The Board of Directors of Noida Toll Bridge Company Limited (NTBCL) has approved the Company's audited results for the quarter and half year ended September 30, 2010, today.

NTBCL has reported a PBT of Rs. 196.91 million for the half year ended September 30, 2010 as against Rs. 168.20 million in the corresponding last half year. The increase in PBT is largely attributed to overall reduction in expenditure. However, the profit after tax for the half year has been Rs. 171.46 million compared to Rs. 119.73 million for the corresponding last half year. The increase in PAT is due to recognition of MAT credit in accordance with provision of Income Tax Act, 1951 and Guidance note issued thereon by the Institute of Chartered Accountants of India.
