# Transformation Strategy & Operational Progress

# BGMAL Transformation

# Scale & Geographic Reach

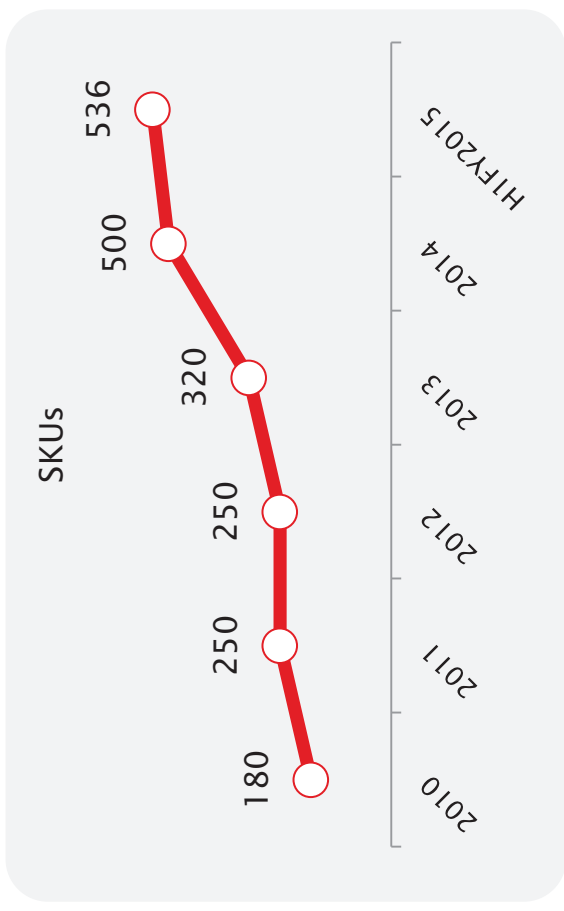

*Increased Geographical expansion to support long-term growth plans*

- Over the past two years, brand “Butterfly” has widened its presence all over India
- In addition to its extensive presence in South India, the Company has focused on strengthening its presence in non-South markets by widening its distribution network and augmenting after sales service capabilities
- Streamlining of the business post the acquisition of the appliances division of Associate Company LLM Appliances, has resulted in improved relations with modern trade outlets and leading retail chain stores which will further boost its reach and accessibility to customers.
- This has been supported by enhanced marketing and brand awareness activities across various media

# Product Line Extension

*Increased product categories for wider product portfolio and higher market share*

- BGMAL added 14 new products categories and variants to its product basket in FY14 including products added due to the LLMAL Domestic Kitchen and Domestic Electrical appliances acquisition, taking the total offering to over 20 products
- Further, the Company organically added 60 new SKUs in FY14 and the LLMAL acquisition contributed to additional growth in SKUs. Going forward, the Company plans on adding 50 SKUs annually
- The diversified product portfolio includes a range of basic and premium products which cater to the needs of a variety of consumers across all income categories

# Increased Brand-building

*Higher sales and marketing spend for better penetration and brand development*

# Assessment

- The established business of Branded Sales has been growing steadily
- Government Order Sales is a positive contribution business
- Branded Sales in North and East India is in investment mode - expenditure on strengthening of distribution network and on brand equity / marketing activities is being incurred upfront whereas benefits to accrue in the coming years
- As anticipated, Impact of enhancing pan-India presence has resulted in temporary pressure on blended EBITDA margins
- Notwithstanding multi-year benefit from investments in expanding distribution network and enhanced marketing and brand equity activities, the Company follows a policy of fully absorbing these costs in P&L account in the year they are incurred
- Key strategic achievement in FY14 has been synergetic acquisition of domestic kitchen and domestic electrical appliances and perpetual rights to the BUTTERFLY brand
- Growth visibility remains bright as the Company expects benefits from:
  - Wider distribution network and enhanced geographical presence
  - Addition of new sunrise product categories from LLMAL acquisition
  - Impending launch of new premium models in existing categories

# Key Focus Areas

---

- Continue to invest on expansion of distribution network and brand building activities
- Improve efficiencies and synchronizing operations acquired from LLM Appliances Ltd. – reduce working capital intensity and realize benefits of synergies
- Arrest working capital intensity with focused initiatives – setting monthly targets to sales and distribution teams – pressing to augment collections – reduce average inventory levels – negotiating better terms with the suppliers
- Maximizing cost efficiencies at all levels of operations
- To launch several innovative and ergonomic kitchen and domestic electrical appliances – world class products with immaculate design and added utility features developed through in-house R&D
- To further improve perception of product quality synonymous with the “BUTTERFLY” brand
