Sri Suresh Krishna, Chairman of the Board of Directors, occupied the Chair.

As the requisite quorum was present, the Chairman called the meeting to order.

With the permission of the Members present, the Notice to the Shareholders dated 7<sup>th</sup> August, 2014 calling for the 51<sup>st</sup> Annual General Meeting was taken as read, the Independent Auditor's Report and

its annexure was also taken as read in terms of Section 145 of the Companies Act, 2013, as there was no qualification in the Auditors' Report.

The Chairman then gave his speech highlighting various aspects of the operations of the company, performance for the financial year 2013-2014, dividends disbursed, performance of the overseas subsidiary companies and outlook for the future.

After conclusion of his speech, Chairman informed that as per the amended provisions of Listing Agreement and the Companies Act, 2013, the company has offered e-voting facilities to the shareholders and that the Scrutinizer, Sri K Sriram has already submitted his report thereon on all resolutions.

The Chairman then opened the floor for questions. He informed that the Members shall confine their comments to accounts and matters under consideration at this AGM.

Some of the members present at the meeting raised queries and also sought certain information clarifications and also made few comments and suggestions as outlined below:-

- The shareholders expressed their happiness about the very good performance of the company despite the tough economic environment prevailing in the country and as well as in the industry.
- It was observed that the borrowings of the company have decreased and it was desired that this trend should continue.
- It was suggested to increase the rate of dividend.
- It was suggested that to settle the contingent liabilities through settlement with the concerned regulatory authorities.
- It was requested to provide reasons for increase in the depreciation for the financial year 2013-2014.
- It was suggested, the Board should consider issuing bonus shares as the last bonus issue was during the year 2007 and the reserves were high enough.
- A suggestion was made to channel the spending on Corporate Social Responsibility (CSR) more towards medical awareness, sanitation rather on the medical facilities as prevention is better than cure.
- A suggestion was made to consider holding the AGM in July / August every year.
- A suggestion was made that the company should take measures for dematerialising the physical shareholdings in the company
- A shareholder suggested that the Annual Report should be sent only in electronic mode aiming towards green initiative.

The Chairman after providing opportunity to all the shareholders present for raising their queries and seeking clarifications, responded to such queries, comments, clarifications as summarised below:-

- Increase in dividend - It is imperative for the company to maintain a consistent dividend pay-out ratio which would also enable the company to deploy resources for the future growth.
- Increase in depreciation - The increase in depreciation is due to addition of fixed assets.

- Bonus issue – The share price of the company is currently quoting at a high rate, which itself is a good reward to the shareholders. He further informed that further bonus issue might actually affect the share price negatively due to the resultant increase in the number of shares.
- CSR spending – The suggestion for CSR spending towards medical awareness was a good point and expressed his positive intent to explore opportunities in this regard.
- Dematerialisation / AGM – As regards dematerialisation, the Company could not compel the shareholders to dematerialise the shares and that such shareholders might be holding such shares with a view to hold it on a long-term basis rather than sell the shares. With respect to convening AGM in July / August, Chairman informed that this year the meeting was convened in September due to various amendments / clarifications in the new Companies Act, 2013. He informed that from the next year, AGM would be convened in the month of August.

The Chairman then informed that in order to provide an opportunity to those members who have not exercised e-voting, he offered to conduct a poll. Poll papers were then distributed through the volunteers / Scrutiniser and a poll was conducted for all the resolutions. The Poll was scrutinised by the Scrutinizer Sri K Sriram, Practicing Company Secretary on all the resolutions.

After ascertaining that all the shareholders and proxies, who were present in meeting hall and participated in the poll, had cast their votes, pursuant to the advice of the Scrutiniser, the Chairman closed the poll at about 11.30 a.m. The Scrutiniser then took custody of the polling boxes for verification of validity of votes and counting the votes and for preparing his report to the Chairman.

Later, the Chairman informed to the shareholders that the final results of the voting (after consolidating the result of e-voting and poll) would be announced to Stock Exchanges and in the website of the Company on or before 24<sup>th</sup> September 2014.

Sri V Narayanan, Director, proposed the vote of thanks.
