With the consent of the Shareholders present, the Notice of the 84th Annual General Meeting dated 24 May 2011, circulated to the shareholders, was taken as read.

The Chairman proceeded to take up the business items in the order of the notice.

1. Item No.1 of Notice: To consider and adopt the Balance Sheet as at 31st March 2011 and Profit and Loss account for the year ended on that date and the Report of the Board of Directors and Auditors thereon.

When called upon by Chairman and in compliance with Section 230 of the Companies Act, 1956, Mr. Ravindran K Warriar, Company Secretary read out the Auditors' report for the year ended 31 March 2011.

The Chairman invited the shareholders to raise their queries, if any.

Shareholders who spoke complimented the Bank and its Management for the improvement in all the key parameters compared to the previous year. Shareholders appreciated the performance during the year, in particular growth and congratulated all Directors, Management, Officers and Staff of the Bank. They expressed their satisfaction on the growth of total deposits and advances of the Bank; which was far above the industry growth rate. One of the Shareholders suggested increasing the advances on Gold and housing loans. Shareholders expressed their disappointment on declaration of only 5% dividend though the profit has increased compared to the previous year. One of the shareholders, Mr. T.S. Rajamany, levelled several allegations about what purported to have happened while he was in the service of the Bank. One of the shareholders advised to arrange some public convenience say like 'Comfort Stations' as a part of Corporate Social Responsibility. Another shareholder, who compared the profit with the previous year, mentioned that a higher amount has been transferred to other reserves, which could have been utilized for a higher amount of dividend. He added that share price has also come down. He said that the Bad debts written-off were doubled compared to the previous year and he wanted to know the reasons and steps taken to recover such bad debts. He concluded by saying that advances to Commercial Real estates should be disbursed with due care only. One of the shareholders informed the Bank to give advance to agricultural sector and cottage industries. He suggested that the Bank has to focus on International Banking Business and also increase our Bank's network in all States by opening new branches. Some of shareholders requested the management to consider a bonus or rights issue.

Thanking the shareholders for pouring encomiums on the performance of the Bank, Chairman answered their queries one by one.

In the case of advances, Chairman replied that the Bank has been steadily increasing the loan under housing and gold. He informed that NPAs have come down substantially even though the size of loan portfolio has grown substantially. Regarding dividend, Chairman suggested to the shareholders to be patient as the Bank has to conserve resources for expansion of the business. In regard to share price, Chairman replied that the uncertainty in the global economic scenario, in particular after the geo political issues in the Middle East and North Africa broke out the entire markets is in pain. He added that the price value of all Banking sector stocks has gone down substantially. Regarding loans to weaker sections, he added that the Priority Sector Loans includes the loans given to weaker sections also. The Bank had been distributing such loans without compromising the net interest margin and is over the prescribed RBI ratio. The RBI has prescribed 40% for priority sector advances and the Bank is at 50%. While agreeing to consider the suggestion about installing public convenience arrangements as a part of Corporate Social Responsibility, he said that the Bank has already tied up an agreement with Trichur Corporation for maintaining a Walkers park in Trichur city and also started the service of Ambulance. In regard of allocation to reserves, Chairman replied that transfer to other reserves were higher during the year due to lesser transfer to capital reserves on account of profit on sale of HTM securities. In regard to Mr. T.S. Rajamany's allegation, he replied that they were too vague and too old and baseless. Nor were those connected with the agenda of the meeting. Regarding Bonus issue and other things, he advised the shareholders to wait for some more time as the Bank is undertaking all efforts to augment growth and look at profitability as the immediate plans.

At the request of Chairman Mr. Amitabh Chaturvedi, MD & CEO spoke by thanking share holders and other well wishers of the Bank for their solid support and confidence shown to the Bank and reiterated that without their support the Bank could not have reached this level.
