Review Report

To the Board of Directors FAG Bearings India Limited

We have reviewed the accompanying statement of unaudited financial results ('the Statement') of FAG Bearings India Limited ('the Company') for the quarter ended 30 June 2012 and the six months period ended on that date except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors of the Company in their meeting held on 19 July 2012. Our responsibility is to issue a report on these financial statements based on our review. The financial results for the six months period ended 30 June 2011 includes results for the three months period ended 31 March 2011 which were reviewed earlier by the then statutory auditors of the Company whose report was furnished and has been relied upon by us for the purpose of our review of the Statement.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of interim financial information performed by the Independent Auditor of the Entity". This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the Accounting Standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
