Shri Saurabh Chandra chaired the AGM. The Company Secretary informed the Chairman that required number of Members to form quorum were present, and the Meeting was properly convened and constituted. Shri Saurabh Chandra called the meeting to order.

The Chairman informed the Members that pursuant to provisions of Companies Act, 2013, Register of Directors and Key Managerial Personnel and their Shareholding and Register of Contracts or Arrangements were kept open with Register of Proxy.

With the consent of the Members, the Chairman declared that the Notice of the Meeting together with the Directors' Report and Auditor's Report already circulated to the Members be taken as read.

Thereafter, Chairman addressed the members. He stated that India is currently the world's fifth largest consumer of energy, accounting for nearly 4.7% of world's total energy consumption. With sustained economic growth, the demand for energy is rapidly increasing. Energy is imperative for the economic development of the country and Petronet LNG is striving to make its mark as an important energy provider.

Chairman stated that the share of natural gas in our nation's primary energy basket is significantly below the world average. Several international examples have shown that an extensive development of pipeline infrastructure and LNG re-gasification terminals, greatly encourages a gas-based development model, with positive impact on the environment.

He further said that the company has commissioned the 5 MMTPA Greenfield LNG import and re-gasification plant in Kochi, Kerala, enabling PLL to expand reach and supply natural gas in the south. Government of India had awarded permission to GAIL to lay pipelines to connect Kochi LNG terminal to the consumers in Mangalore and Bengaluru. Certain constraints are being faced by GAIL in laying these pipelines. The pipeline to Bengaluru passes through the State of Tamil Nadu and this has become a subject matter of litigation. The Mangalore section of the pipeline is awaiting ROU (Right of Use) acquisition from State Government in certain districts of Kerala. Company is hopeful for resolution of these issues and completion of pipelines in the near future.

*A. Chandra*

Chairman apprised the members that company achieved the highest ever turnover of Rs. 37,748 Crore as against Rs. 31,467 Crore in 2012-13. The net profit during the year declined to Rs.712 Crore as against Rs. 1,149 Crore in the previous year. Lower capacity utilization, coupled with the commissioning and consequent capitalization of the Kochi terminal, resulted in lower profits for PLL for FY14. The capacity utilization at the Dahej Terminal was at 96%, while the Kochi terminal operated at minimal capacity.

Keeping in view the performance and dividend policy of your Company, the Directors recommended a dividend of 20% on the paid-up share capital of the company for the year ending March 31, 2014. The market capitalization of your Company as on date is Rs. 14,475 Crore (approx.) and the Company has given more than 12 times return to its investors at the IPO price of Rs. 15/- per share issued in March, 2004.

Thereafter, the queries were raised by the Shareholders on issues viz. decrease in net profit, concern over under utilization of Kochi LNG terminal, issue of bonus shares, etc., which were suitably replied by the Chairman and Directors.

Company Secretary informed the members that in line with the provisions of Companies Act, 2013 and rules notified thereunder, the company had provided e-voting facility to its members to cast their vote on the resolutions as proposed in the notice of the Annual General Meeting. The e-voting was opened from 10<sup>th</sup> September, 2014 to 12<sup>th</sup> September, 2014.
