Indo Rama Synthetics (India) Ltd. Bestowed with National Energy Conservation Award 2013

Gurgaon, December 19, 2013: Indo Rama Synthetics (India) Limited, India's largest dedicated polyester manufacturer has been awarded the prestigious National Energy Conservation Award 2013 in Petrochemical Sector.

The award was presented by Hon'ble President Pranab Mukherjee to Indo Rama Synthetics (India) Ltd in the presence of Mr. Jyotiradiyta Scindia, Minister of State (Independent Charge), Ministry of Power.

The award was received on behalf of the company by Mr. Anant Kishore, Executive Director & Chief Executive Officer, Indo Rama Synthetics (India) Ltd. at a function held at Vigyan Bhawan in New Delhi.

This award is conferred upon Indo Rama for its contribution for the energy conservation and its energy conservation initiatives in the field of Petrochemical by adopting various environmental friendly innovative measures.

Commenting on this achievement – Mr. O.P. Lohia, Chairman & Managing Director, Indo Rama Synthetics (India) Ltd. Said “It is a great honour and pride for Indo Rama Synthetics (India) Ltd. to win such a prestigious award. We have always been committed towards energy conservation and continue to make efforts in implementing innovative ideas to conserve energy. We are delighted that our contribution to the national mission of energy saving has been recognized by the Government of India. This recognition validates our efforts in sustainable manufacturing to offer value to our customers and thereby benefit the society at large.

The National Energy Conservation Awards are instituted by the Government of India, Ministry of Power. The awards recognize innovations and achievements for efficient utilization and conservation of energy in various sectors including industries, buildings, aviation, and municipalities amongst others.
