REVIEW REPORT FOR FINANCIAL AFFAIRS

We have reviewed the accompanying statement of unaudited financial results of VENTURA TEXTILES LIMITED for the period ended 30th September, 2013. This statement is the responsibility of the company's management and has been approved by the Board of Directors.

A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statement taken as a whole.

Accordingly, we do not express such an opinion.

Based on our review conducted as above nothing has come to our notice that causes us to believe that the accounting statement of unaudited financial results has not disclosed the information required to be disclosed in terms of clause 41 of the listing agreement including the manners in which it is to be disclosed or that it contains any material misstatement.

We further report that the accounts are prepared on the basis of accrual accounting policy and in accordance with uniform accounting practices adopted for all the periods.
