Limited Review Report

1. We have reviewed the accompanying statement of unaudited financial results of Energy Development Company Limited for the quarter ended 31st December, 2012 *except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been reviewed by us.* This statement is the responsibility of the company's management and has been approved by the Board of directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim financial information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Attention is invited to Note 4 of the accompanying statement regarding non compliance of Accounting Standard "Accounting of Taxes on income": with regard to accounting of deferred tax.
4. Based on our review conducted as above, *subject to Para 3 above (impact whereof has not been ascertained)* nothing has come to our attention that cause us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including, the manner in which it is to be disclosed, or that it contains any material misstatement.
