Notes :

1. The Standalone unaudited results are given as per the requirements of Clause 41 of the Listing Agreement and have been subjected to limited review by Statutory Auditors.
2. The Auditors' report on previous financial statements contains qualification/reservation as under:--
 - a) Sundry debtors include outstanding from a customer amounting to Rs. 25,25.82 lacs (March 31, 2012 - Rs. 25,25.82 lacs). This relates to a subcontract job done during 2006-07 and amount outstanding relates to change orders, which is still under process of resolution by the ultimate customer. The Management believes that this amount will be received and hence no provision has been made in the books till date.
 - b) Sundry debtors also includes outstanding from another customer on account of the following:--
 - i) The Company has taken extra time to complete two of its EPC contracts beyond the scheduled contract completion date as the Company had to execute significant additional work and also on account of delays not attributable to the Company. The potential liability for liquidated damages resulting from the extended completion date as on December 31, 2012 is Rs. 32,15.77 lacs (March 31, 2012 - Rs. 30,39.76 lacs), the difference being on account of fluctuation in foreign currency exchange rate. As the Company believes that the liquidated damages will be waived for the reasons stated above, no provision for the same has been made in the books till date.
 - ii) During the previous year, the Company has incurred additional expenditure on executing additional work under its EPC contracts. The Company has quantified and submitted some of its claims for extra work done and has commenced discussions with the clients for finalising the same. However, as a matter of abundant caution, only a portion of these extra claims amounting to Rs. 33,84.45 lacs (2012- Rs. 33,84.45 lacs) have been recognised as revenue. The balance of the additional claims will be recognised as revenues as and when the same are accepted by the clients.
3. For its turnkey contracts the Company recognises its revenues and expenses in accordance with Accounting Standard(AS-7). Accordingly, expenses have been recognised in proportion to revenues booked, even though they have not been incurred at this stage. As a result the Company has made an additional accrual for the quarter ended December 31, 2012 of Rs. 51,23.23 lacs for expenses yet to be incurred .
4. The Consolidated results of the Company for the quarter ended December 31, 2012, which have not been subjected to limited review by the Auditors is as follows:
