Notes:

- The results for the First Quarter ended June 30, 2013 have been reviewed by the statutory auditors and taken on record at the meeting of Board of Directors held on 14th August 2013.
- 2) The company currently has only one segment, i.e. Animation division
- 3) No provision for taxes has been made in the accounts on account of the losses incurred by the company.
- 4) The Auditors in their report on the Annual Accounts for the year ended 31st March, 2013 have reported as an Emphasis of Matter that in view of the fact that the Company has suffered cash losses, the net worth as on that date has been fully eroded and that the Current Liabilities exceed Current Assets, there is a concern about the ability of the Company to continue as a going concern. However, the management is of the opinion that considering the future expected cash flows and the support from its holding company, the Company will be in a position to continue as a going concern and the Accounts have been drawn up on that basis."

LIMITED REVIEW REPORT

To:

The Board of Directors of Accel Transmatic Limited on the Limited Review of un-audited financial results for the quarter ended 30th June, 2013

- 1. We have reviewed the financial statement of un-audited financial results of ACCEL TRANSMATIC LIMITED for the Quarter Ended 30th June, 2013 except for the disclosures regarding "Public Shareholding" and "Promoter and Promoter Group Shareholding" which have been traced from the disclosures made by the management and have not been reviewed by us. These financial statements are the responsibility of the company's management and have been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagement (SRE), 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.
- 3. A review of interim financial information consists principally of applying analytical procedure for financial data and making enquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.
- 4. Attention is invited to Note No.4 in the un-audited financial results stating concerns regarding Going Concern status of the Company, which facts/circumstances continue during the quarter under review. However, the Accounts have been drawn up on a Going concern basis on account of the reasons given therein by the management.
- 5. Based on our review conducted as stated above and read with para 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of un-audited financial statements referred to above, prepared in accordance with the Accounting Standards referred to in section 211(3C) of the Companies Act, 1956 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatements.
