Dear Sir,

Sub: Corporate Announcement

Scrip Code: 506109

"MR. SAJJID MALIK, CHAIRMAN AND MANAGING DIRECTOR, GENESYS INTERNATIONAL CORPORATION LIMITED WINS "THE BUSINESS LEADER OF THE GIS INDUSTRY" AWARD AT THE INDIAN GEOSPATIAL FORUM- 2013.

Mr. Sajjid Malik, Chairman and Managing Director, Genesys International Corporation Limited was awarded the "The Business Leader of the GIS Industry" this year. The award was given by Dr. Shailesh Nayak, Secretary, Ministry of Earth Sciences at the Indian Geospatial Forum, the GIS industry's premier event represented by global leaders in the geospatial industry. The award was given in light of the path breaking work done by Genesys International in mapping sciences and its growth in the GIS industry.

About Genesys International Corporation Limited

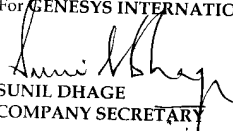

"Genesys International" is a leading geospatial services and content player catering to the needs of major mobile, navigation and consumer mapping players in India as well as abroad including the United Nations. Genesys International experience encompasses Photogrammetry; remote sensing; LiDAR survey/ processing, AM/FM/GIS data capture, conversion and implementation; customized GIS application development; training; data migration and system integration.

Genesys has been working on cutting edge technologies through its in-house research and global partnerships to create the best in geospatial data products and solutions addressing a variety of user segments.

Thanking You,

Yours sincerely,

For **GENESYS INTERNATIONAL CORPORATION LIMITED**
