We have reviewed the accompanying statement of Un-audited Financial Results of **M/s. JAY SHREE TEA & INDUSTRIES LIMITED** for the quarter and half year ended 30<sup>th</sup> September 2012 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This Financial statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

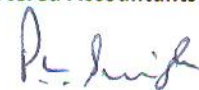

A report on limited review of the Company's Sungma Tea Estate, Singbulli Tea Estate, Balasun Tea Estate, North Tukvar Tea Estate and Marionbarie Tea Estate as carried out by Branch Auditor has been forwarded to us and has been considered in preparing our report.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity," issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted, nothing has come to our attention, that causes us to believe that the accompanying statement of Un-audited Financial Results prepared in accordance with applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material mis-statement, *subject to the following:*

- a) *Non provision of income tax and deferred tax for the quarter and half year ended 30<sup>th</sup> September 2012, as per Accounting Standard 22 on "Accounting for Taxes on Income" impact of which has not been ascertained by the Company.*
- b) *The valuation of stock of bulk tea has been done based on the management estimation of the production and expenditure for the current financial year as stated in the note no. 3 of the quarterly results. This basis of valuation is not in compliance with the Accounting Standard -2 on "Valuation of Inventories". We are unable to comment on the authenticity of such valuation and its consequent impact (being unascertained at quarter and half year end) on the performance of the company for the quarter and half year.*
- c) *Non provision of Gratuity liability for the quarter and half year end 30<sup>th</sup> September 2012, impact of which is not ascertained.*
