Notes:

The same have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 29.11.2013.

The Company has recognised Rs.35 lakhs as loss from discontinued operations during the quarter.

3 The Company could not redeem the Foreign Currency Convertible Bonds (FCCBs) of US\$ 30.5 millions (including premium) equivalent to Rs.19,302.79 lakhs as on 30.09.2013 on due date i.e.8.4.2011 for paucity of cash funds. Further provision of Rs.446 lakhs for the quarter and to date Rs.2873 lakhs towards yield protection on the unpaid amount is not considered necessary. In the meantime, the Trustee of FCCB has filed a winding up petition, which is pending disposal. In the meantime the Hon'ble High Court of Punjab and Haryana at Chandigarh vide orders dt.3.10.2012 and 17.10.2012 has restrained the Company to dispose off its immovable assets and creation of charge on its assets respectively without the consent of the Court. During the period, majority of the bondholders, around 51% of the book value of bonds have agreed to convert their bonds of US\$ 12.93 million into 115,954,059 equity shares of Rs.2.50 each at par in settlement of their dues. Other minority bondholders of FCCBs are not in agreement with the settlement terms and are pursuing the matter in the court for winding up of the Company. During the last hearing on 14th November, 2013, the Hon'ble High Court, fixed next date of hearing on 9th and 10th January, 2014 on the issue of maintainability of the winding up petition. The Company has been advised that the merit of the case do not warrant winding up.

4 The restructuring scheme has been implemented. However additional working capital funds have not been provided by banks due to order dt.17.10.2012 of Hon'ble High Court and upheld by Hon'ble Supreme Court restricting creation of charge on the assets of the company.

5 Due to erosion in the net worth of the Company, the Company stopped renewal and acceptance of deposits from public since 01.10.2012 in compliance with the regulation of Section 58-A of the Companies Act, 1956. The Company is since then repaying the deposits as and when they are due and claimed by issue of cheques.

6 Debit/credit balances in account of new parties are subject to confirmation/reconciliation.

7 Networth of the Company has been eroded in view of the accumulated losses and due to grossly underutilization of production facilities. However, with the improvement in liquidity post implementation of restructuring package, the Company is hopeful that the results will improve in future and as such the accounts of the Company are prepared on going concern basis.

8 The figures of the previous period have been regrouped/reclassified, wherever necessary, to conform to current period's classification.
