Merck Limited**

We have audited the accompanying annual financial results of Merck Limited ('the Company') for the year ended 31 December 2012, attached herewith, being submitted by the Company pursuant to the requirement of clause 41 of the Listing Agreement, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. Attention is drawn to the fact that the figures for the quarter ended 31 December 2012 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These financial results have been prepared on the basis of the annual financial statements and reviewed quarterly financial results upto the end of the third quarter which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our audit of the annual financial statements which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Accounting Standards) Rules, 2006 as per Section 211(3C) of the Companies Act, 1956 and other accounting principles generally accepted in India and in compliance with Clause 41 of the Listing Agreement.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us these financial results:

- (i) are presented in accordance with the requirements of clause 41 of the Listing Agreement in this regard; and
- (ii) give a true and fair view of the net profit and other financial information for the year ended 31 December 2012
