**New Appointment**

TRF Limited, a pioneer in solutions for bulk material handling/processing systems and equipments, port and yard equipments, announced today the appointment of Mr. Hemant C. Kharkar, as Chief operating officer.

Mr. Kharkar's appointment as COO comes at an opportune time when TRF has launched its vision 2013.

Mr. Kharkar is a B.E. (Metallurgy) from VRCE, Nagpur and also completed PGDBM from XLRI. He has worked in various capacities in Tata steel over a span of 30 years. In recent times he had executed the CRM Project at Jamshedpur as Chief ( Technology & Operations) and was appointed as Chief (CRM) in 2001. In the year 2005 he became Chief (Coke, Sinter & Iron) and in April 2006, was elevated to position of Vice President (CSI & TQM). Thereafter he moved to Tata steel, Mumbai as Vice President in March 2008.
