**Subject: Energy Development Company arm synchronizes power project with grid in Kerala**

Dear Sir,

The company's wholly owned subsidiary, Ayyappa Hydro Power Limited (AHPL), has successfully synchronized its Unit 1 of 3 x 5 MW Karikkayam Hydro Electric Project situated in the state of Kerala with the state electricity grid on September 28, 2013.

Earlier, AHPL's Unit 2 & Unit 3 (both 3 x 5 MW) were successfully synchronized with the grid between August & September, 2013. Thus all the 3 units of Karikkayam Hydro Electric Project have been synchronized with the grid.

This is for your information and record.

Thanking you,

Yours faithfully,

For Energy Development Company Limited

Prem Chand Kankaria  
Company Secretary
