations, 2015;
 - (c) SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993; and
 - (d) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).

I further report that there were no events / actions covered by:

- a) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- b) SEBI (Share Based Employee Benefits) Regulations, 2014;
- c) SEBI (Issue and Listing of Debt Securities) Regulations, 2008;
- d) SEBI (Delisting of Equity Shares) Regulations, 2009; and
- e) SEBI (Buyback of Securities) Regulations, 2018;

requiring compliance thereof by the Company during the Audit period.

vi. Other Applicable Laws:

- a. The Maharashtra Stamp Act, 1958;
- b. Bombay Shops and Establishments Act, 1948;
- c. Factories Act, 1948; and
- d. Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and all other applicable laws for the time being.

I have also examined compliance with applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with the BSE Ltd.

During the year under review the Company has complied with provisions of the Acts, Rules, Regulations, Standards, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. No changes in the composition of the Board of Directors took place during the year under review.

Adequate notice is given to all directors to schedule board meetings and agenda thereof are sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before meetings and for meaningful participation at the meetings.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors and Committee(s) of the Board.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations, standards etc.

I further report that during the audit period there were no specific events / actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

I further report that, compliance by the Company of applicable laws like direct and indirect tax laws etc and maintenance of financial records and books of accounts has not been reviewed in this Audit since the same have been subject to review by Statutory financial audit and other designated professionals.

Independent Auditor's Report**To Members****Hardcastle and Waud Manufacturing Company Limited,****Report on the Indian Accounting Standards ("Ind AS") Financial Statements****Opinion**

We have audited the accompanying Ind AS financial statements of Hardcastle and Waud Manufacturing Company Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, the Profit and total comprehensive loss, changes in equity and its cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Valuation of Investments

<p>The Company's investment portfolio consists of Non Current investments.</p> <p>Total investment portfolio of the Company represents 42.64 per cent of the Company's total assets.</p> <p>Current Investments are stated at market value, determined on an individual investment basis. Long term investments are stated at cost less provision for diminution other than temporary in the value of these investments.</p> <p>In respect of the portfolio of quoted investments we do not consider these investments to be at a high risk of significant misstatement, or to be subject to a significant level of judgement because they comprise liquid, quoted investments. However, due to their materiality in the context of the financial statements as a whole, they are considered to be one of the areas which had significant impact on our overall audit strategy.</p> <p>The portfolio of unquoted investments which includes equity shares and preference shares is 39.33 per cent of the Company's Total Assets. Valuation of unquoted investments involves judgement depending on the observability of the inputs into the valuation and further judgement in determining the appropriate valuation methodology where external pricing sources are either not readily available or are unreliable. Refer Note no. 4 to the Financial Statements and Note no. 1.17(v) of the significant accounting policies.</p>	<p>Our audit procedures for this area included:</p> <ul style="list-style-type: none"> • We assessed appropriateness of the pricing methodologies with reference to Company's accounting and valuation policy; • We have assessed the process and tested the operating effectiveness of the key controls, including the Company's review and approval of the estimates and assumptions used for the valuation including key authorization and data input controls; • For quoted investments, recalculated the valuations of investments with independent pricing sources; • For unquoted investments, we critically evaluated the valuation assessment and resulting conclusions in order to determine appropriateness of the valuations recorded with reference to the Company's valuation guidelines.
---	---

Investment Properties

<p>The Company's investment properties consist of premises.</p> <p>Total Investment properties of the Company represents 19.97 per cent of the Company's total assets.</p> <p>Investment properties are valued at cost as per Ind AS 40 .Refer Note no. 1.05 of Significant Accounting Policies and Note no. 3 to the Financial Statements.</p>	<p>Our audit procedures for this area included:</p> <ul style="list-style-type: none"> • We have verified whether each of the investment in properties are purchased to be held for capital appreciation or for earning rental income so as to classify it under investment properties. • We assessed the method of verification and valuation of properties to ensure its reasonableness in the circumstances relating to each asset.
---	--

Evaluation of uncertain Indirect Tax positions

<p>The company has pending litigation matters with various appellate authorities and at different forums.</p> <p>The Company has material uncertain tax positions including matters under dispute which involve significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Note 27.01 to the Financial Statements.</p>	<p>Our audit procedures for this area included:</p> <ul style="list-style-type: none"> • Obtained details of complete tax assessment and demands for the year ended March 31, 2020 from management. • We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. • Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. • Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2019 to evaluate whether any change was required to management's position on these uncertainties.
--	--

Emphasis of Matter

We draw attention to note 27.16 of the financial statements which describes the possible effect of uncertainties relating to COVID-19 pandemic on the Company's financial performance as assessed by the management. Our opinion is not modified in this matter.

Other Matters

Due to COVID-19 pandemic and the lockdown and other restrictions imposed by the Government and local administration, the audit processes were carried out based on the remote access to the extent available/feasible and necessary records made available by the management through digital medium.

Other Information

The Company's Board of Directors is responsible for preparation of the other information. Other information comprises the information included in the Management Discussion and Analysis of the Board's Report including Annexures thereto to Corporate Governance and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with provisions of the Act for safeguarding assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were

operating effectively for ensuring accuracy and completeness of the accounting records relevant to preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material

uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure "A" hereto a statement on the matters specified in paragraph 3 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

- e) On the basis of written representations received from the directors as on 31st March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020, from being appointed as a director in terms of section 164 (2) of the Act;
- f) With respect to adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- g) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year

- h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements -Refer Note no. 27.01 of Ind As Financial Statements.
 - ii. The Company does not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure – “B” to Auditor’s Report**Report on Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

We have audited the internal financial controls over financial reporting of Hardcastle and Waud Manufacturing Company Limited (“the Company”) as of 31st March, 2020 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring orderly and efficient conduct of its business, including adherence to Company’s policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records, and timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such control operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including assessment of the risks of material misstatement of the IndAS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding reliability of financial reporting and preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of inherent limitations of internal financial controls over financial reporting, including possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1. Corporate Information

Hardcastle And Waud Mfg Co. Limited is a Public limited company incorporated under the Companies Act 1913, having its registered office at Kalyan. Its shares are listed on BSE Limited. The company is engaged in trading of Industrial Chemicals, Investments and Leasing activity.

1.A SIGNIFICANT ACCOUNTING POLICIES :**1.01 Basis of accounting and preparation of financial statements**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013 ("the Act") read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

The financial statements have been prepared on a historical cost basis, except certain financial assets and liabilities which have been measured at fair value.

1.02 Current & Non-current Classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in Schedule III to the Act.

1.03 Use of Estimates

The estimates and judgments used in preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialized. The said estimates are based on facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

1.04 Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using straight line method at useful lives specified in Schedule II of the Act, pro rata from date of acquisition.

1.05 Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, carrying amount of the replaced part is derecognised.

Depreciation methods, estimated useful lives and residual value

Investment properties are depreciated using straight-line method so as to write off cost of the investment property less their residual values over their useful lives specified in Schedule II of the Act, pro rata from the respective date of acquisition.

1.06 Capital work in progress and Capital advances:

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.

1.07 Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in Statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Borrowing costs attributable to acquisition or construction of a qualifying asset are capitalized as part of cost of that asset. Other borrowing costs are recognized as expense in the period in which these are incurred.

1.08 Impairment of Assets

At each balance sheet date, management reviews the carrying amounts of assets included in each cash generating unit to determine whether there is any indication that the assets were impaired. If any such indication exists, recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects current market assessment of time value of money and the risks specific to the asset. Reversal of impairment loss is recognized as income in the Statement of Profit and Loss.

1.09 Inventories

Raw materials, finished goods, stores, components and other consumables are valued at cost or net realisable value whichever is lower.

1.10 Foreign Currency Transactions

Income and expenses in foreign currencies are converted at exchange rates prevailing on the date of transaction.

Foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date.

Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit and Loss.

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1.11 Revenue Recognition

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Sale of Goods

Revenue from sale of Goods is recognized when the control on the goods have been transferred to the customer. Sales are shown net of Tax, returns and trade discounts.

Rendering of services

Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligation for the services rendered.

1.12 Employee Benefits

Short-term employee benefits based on actuarial valuation made at end of the year are recognised as expense at the undiscounted amount in the year in which the related service is rendered.

Post-employment employee benefits are recognised as expense in the year in which the employee has rendered services. The expense is recognised at present value of the amount payable determined using actuarial valuation techniques at end of the year. Actuarial gains and losses in respect of post employment benefits are charged to Statement of Profit and Loss. Re-measurement arising because of change in effect of asset ceiling is recognised in the period in which they occur directly in Other Comprehensive Income. Re-measurement is not reclassified to profit or loss in subsequent periods.

1.13 Taxation on Income

Tax on income for the current period is determined on the basis of taxable income and tax rates computed in accordance with the provisions of the Income Tax Act, 1961, and based on the expected outcome of assessments/appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are generally recognized for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation / business losses / losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available.

Measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

1.14 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with original maturities of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

1.15 Segment Reporting

The Company's chief operating decision making (CODM), examines the Company's performance from business perspective and has identified three reportable business segments viz. Industrial Chemicals, Leasing and Investing. Segment disclosures are consistent with the information provided to CODM which primarily uses operating profit/loss of the respective segments to assess their performance. CODM also periodically receives information about segment revenues and assets. The Company has disclosed Business Segments as the primary segment. Segments have been identified taking into account nature of the products & services, the differing risks and returns, the organisation structure and internal reporting system.

Segment policies:

The Company prepares its segment information in conformity with accounting policies adopted for preparing and presenting the financial statements for the Company as a whole.

1.16 Earnings per share

Basic Earnings per share is calculated by dividing net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period.

For purpose of calculating diluted earnings per share, net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.17 Financial instruments**Financial assets**

(i) Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

(ii) Subsequent measurement

Financial assets are subsequently classified and measured at

- amortised cost,
- fair value through profit and loss (FVTPL), and
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

(iii) Trade Receivables and Loans

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through expected life of a financial instrument.

(iv) Debt Instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the Company's business model for managing financial assets and (ii) contractual cash flow characteristics of the financial asset.

(a) Measurement of amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. Amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss.

(b) Measurement of fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any, are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'Other Income' in the Statement of Profit and Loss.

(c) Measurement at fair value through profit or loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income, if any, recognised as 'Other Income' in the Statement of Profit and Loss.

(v) Equity Instruments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes election at FVOCI basis. Fair value changes excluding dividends, on equity instruments measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on investments in equity instruments are recognised as 'other income' in Statement of Profit and Loss.

(vi) Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

(vii) Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12-month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss.

Financial Liabilities

(i) Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to contractual provisions of an instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

(ii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

1.18 Provisions

A provision is recognised for a present obligation as a result of past event; if it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimated amount required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current best estimates.

1.19 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1.20 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the underlying asset to the condition required by the terms and conditions of the lease, or restoring the site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised insubstance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Company as a lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. To classify each lease, the Company makes an overall assessment of whether the lease transfers substantially all of the risks and awards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not then it is an operating lease. The Company recognises lease payments received under operating leases as income on a straight- line basis over the lease term.

Transition to Ind AS 116

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 - Leases which replaces the existing lease standard, Ind AS 17, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases, retrospectively. Since all the Contracts of Lease entered into by the Company are less than 12 months, therefore there is no impact of the transition to Ind AS 116 and the Company meets the disclosure requirement as specified in the Ind AS.

In the previous year under Ind AS 17, Rental expenses pertaining to properties taken on operating leases were generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases were recognised in the year in which such benefits accrue.

The Fair value of cash and cash equivalents, other bank balances, trade receivables, trade payables approximated their carrying value largely due to short term maturities of these instruments.

2.Measurement of fair values

The Company uses the following hierarchy for determining and disclosing fair values of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: techniques which use inputs that have a significant effect on the recorded fair values that are not based on observable market data.

The following table shows the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Type	Valuation technique
Preference Shares	Discounted cash flows: The valuation model considers the present value of expected receipt/payment discounted using appropriate discounting rates.
Unquoted Equity Investments	As the fair value in respect of unquoted equity investment in some unquoted investment investee Company could not be reliably estimated, the Company has valued such investment at net asset value as per the latest audited financial statements available

27.11 FINANCIAL RISK MANAGEMENT

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the Company's risk management, if any.

(a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's Receivables from customers and investment securities.

Trade Receivables

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. In respect of trade receivables, the Company is not exposed to any significant credit risk exposure to any single counter party or any group of counterparties having similar characteristics. Based on historical information about customer default rates management considers credit quality of trade receivables.

HARDCASTLE AND WAUD MANUFACTURING COMPANY LIMITED
NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has not obtained any fund and non-fund based working capital limits from banks.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude impact of netting agreements.
