### NOTES:

- 1. The statement of unaudited financial results for the quarter and half year ended 30 September 2008 has been prepared following the same accounting policies as were followed in the annual financial statements for the year ended 31 March 2008.
- 2. In accordance with the restructuring programme announced in the previous year, the Company, in the current quarter, has decided to shift the factory from Rudrapur to Greater Noida w.e.f. 25 August 2008 & all the employees of Rudrapur Factory were transferred to Greater Noida Factory. Accordingly, for shifting, the production has stopped with effect from that date. There have been some industrial relations disturbances due to this, which are in the process of being sorted out, pursuant to which the process of shifting will commence.

The Company expects to incur substantial costs in this restructuring process. However, in view of the above industrial relation disturbances, currently majority of these expenses do not meet the criteria stipulated in Accounting Standard (AS) 29 'Provisions, Contingent Liabilities and Contingent Assets' and have not been provided for. These expenses will be provided for as and when these meet the criteria laid down in AS 29. The expenses, incurred by the Company till date and meeting the AS 29 criteria are included under 'Exceptional items'.

- 3. The figures for the previous period(s) / year have been re-grouped / recast, wherever necessary to make them comparable.
- 4. No investor complaint was pending at the beginning of the quarter. During the quarter one investor complaint was received. The complaint was resolved and no compliant was pending as on September 30, 2008.
- 5. The above results were placed and taken on record in the meeting of Board of Directors of the Company held on 31 October 2008.

#### Notes:

- The segments have been identified in line with Accounting Standard (AS) 17 'Segment Reporting', taking into account the risks and return, organisation structure and internal reporting system.
- 2) Segment Revenue comprises income from sales and services which are directly identifiable to the individual segments. Segment results and capital employed includes amounts directly identifiable to each of the segments and which can be allocated on a reasonable basis. Unallocable income includes interest income on deposits, write back of liabilities and export benefits. Unallocable expenditure includes corporate expenditure which is not identifiable to any of the segments. Unallocated capital employed includes assets and liabilities which are not specifically allocable to individual segments.
- 3) The segment revenues, results and capital employed for the quarter and half year ended 30 September 2008 have been subjected to a limited review. Figures for the corresponding periods of the previous year have neither been reviewed nor audited.
