CHAIRMAN'S ADDRESS

The Chairman addressed the members present at the meeting giving *inter-alia* report/information on business activities of the Company as under:

"Contrary to the adage 'first thing first', let me for a change begin with 'last thing first' as I share an important milestone in your company's quest for expanding its business horizons. It gives me

great pleasure that your company made its first international foray recently, with the acquisition of 22 Hanover Square, an iconic landmark in Mayfair, the heart of central London, for Rs. 1,550 crore. Currently a commercial office building spread over 87,444 sqft of area, the project envisages redeveloping it into a luxury residential building with a sales potential of close to Rs. 4,500 crore. As you are aware, we already have our marketing cum sales offices in London and Dubai, and therefore, it was the logical step forward to establish our credentials as a developer in the most coveted international financial hub of London, which has proven to be a bastion of stability and steady appreciation amid the slowdown in the global realty market. Not only will our London foray help us capitalise on our strong brand, but will enable us to diversify across geographies outside India, and provide a buffer against cyclical slowdown in the domestic market. Leveraging on our execution experience, track record as a developer, and our balance sheet strength, we shall continue to scout for such opportunities and expand our international footprint.

Performance overview

Notwithstanding the current wave of indifference surrounding the sector, and unnerved by the slow down, your company is aiming high with a perfect blend of caution, diligence and evaluation of all the potential opportunities. Braving all odds, not only the sales of your company has increased to Rs. 3,076 crores during the year as against Rs. 3,002 crores in FY 13, it has also paid a dividend of Rs. 3 per share for year 2013-14. We have maintained our focus on speedy execution, maintaining a moderate level of debt, and keeping costs under control.

Key highlights: sustaining growth

The current economic environment is extremely challenging; competitive intensity remains high and is likely to increase. However, we remain committed to drive the business towards delivering consistent, competitive, profitable and responsible growth. I am happy to share some of the key highlights as follows:

- Total Sales of Rs. 3,076 Crores for an area of 3.40 msft in FY-14 vs. Rs. 3,002 Crores for an area of 2.82msft in FY-13
- Total Revenues of Rs. 1,800 Crores in FY- 14 vs. Rs.1,346 Crores in FY-13
- PBT - Rs.362 Crores in FY-14 vs. Rs. 267 Crores in FY-13
- PAT - Rs.230 Crores in FY-14 vs.Rs.175 Crores in FY-13
- Dividend payout of Rs. 3 per share for year 2013-14
- With marquee project 'Blu' reaching revenue recognition, there is a large funnel for future revenues
- Credit rating of A+, highest amongst its real estate developer peers

With several new project launches planned for the next few months, the outlook for the ensuing year looks much brighter.

Land Bank: key to future profitability

The passage of the land acquisition Bill is set to make land more coveted. Now, those seeking to buy land and develop it would have to pay at least twice the amount. In this situation, company having a large land reserve gets the advantage. Your company has a total land bank of 1,009.74 acres in Mumbai Metropolitan Region (MMR), National Capital Region (NCR) and Chennai. Your company possesses these lands with no outstanding amounts due to be paid. Besides, your company has 2,588 acre SEZ land in Nasik, Maharashtra. The size and location of these lands allows us to respond quickly and effectively to the changes in the market conditions, regulatory environment and the overall demand.

Thrust on execution and expansion

Undeterred by the current slowdown, your company has been steadily expanding its presence in Tier I and Tier II cities. Presently, your company is developing both residential and commercial projects mainly concentrating in metros and Tier I cities. The project ranges from 'mid-income' housing projects to 'premium' and to 'super premium' projects. The total Area under Development (AUD) stood at 72.86 msft at the end of FY 2013-14. Your company will be handing over 1000 apartments in the coming year, and more than 15,000 in the next 4 years, thereby creating so many happy customers whose dream of having a best-in-class accommodation will be fulfilled. Your company is therefore, at the cusp of realizing its mission of delivering lifelong happiness and satisfaction to its customers, who will soon call these apartments 'home'.

Projects gained significant momentum

During the year under review, our various existing projects gained momentum, while we launched several new ones at strategic locations. Almost entire Phase 1 of our integrated housing project at Panvel, called 'Indiabulls Greens' has been sold out, with very little inventory left out of the existing stock. 'Golf', Savroli, positioned as a weekend second home for the life style oriented, is generating very good response. With civil construction almost over for most buildings in phase 1, work on golf course will start soon. 'Blu', the most sought after project in Mumbai, is creating new benchmark in the city. A very high-end sales lounge is being built at the site, which will reflect the experience buyers will enjoy on possession. The project, expected to be delivered in 2 years, has been steadily appreciating in terms of price realization for all incremental sales. 'Chennai Greens', our flagship project down south, is an integrated township of over 50 acres. Phase 1 of the project was delivered in May 2013, and Phase 2 is under development. Phase 2 possession will commence in May 2016 and will be completed by April 2017.

Some of our other ongoing projects include Indiabulls Centrum (Madurai), Vatika (Ahmedabad), Indiabulls Megamall and One Indiabulls (Vadodara), Enigma (Gurgaon), and Centrum Park (Gurgaon). While a few of these projects have been delivered, some are at an advance stage of completion, and likely to be handed over in the near future.

Key projects launched/planned to be launched

I am happy to announce that last year your company acquired the stake of our erstwhile J.V. partners, Farallon, a U.S. private equity fund, in our projects in Gurgaon (Sector 104 and 106, and Centrum), Sonapat, and Chennai. These projects have now become wholly owned by your company. Some of the new projects envisaged to be launched during the year are:

- **One Indiabulls - Sec 104, Gurgaon (recently launched):** Super premium residential complex consisting of town houses, low rise apartments and high rise towers spread over 34 acres
- **Indiabulls Mint - Sec 104, Gurgaon:** Iconic commercial tower of 2.11 lac sqft

- **Indiabulls Commercial Centre - Sec 109, Gurgaon:** 5.84 lac sqft of commercial development

Our Credit rating - A reflection of sound financials

Your company has retained its A+ (Single 'A' Plus) rating for long-term debt (Term Loans and NCDs) and A1+ (highest possible) for short-term debt. The ratings are a reflection of company's strong fundamentals, low gearing, and execution record and mirror its long-term growth prospects.

Management reorganization

Before I conclude, I wish to share another very recent development – to impart greater focus and accountability at the leadership level and to rationalize operations of the diverse businesses of the Indiabulls group, its three promoters, myself, Rajiv Rattan and Saurabh Mittal have mutually decided to reorganize the management control of different group companies amongst ourselves. As part of the restructuring, I retain management control of your company, while the other two co-promoters have stepped down from the Board of the company, and would not be involved in its operations. This realignment of control will set your company firmly on the growth path.

Lastly, I wish to place on record the sincere dedication and hard work of our employees, which has led to this improved performance. I am also grateful to our bankers, business associates and shareholders but for whose support the Company's quest for value creation would not have been possible."
