Sub: Business Updates

Dear Sir,

We have pleasure to inform that our Company has signed a MoU with Hubei Tri-ring Auto-electrical Appliance Co., Ltd., China, a Tri-ring Group Company. Tri-ring Group is one of the renowned OEM suppliers in China and engaged in manufacturing of large range of auto-components. Tri-ring Group is already supplying its products to Indian OEMs like Tata Motors, Ashok Leyland, Mahindra, Eicher, AMW, Nissan etc.

In terms of MoU, Fiem Industries Ltd. and Hubei Tri-ring Auto-electrical Appliance Co., Ltd. will jointly work to tap the Passenger Car and Commercial Vehicle segment in India for following Products Category:

- (1) Horns,
- (2) Wide range of Switches like- Combination Switches, Window Glass Lifter Switches with central Control Switches, Instrument Switches, Anti-theft Indicator Switches, Rear View Mirror Switches, Ignition Switch with Locks (For Two-wheeler also),
- (3) Outside & Inside Door Handlers with Remote Locks & Electronic Flesher,
- (4) Solenoid Valves.

This will help the Company to diversify into new product range in Auto Component segment and will contribute in the growth of the Company.

This is for your information and records please.

Thanking you.

Yours faithfully,
For Fiem Industries Ltd.

Arvind K. Chauhan
Company Secretary
