This statement is the responsibility of the company's management and has been taken on record by the Board of Directors at their meeting held on 03rd August, 2012. Our responsibility is to issue a report on these financial statements based on our review.

A review of interim financial information consists principally of applying analytical procedures for financial data and making enquiries of persons responsible for financial and accounting matters. It is substantially less in scope and assurance than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. We have not performed an audit and accordingly, we do not express an audit opinion.

We conducted our review in accordance with the standard on **Review Engagement (ISRI) 2400 on Engagement to Review Financial Statements** issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.

Based on our review conducted as above **subject to the notes given below** nothing has come to our notice that causes us to believe that the accompanying statement of un-audited financial results prepared in accordance with accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of **Clause 41 of the Listing Agreement** including the manner in which it is to be disclosed, or that it contains any material misstatement.

As per Non-Banking Financial Companies Prudential Norms (Reserve Bank) Directions, 1998 assets and receivables are required to be classified as NPA and provision for non-performing assets as prescribed is required to be made. In view of the fresh scheme seeking waiver of interest payable to debenture holders, no provision has been made for the differences between the claim made by Central Bank of India and the liability as per the books, hence to this extent the cumulative net losses of Rs. 1,875.11 lacs is understated.
