

Limited Review Report

To The Board of Directors
Prajay Engineers Syndicate Limited
Hyderabad

1. I have reviewed the accompanying statement of Unaudited Financial Results of Prajay Engineers Syndicate Limited ("the Company") for the quarter ended 30th June, 2013 except for the disclosures regarding "Public Shareholding" and "Promoter and Promoter Group Shareholding" which have been traced from disclosures made by the management and have not been audited by me. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. My responsibility is to issue a report on these financial statements based on my review.
2. I conducted my review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of interim financial information performed by the independent auditor of the entity". This Standard requires that I plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information is limited primarily to inquiries of persons responsible for financial and accounting matters and analytical procedures applied to financial data. A review is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is expression of opinion regarding the financial statements taken as a whole. I have not performed an audit and accordingly, I do not express an audit opinion.
3. *The Company has made a payment of Rs.50 lacs, which is classified in the records as advances. As the underlying document for this transaction is not available for verification, I am unable to comment on the same.*
4. I draw your attention to the following:
 - 4.1 Trade receivables considered good include an amount of Rs.23,246.95 lacs due from customers which are outstanding for more than six months. As a result of economic slowdown and recession in the realty sector, realizations from customers are slow; no provision has been made in the books against bad debts, if any. I am unable to comment on the realization of these receivables.
 - 4.2 Loans and advances considered good include an amount of Rs.6,930.65 lacs given towards purchase of land/development towards certain projects, and an amount of Rs.252.48 lacs given to suppliers, etc outstanding from earlier years. No provision has been considered necessary due to long term involvement in such projects.
5. Based on my review conducted as above, except for the possible effects of the matter described in paragraph 3 on the results for the quarter ended 30th June, 2013, nothing has come to my attention that causes me to believe that the accompanying statement of unaudited financial results prepared in accordance with the accounting standards referred to in Section 211 (3C) of the Companies Act, 1956 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
