(a) There is non provision of tax Liability of Rs.8066.57 lacs as on December 31, 2012 (including Rs. 7812.12 lacs upto September 30, 2012) arising on account of amendment to Section 80IA of the Income Tax Act 1961 in the Finance Act, 2009. The Company has filed a writ petition with the Honourable Calcutta High Court which has been admitted as well, challenging the validity of above retrospective amendment which, as per legal opinion obtained by the company is ultra virus to the main section of the Act. Till the Matter is decided by the Honourable Calcutta High Court, the liability, if any, in this regard is unascertainable. Consequent to above , the Minimum Alternate Tax entitlement benefit of Rs. 2153.23 lacs (including Rs. 2126.19 lacs upto September 30, 2012) has also not been considered as credits in accounts.

(b) The auditors have expressed their inability to comment on the consequential impact of the dispute in respect of a project on these results. The matter is presently sub judice and the management expects that no further liability on the contract would accrue to the company.

(c) The accounting of share of profit / loss in the joint ventures is based on management estimate which will be actualised at the end of the year, based on final audited results of the respective joint ventures.
