The meeting began with a prayer by Ms. Parvathy Viswanath.

The Chairman requested the members to observe silence for a minute as a mark of respect to the souls of the departed shareholders, Directors, employees and other well-wishers of the Bank.

When called upon by Chairman, Mr. Krishnan K.S, CFO & Company Secretary announced that 32 valid proxies from shareholders holding 2,77,60,181 shares have been lodged. There were no invalid proxies.

Thereafter the Chairman introduced the Directors on the dais.

The Chairman delivering his speech said that the fiscal 2013-14 has been challenging year for the Indian economy. Growth in the Indian economy has remained below 5.0% for the second consecutive year, along with subdued investment activity and consumer demand. Uncertainties regarding the global recovery, concerns over domestic growth and volatility in the financial market were the key features of the macro economic environment in the year under review. Gross Domestic Product (GDP) grew by 4.6% during fiscal 2014. Growth was moderated by a slow down in industry and service sectors. Growth in the industrial sector was 0.6% during fiscal 2014, similar to the corresponding period of fiscal 2013. The service sector grew by 6.7% during fiscal 2014. The agriculture sector recorded an improvement in growth to 3.6% in fiscal 2014. Yet there is a need to have a robust policy framework that balances the priorities of investments and the return there from.

Chairman further observed that the Indian banking industry faced collateral challenges due to the economic slow down, as a result of which asset quality preservation took precedence over growth imperatives, though the warning signals subsequently waned following expectations of improved policy measures and Commercial Banks' sharp focus on quality of assets.

Chairman highlighted the following salient features of the Bank's performance for the financial year ended March 31, 2014:

- The total Deposits of the Bank increased from Rs. 11202 Cr. to Rs. 12133 Cr. as on 31.03.2014
- The total Advances of the Bank increased from Rs.7954 Cr. to Rs. 8206 Cr. as on 31.03.2014
- Achieved operating profit of Rs. 6.07 Cr. for the financial year 2013-14
- Interest expended reduced by Rs. 19.75 Cr. during the financial year 2013-14 as compared to previous FY 2012-13
- Net NPA at 3.80% and Gross NPA at 5.98%.
- Basel II CRAR at 10% and Basel III CRAR at 8.67%.
- Book value per share is Rs. 58.47.

Human Resources policies and practices of the Bank focus on attracting, motivating and retaining qualified and skilled manpower. Concurrent with these objectives, steps are taken to improve manpower efficiency. Given the market challenges, there has been considerable focus on optimizing the existing resources through internal job postings, transfers and skill development initiatives. Training and development has assumed significant importance. The Bank's Staff Training College identifies the skill gap of the personnel and trains them for qualitative improvements.

He stated that the Bank has effectively leveraged technology and introduced several variants of traditional products and new e-based services, tailor made to the diversified needs of customers. Technology services like ATM cards, internet banking, mobile banking etc., have transformed the customer's banking experience from branch banking to anytime, anywhere banking.

The Bank strengthened its endeavours in the area of Corporate Social Responsibility (CSR) during the year. It continued its association with "Walkers Park" in Thrissur. In alliance with Trichur Management Association, it had initiated in the year 2010 scholarship programs for deserving MBA students seeking financial assistance. During the year 2013-14, the bank gave the scholarship to two MBA students.

Chairman informed the shareholders that the Bank had won two prestigious awards from NPCI (National Payments Corporation of India) in the 9th NPCI User Group Meeting held on 27th December 2013-

1. Special Jury Award in the NFS (National Finance Switch) Operational Excellence Award - for excellent performance in key parameters in respect of ATMs and Switch connected to NFS ATM Network
2. Best improvement award in the charge back ratio as an Acquirer in NFS

Chairman concluded his speech by assuring the shareholders that the Bank has put in place appropriate plans and strategies to bring about business growth with quality and profitability.
