## Shriram EPC wins multiple repeat orders

**Chennai, 27th January, 2013:** Shriram EPC Limited (SEPC), a leading service provider of integrated design, engineering, procurement, construction and project management services for power plants, renewable energy projects, process and metallurgical plants and municipal service sector projects throughout India, has been awarded multiple orders amounting to INR 367 crore. These include:

- An order worth INR 234 crore from Hutti Gold Mines Company Limited (HGML), a Government of Karnataka undertaking for construction of a circular shaft. of a diameter of 6 meters and a depth of 960 meters. This is in consortium with M/s Shandong Gold Group Yantai Design and Research Engineering Co., Ltd. China, and is scheduled to be completed in 3 years. The Company is concurrently executing an order awarded by Hindustan Copper Limited involving similar expertise at Surda Indian Copper Complex, Jharkhand worth INR 206.34 crore.
- Two orders amounting to INR 102.6 crore in its municipal service vertical.
  - The first order is a repeat order from the Gujarat Urban Development Company Ltd., (GUDCL), for INR 75.6 crore, for undertaking fixing & supplying of DI, MS, HDPE Pipes and erection & commissioning of pumping stations, conventional water treatment plant & incidental facilities including electro mechanical works.
  - An order amounting to INR 27 crore from Kayalpattanam Municipality, Kayalpattanam, Tamilnadu for construction of intake wells, underground and overhead storage and setting up of a 50.5 km distribution network using DI Pipes.
- A repeat order from Kerala Feeds Ltd. (KFL), a Government of Kerala undertaking for INR 30.3 crore. Scope of work includes designing, engineering, supplying, undertaking erection, testing & commissioning of all structural, mechanical, electrical and instrumentation equipment and works for a 300TPD Cattle Feed Plant at Thiruvangoor, Kozhikode.

Commenting on the order wins, **Mr. T. Shivaraman, Managing Director & CEO of Shriram EPC Limited**, said:

*"We are extremely pleased to report these multiple order wins across different verticals of our business. The order win from Hutti Gold Mines is only our second order win in the mines and mineral processing vertical after the Hindustan Copper Ltd order received earlier. Our strategy to build up capabilities in areas like solar power and mines and mineral processing has helped to generate traction in order wins even against the backdrop of a challenging capital expenditure environment.*

An ISO 9001:2008 Company

***Further, we are delighted that GUDCL and Kerala Feeds have awarded us repeat orders indicating customer confidence in our ability to deliver and execute.***

*These orders, which closely follow a recently awarded large order win in Iraq provide us with healthy visibility in our business on the back of a well-diversified and expanding order book, which today, stands in excess of Rs.4,000 crore.*

## **About Shriram EPC**

Shriram EPC (NSE: SHRIRAMEPC, BSE: 532945) is one of the leading service providers of integrated design, engineering, procurement, construction and project management services for power plants, renewable energy projects, process and metallurgical plants and municipal service sector projects throughout India and overseas, and is also a leading manufacturer of wind turbine generators (WTG).

The EPC business is focused on providing integrated turnkey solutions for biomass-based power plants, process and metallurgy plants (including cement & thermal power plants), water and wastewater treatment plants, water and sewer infrastructure and pipe rehabilitation. The WTG business is focused on manufacturing, erecting and commissioning of MW Class and KW class WTGs.

Shriram EPC is headquartered in Chennai with offices in Mumbai, New Delhi, Kolkata and Beijing; and WTG and cooling tower factories in Puducherry, Chennai and Umbergaon (Gujarat). Their EPC project experience and footprint reaches across 16 states in India, and internationally in Zambia and France, while their WTG business has completed wind energy projects throughout India.
