Dear Sirs,

SUB: Intimation on latest developments

REF: Scrip Code: BSE - 523419

M/s. Telecommunications Consultants India Limited (TCIL), A Govt. of India Enterprise, one of the Promoters of the Company who is having maximum stake of 49% share holding is financially supporting the Company for its operations.

We are glad to intimate that in the recently held Board meeting of TCIL, the Board has decided to reduce the interest rate by **one and a half percent** in order to further support the Company to reduce its interest burden and overall cost. With this **the Company's interest burden is expected to get reduced by around Rs. 60 lakhs p.a.**

As informed in our earlier intimation, the add-on order for supply of 1602 KMs of 24F Optical Fiber Cable to BSNL valuing Rs. 7.98 crores is under execution. The Company is also expecting spill over order from BBNL and the order is expected during end of August, 2013 against NOFN Project. With these the Company's performance during 2013-14 will be much better compared with the past three years performance.

For kind information.

Thanking you,

Yours faithfully,

For M/s. Tamilnadu Telecommunications Limited
