Notes:

- The above Audited Financial Results were reviewed by the Audit Committee and taken on record by the Board of Directors at their meeting held on 30th May,2013.
- The Company has long term strategic investments in shares of Simplex Infrastructure Libya Joint Venture Co.(Simplex Libya), a subsidiary company, located in Libya with the Company's ownership interest being 65%, the year-end book value of which is Rs.387 lakhs. Further year end Other Current Asset (arising from sale of certain fixed assets) - considered good and Short term Loans and Advances - considered good includes Rs.1,292 lakhs and Rs.401 lakhs respectively due from Simplex Libya. The current political situation in Libya, although improved to some extent compared to the previous year, has not yet been fully normalized, consequently complete information relating to Simplex Libya are not available and audit of the financial statements for the year 2012-13 of Simplex Libya could not be carried out. However, as per the financial statements for the year 2012-13 of Simplex Libya as prepared by the Management, its year-end net worth has been eroded. Upon further improvement of the political situation and indications of resumption of business activities the company will make a detailed review of the situation to evaluate business possibilities and assess recoverability of its total exposure as aforesaid. The said reasons explain the Statutory Auditors' qualification on the same issue in their Audit Report on the Company's financial statements for the year ended 31st March,2012 and their Limited Review Report on the Company's unaudited results for the earlier quarter, as well as the period under review. Pending such review/assessment and considering gradual improvement in political situation and long term strategic business interest, in the opinion of the Company, no adjustment to the carrying amounts of investments in and receivables from Simplex Libya is considered necessary at this stage.
- Other expenses [Sl. No.2(c)] include foreign currency exchange loss/(gain) of Rs.(129) lakhs, Rs.61 lakhs and Rs.(321) lakhs for three months ended 31st March,2013, 31st December,2012 and 31st March,2012 respectively and Rs.623 lakhs and Rs.606 lakhs for the year ended 31st March,2013 and 31st March,2012 respectively.
