#### INDEPENDENT AUDITORS' REVIEW REPORT TO THE BOARD OF DIRECTORS OF THE FEDERAL BANK LIMITED

- 1. We have reviewed the accompanying statement of Unaudited Financial Results of THE FEDERAL BANK LIMITED ("the Bank") for the quarter and nine months ended 31st December, 2013 ("the Statement") being submitted by theBank pursuant to Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures referred to in paragraph 6 below. This Statement is the responsibility of the Bank's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditors of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Bank personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. In the conduct of our review, 56 branches have been reviewed by one of us and we have relied on the review reports in respect of returns including non-performing assets received from the branch auditors of 27 branches, specifically appointed for this purpose by the bank. These review reports cover 55 percent of the advances portfolio of the bank. Apart from these review reports, in the conduct of our review, we have also relied upon various returns received from the branches of the bank.
- 4. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the Accounting Standards notified under the Companies Act, 1956 (which continued to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated 13 September, 2013 of the Ministry of Corporate Affairs) and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the stock exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

Our conclusion is not qualified in respect of this matter.

@ - For the above segment reporting, the reportable segments are identified into Treasury, Corporate/Wholesale Banking, Retail Banking and Other Banking Operations in compliance with the revised RBI guidelines. The Bank mainly operates in India.

#### Notes:

- 1 The above financial results, subjected to Limited Review by Statutory Central auditors, have been taken on record by the Audit Committee and approved by the Board of Directors at its meeting held on 17th January, 2014.
- 2 As a prudent policy, the Bank holds provisions for Non Performing Assets over and above the minimum required under the Reserve Bank of India (RBI) norms. Further, provision for restructured advances has been made as per RBI guidelines.
- 3 Pursuant to the approval of the Shareholders at the 82nd Annual General Meeting held on 20th July 2013, the face value of each equity share of ₹ 10/- was sub-divided into 5 (Five) Equity Shares of ₹ 2/- each with effect from 19th October 2013. Accordingly, the number of shares and the Earnings Per Share of the previous periods have been restated to make the same comparable.
- 4 (a) The Bank has changed its policy on valuation of swap contracts against the overseas borrowings, by amortising the cost over the period of swap tenure, with effect from 01.04.2013, as against the earlier practice of writing back/writing off the mark-to-market gain or loss at the end of each reporting period. This change in policy does not have any financial impact over the full period of swap.

However, the impact of change in the policy on valuation and amortization as described above , is increase in the profit by ₹ 0.09 Crore for the quarter ended 31st December 2013 (decrease in the profit by ₹ 8.93 Crore for the nine months ended 31st December, 2013). Had this policy been adopted in the previous year, the effect would have been decrease in profit by ₹ 0.37 Crore for the quarter ended 31st December 2012 (decrease in profit by ₹1.58 Crore for the nine months ended 30th December 2012) and decrease in profit by ₹1.49 Crore for the year ended 31 March, 2013.

- 4 (b) RBI has introduced a US Dollar-Rupee swap window for fresh FCNR (B) dollar funds, mobilised for tenors 3 years and above. The swaps done under this special window is at a concessional rate than the normal market rate. If the swaps done by the Bank under this special window are valued at MTM rates, there will be a gain of Rs.56.90 crore for the quarter. However, this gain will be reversed over the maturity period and hence as a measure of prudence the bank has not recognised the gain.
- 5 The Pension liability arising on exercise of second option by employees (other than separated/retired employees) is being amortized equally over a period of 5 years commencing from the year ended on 31.03.2011, and accordingly an amount of ₹25.26 Crore, being the proportionate liability in respect thereof, for the nine months ended 31.12.2013 (₹ 8.42 Crore for the quarter ended 31.12.2013) have been charged to Profit and Loss Account and the balance amount of ₹ 42.10 Crore yet to be written off is carried forward to be amortised in future periods as permitted by the Reserve Bank of India vide letter no. DBOD.No.BP.BC.15896/21.04.018/2010-11 dated 08.04.2011.

- 6 In terms of RBI circular DBOD.No.BP.BC.88/21.06.201/2012-13 dated 28.03.2013, banks have been advised to disclose capital ratios computed under Basel III Capital Regulations from the quarter ended 30th June 2013. Accordingly, corresponding details for previous period/year are not applicable.
- 7 RBI circular DBOD.No.BP.BC.2/21.06.201/2013-14 dated July 01, 2013 on Basel III Capital Regulations contains guidelines on certain Pillar 3 disclosure requirements that are to be made along with the publication of financial results. Accordingly, such applicable disclosures have been placed on the website of the Bank which can be accessed at the following link: <a href="http://www.federalbank.co.in/regulatory-disclosures">http://www.federalbank.co.in/regulatory-disclosures</a>. These disclosures have not been subjected to limited review by the statutory auditors of the bank.
- 8 In terms of RBI circular DBOD.BP.BC.No.41/21.04.141/2013-14 dated August 23, 2013 on "Investment portfolio of banks-Classification, Valuation and Provisioning", the Bank has opted to amortise the depreciation on the Available for Sale (AFS) and Held For Trading (HFT) portfolios on each of the valuation dates in the current financial year in equal installments during the financial year 2013-14. Accordingly, of the total depreciation of ₹119.54 Crore as at December 31, 2013, the Bank has recognized an amount of ₹ 50.85 Crore for the current quarter ( ₹ 68.31 Crore for the period ended December 31,2013) in the profit and loss account.
- 9 Number of Investor complaints received and disposed off during the quarter ended 31st December, 2013:

a) Pending at the beginning of the quarter	: NI
b) Received during the quarter	: 19
c) Disposed off during the quarter	: 19
