Notes

- 1 The above results of the Company were reviewed by the Audit Committee and approved by the board of directors at their respective meetings held on November 13th, 2013.
- 2 The auditors have expressed their inability to comment on the likely outcome of modification of a contract with consequential damages by one of the customers in an earlier year. The Company has challenged the said modification in the Hon'ble Supreme Court. However, as a matter of prudence, the Company has revised the contract value and contract cost, as per the management's best estimate and the expected loss has been duly provided for in the accounts. The Company has also lodged counter claims on the client and it does not expect any further loss arising out of such termination.
- 3 Without qualifying the review report, the auditors have drawn attention to the recoverability of arbitration claims of Rs. 8,536.47 lacs booked as income earlier (Rs.5508.17 lacs booked in the previous quarter and Rs.3028.30 lacs booked in the previous year) where the Company had received arbitration awards in its favor against which the customers had preferred appeals. The management believes that the final outcome of the appeals would be in favor of the Company based on the facts of the respective cases and is confident to recover the aforesaid claims in full.
- 4 During the quarter, based on technical and legal evaluation, the Company has revised the value of a contract to bring it in line with the agreement signed with the client, which was not considered hitherto on a conservative basis. Consequently, the sales for the quarter includes an amount of Rs. 4200.69 lacs arising on account of the aforesaid revision in the contract value.
- 5 The Company has only one business segment i.e. "Construction".
- 6 There were no exceptional /extraordinary items.
- 7 Previous period's figures have been regrouped / rearranged, wherever considered necessary.
