NOTES

2

The above results of the Company were reviewed by the Audit Committee and approved by the board of directors at their respective meetings held on August 14th, 2013.

The auditors have expressed their inability to comment on the likely outcome of modification of a contract with consequential damages by one of the customer in an earlier year. The Company has challenged the said termination in the Hon'ble Supreme Court. However, as a matter of prudence, the Company has revised the contract value and contract cost, as per the management's best estimate and the expected loss has been duly provided for in the accounts. The Company has also lodged counter claims on the client and it does not expect any further loss arising out of such termination.

3 Without qualifying the review report, the auditors have drawn attention to:

(a) Arbitration claims of Rs. 5,508.17 lakhs, recognized as income during the current quarter, awarded in favor of the Company in earlier years. Though the counterparty had filed an appeal against the arbitration award, based on the facts of the case, the management is confident to recover these arbitration claims.

(b) Arbitration claims of Rs. 3,028.30 lakhs booked as income in the previous year, where the Company had received the award in its favour. During the quarter, though the counterparty has filed an appeal against the said award, based on the facts of the case, the management is confident to recover these arbitration claims.

- 4 A subsidiary by the name of Bhagalpur Electricity Distribution Company Private Limited has been incorporated during the quarter.
- 5 The Company has only one business segment i.e. "Construction".

During the quarter, the Company on a prudent basis, has written off an amount of Rs. 1,283.76 lakhs representing a portion of the work in progress in respect of a contract in view of uncertainty as regard its ultimate collection, which is included under "other expenditure" in the results for the quarter.

- 6
- 7 There were no exceptional /extraordinary items.
- 8 Previous period's figures have been regrouped / rearranged, wherever considered necessary.
