## LIMITED REVIEW REPORT

To The Board of Directors Vardhman Polytex Limited Ludhiana.

- 1. We have reviewed the accompanying statement of unaudited financial results of Vardhman Polytex Limited ('the Company') for the quarter ended September 30, 2012 being submitted by the company pursuant to the requirement of Clause 41 of the Listing Agreement with Stock Exchanges except for the disclosures regarding "Public Shareholding" and "Promoter and Promoter Group Shareholding" which have been traced from the disclosures made by the management and have not been reviewed by us. The statement of quarterly financial results has been prepared from Interim financial statements which are the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the interim financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Without qualifying, we state that:

The Company has made investment in the equity shares of its subsidiary company Oswal F.M. Hammerle Textiles Limited of Rs.9126.41 Lacs whose net worth is partly eroded. We understand from the management that the investment is long term strategic in nature and the erosion in net worth is due to slump in textile sector; this being a temporary phenomenon, the net worth will review in the near future.

- 4. (a) The Company has not provided for foreign exchange differences on foreign currency monetary items as required by Accounting Standard AS-11 "Effect of Changes in Foreign Exchange Rates" emounting to Rs. 166.60 Lacs for the quarter ended September 30, 2012 owing to the reasons as explained in foot note no.3 of the Statement of unaudited financial results. Due to this, loss for the quarter ended September 30, 2012 is understated by the same amount.
  - (b) No provision has been made for investment made in one of the subsidiary companies Oswal Industrial Enterprises Private Limited of Rs.4501 Lacs whose net worth is substantially eroded, the subsidiary company having accumulated losses of Rs.4874.26 Lacs against share capital of Rs.5005.00 Lacs as on March 31, 2012. This is at variance with Accounting Standard AS-13 'Accounting for Investments' notified under the Companies (Accounting Standards) Rules, 2006 resulting in loss for the quarter being understated by the same amount.
- Subject to 4 above, based on our review conducted as above, nothing further has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with recognition and measurement principles laid down in Accounting Standard AS 25 "Interim Financial Reporting" notified pursuant to the Companies (Accounting Standards) Rules, 2006 (as amended) and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement Including the manner in which it is to be disclosed, or that it contains any material misstatement.
