The Trusts (directly and through their respective wholly-owned asset / investment holding companies (“Trust Companies”)) collectively hold shares constituting 1.59% of the paid-up share capital of KSL. The shares of KSL held by the Trusts and Trust Companies are proposed to be used by the Trusts to extend welfare benefits to the senior level employees of KSL (Manager – I and above) without granting of stock options. Since inception, the Trusts and Trust Companies have spent their entire income earned in the form of dividend on the shares, held by them in meeting their administrative expenses and re-payment of outstanding loans of KSL. Accordingly, for the quarter ended June 30, 2013, none of the Trusts / Trust Companies have granted any benefits to the employees of KSL. Moreover, since these Trusts are non-ESOP Trusts, no stock options have been granted to the employees of KSL for the quarter ended June 30, 2013.
