Dear Sir

Sub: Information under clause 36 of the Listing Agreement

This is with reference to various rumours spreading in the market by "various players" not related to the Company for their personal gains fuelled by drastic fall in the share price of the Company following minor stake sold by one of the promoter Director.

We would like to clarify that the Company is taking appropriate and due action in carrying out all its obligations and undertakings relating to all its projects. The management is engaged in fulfilling its obligations to all stakeholders. As regard one time sale of personal sale of minor shareholding (50 lacs) by Mr Sarang wadhawan, intimation and statutory filings have been filed with the stock exchanges. As informed by our Vice chairman & Managing Director on the said sale, it was undertaken to honour certain obligations (yet to be consummated and hence not disclosed) pertaining to acquisition of land.

We would like to reiterate that the Company and the management are not interested in indulging any such activities which may damage and affect the interest of the Company or its stakeholders.

Thanking you

For Housing Development and Infrastructure Limited
