**EXPLANATORY STATEMENT PURSUANT TO SECTION 173(2) OF THE COMPANIES ACT, 1956:**

**ITEM NO. 1**

The resolutions contained in the attached Notice pertain to a proposal by the Company to create, offer, issue and allot equity shares, debentures or other securities as stated therein or a combination of such securities in one or more tranches (referred to as "Securities"). The intention is to (a) increase the public shareholding of the Company as per the statutory requirements and (b) raise additional capital to meet the funding requirements and business objectives of the Company.

The Securities Contracts Regulations Rules, 1957, as amended (the "SCRR"), and clause 40A of the Listing Agreement provide for a mandatory public shareholding of at least 25 per cent for all listed companies. Listed companies that have a public shareholding of less than 25 per cent are required to increase their public shareholding to 25 per cent in the manner prescribed by the Securities and Exchange Board of India.

As you are aware, the public shareholding in the Company is 19.99% as on date hereof. In order to comply with the mandatory requirements of the SCRR it is proposed to increase the public shareholding in the Company by offering securities to qualified institutional buyers as defined in the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended (the "ICDR Regulations") pursuant to an institutional placement programme in accordance with Chapter VIII-A of the ICDR Regulations or pursuant to a qualified institutions placement, in accordance with Chapter VIII of the ICDR Regulations to increase the public shareholding of the Company as per the statutory requirements and raise

additional capital to meet the funding requirements and business objectives of the Company.

The detailed terms and conditions for the offer will be determined in consultation with lead managers, advisors, underwriters and such other authorities and agencies as may be required to be consulted by the Company in due consideration of prevailing market conditions and other relevant factors. As the price of the securities shall be determined at a later stage, exact number of securities to be issued shall also be crystallized later. However, an enabling resolution is being proposed to give adequate flexibility and discretion to the Board to finalise the terms of the offer.

As per Section 81(1A) of the Companies Act, and as per the rules and regulations applicable under the laws, the approval of existing members is being sought to empower the Board to issue Securities at such price to such person(s) including institutions, incorporated bodies, individuals or otherwise as the Board may at its absolute discretion deem fit. The Members' approval to the resolutions would have the effect of allowing the Board to offer and allot Securities otherwise than on pro-rata basis to the existing shareholders.

Your Board of Directors recommend these resolutions to be passed as Special Resolutions.

None of the Directors are interested or concerned in the above resolutions except to the extent of their shareholding in the Company.
